Flood Relief Funds Exceed Local Quota

The Newton Chapter of the American Red Cross again wishes to express its deep gratitude to the citizens of Newton for their great generosity in collection of money for flood relief. With an original allotment of \$2000—which was later increased because of the great extent of the disaster, a total to date of \$9267.91 has been received. Every bit of this money will be used for the benefit of the flood sufferers, not a penny being taken out for overhead expenses.

The local chapter is in close touch with the Red Cross officials in the flooded areas and are told that there is enough clothing at present. Donations of clothing with the understanding that it may be used in Newton if it is not needed in the flooded areas will be gratefully received.

Jamieson For Ward 6 Alderman

Joseph B. Jamieson of 92 Homer st., Newton Centre, will be among those placed in nomination at the meeting of the Board of Aldermen next Monday night to succeed Harold Keller, who resigned at the last meeting of the Board as ward Alderman from Ward 6. Jamieson is in the yarn business at Boston. Before moving to Newton Centre some years ago, he resided on Eldredge st., Newton. He graduated from Amherst College in 1909. His father, the late Joseph B. Jamieson, was a member of the Board of Aldermen from 1929 to 1934 inclusive. Several members of the Board are urging Edward O. Proctor of Leeson lane to be a candidate. Arklay S. Richards of 26 Parker st., Newton Centre, announced last week that he is willing to serve as Mr. Keller's successor.

Mrs. Phipps' Estate Awarded to Sister

In the Middlesex Probate Court last Thursday Judge Monahan awarded to Mrs. Annette Loud, 90, the \$35,000 estate left by her sister, Mrs. Kathleen Phipps, widow of Rev. George Phipps of Newton Highlands. Mrs. Phipps died last September and willed her estate to Amherst and Mount Holyoke Colleges. Following her death a will, made in 1930, was entered for probate by the Newton Trust Company as executor. Later a copy of a will, allegedly made in 1932 by Mrs. Phipps, was offered for probate. In this document Mrs. Phipps revoked her will of 1930 and left her estate to her nephew, George Loud, for the benefit of his mother, Mrs. Loud. The latter testified that Mrs. Phipps had told her she had torn up the 1932 will and was leaving all her property to the witness.

Judge Monahan ruled that when Mrs. Phipps destroyed the 1932 will, the 1930 will was not reestablished, thus Mrs. Phipps died intestate, and under law, Mrs. Loud as her nearest relative is entitled to the estate.

M & B Asks for Oak Hill Bus Permit

The Middlesex & Boston Street Railway Company has applied to the Newton Board of Aldermen for a franchise to operate busses from Brookline and Dedham sts. at Oak Hill to Newton Centre and thence along Beacon st. to the Boston line. This application is the result of a similar petition from the Service Bus Lines of Revere made a few months ago. According to an existent agreement between the City of Newton and the M. & B. Company the latter has the first right to apply for new bus lines within the city limits. Several years ago the M. & B. started a bus line between Newton Centre and Oak Hill. This line was discontinued after a few months because of lack of patronage. For the past few years a number of Oak Hill families have financed transportation through an individual who operates a station wagon.

Newton Hospital Donated \$10,000

The will of Mrs. Mary E. Riley of Brookside ave., Newtonville, who died on March 7, was filed last Friday in Middlesex Probate Court. She bequeathed \$10,000 to the Newton Hospital for two free beds, one in memory of her father, Thomas Emerson, a former superintendent of schools of this city; the other in memory of her sister, Evelyn Emerson. The Choate Hospital in Woburn was left \$5000 for a free bed in memory of her late husband, Herbert S. Riley, a native of that city. Samuel Mendum, attorney and a college chum of Mr. Riley, was bequeathed \$5000. Other bequests were—Winchester Home for Aged, \$2000; Winchester Hospital, \$2000; David W. and Benneville Clark and Patrick Higgins, employees, of Newtonville, each \$1000; Nellie F. each \$1000. The residue of the estate was left to Harvard College.

Many Newton Police Shifted

Wholesale Transfers For Increased Efficiency

On Wednesday, April 1st, about half of the members of the Newton police department doing patrol duty were transferred from various routes and assignments. Nine men on day patrol duty and thirty-nine men on the night platoons have been shifted. Chief Hughes, in commenting on the transfers, said that they were made in the interest of efficiency and discipline. The transfers are as follows—Day Platoons:

J. F. Kelly, from Newtonville to Newton Lower Falls; Kilmain, from Waban to Upper Falls; J. Riley, from Upper Falls to Newtonville; Hayden, from Newtonville to West Newton; Clancy, from relief duty to Waban; Barry, from Route 51, Waban, to Route 52, Waban; F. Maloney, from West Newton to Newton Centre; Carley, from Newton Centre to relief work; W. Riley, from Upper Falls to relief work.

Night Platoons: Walsh, from Nonantum to West Newton; Hennrikus, from Waban to Upper Falls; D. Cummings, from cruising car to foot patrol, Newton Centre square; W. Maloney, from West Newton to Auburndale; Slavin, from cruising car to foot patrol, Waban; E. Foley, from Waban to Newton Highlands; Regan, from Auburndale to Nonantum; J. Jenkins, from Newton Centre to Nonantum; Maguire, from Chestnut Hill to Farlow Hill; McGrath, from cruising car, Waban, to Newton; Scott, from house duty at police headquarters to cruising car, West Newton; J. O'Donnell, from (Continued on Page 4)

Last fall, along about the time school opened, nine husky youngsters of Newton, ranging in age from 11 to 15, banded themselves together with the avowed purpose of learning everything about horsemanship. They organized a club, called it "The Little Gunpowder Riding Club," and placed themselves under the tutelage of Mr. and Mrs. Roberts of Graymare, West Newton.

Mrs. E. E. Roberts is well known in riding circles, as well as at the rings of Madison Square Garden, New York, and horse shows in Springfield and Boston, where her horses were extensively shown.

Mr. and Mrs. Roberts took the club in charge, and during the season the members have been given instruction in Show Riding, Jumping, Driving, and Polo.

On November 11, 1935, only two months after the club was organized, they gave an exhibition which, according to reports, was an excellent performance, considering the short period of training.

During the fall months, the class would mount their saddles, and be off for an outing, prepare lunch on an open fire, camp fashion; and last winter, sports in the outside and inside ring at Graymare kept them occupied. The youngsters all agree that there is no better fun than skilling or tobogganing by horse power.

The club is self-governing. Members pay modest dues and elect their own officers.

The President is Arthur Appleton, Secretary Rodney MacPhie and Treasurer Ralph Nodine.

Rumor has it that "The Little Gunpowder Riding Club" will provide stiff competition at several of the shows this spring.

AN INSURMOUNTABLE OBSTACLE

The problem of redistricting the city of Newton has met with an insurmountable obstacle which will prevent any action in this regard for at least another year or more. The legislation which was sought by the mayor and city solicitor at the request of the 1935 Newton Board of Aldermen has been rejected because of an unusual situation existing in the present statutes. The Newton measure was one of similar petitions presented in behalf of other communities of the state, all of which received like disposition.

Some twelve years ago a law was enacted making it possible for cities in the Commonwealth to change existing ward lines every tenth year without special legislation which prior to that time was necessary. In 1930 an amendment to the State Constitution was adopted by the voters which provided for the establishment of representative and senatorial districts upon the basis of number of voters in districts which were to remain unchanged until 1939. Thus if the city of Newton were to alter its Ward lines it would have to be done without altering the present representative district lines. A virtually impossible task. If this were not done it would mean that elections would have to be held in both the new wards and the old wards. Another impossible situation. The only thing that can be done as far as redistricting the city is concerned is to either wait until 1944 or until the tangle in the present laws is straightened out. It is probable that this latter step can be taken in 1938 when the senatorial and representative districts will be changed where necessary to go into effect in 1939. A general law permitting all cities to change their ward lines in 1938 would accomplish this purpose.

NEW SCHOOL PROJECTS

Last year the school committee and the Board of Aldermen authorized the erection of a new grade school building in the Oak Hill section of Newton. Such authorization was decidedly proper and advisable if for no other reason than to aid in the stimulation of the development of taxable territory. The erection of a school in this section together with increased buildings of homes will be reflected in the increase of the total assessed valuation of the city within a very few years. However, in building the Oak Hill school the school committee was obliged to postpone the erection of new schools in West Newton and in the Ward 1 section of Newton Corner. These two projects were first and second on a tentative program outlined a year or two previously. Another project near the top of the list was the erection of a new trade school and a new administration building. Superintendent Warren's recent report indicates a possibility that these projects may now be placed ahead of the new grade school buildings which were postponed last year. It is a fact that conditions at the high schools are becoming crowded each year and that the additional space made available by the removal of the trade school and administration offices to other quarters will remedy this condition. It is also a fact that the Franklin school area in West Newton and the Eliot and Lincoln Schools area in Newton are decidedly in need of new school facilities. Citizens of these sections and parents of pupils attending these schools have been patient and further postponement might well induce strenuous protest. The issue which the school committee has before it seems to be clear.

A STEP IN THE RIGHT DIRECTION

The question of capital punishment has long been debated. Public opinion is divided upon the advantages of retaining or abolishing the death penalty for first degree murder. Few will disagree, however, that the ultimate goal should be to raise our standards of society, and to eliminate the premeditated brutal crimes for which such punishment is designed. It is a long road to that end. There is, however, pending before the present session of the legislature a measure which should prove an important step in the right direction.

Thirty-five states in the nation provide an alternative for the death penalty upon conviction of a charge of murder in the first degree by permitting the jury to recommend life sentence. Massachusetts is one of but six states which demands the death penalty. Under the present law the jury determines the degree of guilt. Who is there that can justly determine where second degree murder ends and first degree murder begins? Justice Cardozo of the United States Supreme Court, says that he has spent nearly a life time trying to determine this point. Many of the present difficulties as well as considerable expense will be largely eliminated if such an alternative law is adopted in Massachusetts.

In the Eskimo language, "I love you" is "Univfgssaerntuinal-finaujanisigwejak." This explains why the arctic nights have to be so long.—Pathfinder.

The naval conference in London is getting nowhere, because everybody wants as much Navy as anybody else. It turns out to be a conference for naval imitation.—The New Yorker.

Mr. Mencken says a Chinaman can defeat Mr. Roosevelt in November. The leaders at the moment are Li Hung Landon, Long Hop Borah and Fu ManChooer.—H. I. Phillips in New York Sun.

The drill team of Newton Post, American Legion will take part in a competitive drill at the Boston Arena on Saturday, April 4. The competition is under the auspices of the Military Order of World War Veterans and many teams are expected to participate.

Hollywood came to Newton today when Betty Davis, former local girl who won the award of the National Academy of Arts and Sciences for 1936, was the honor guest at a luncheon of the Newton Motion Picture Council at the Brae Barn Country Club. Other guests of honor are Mrs. Samuel A. Selworth of Worcester and James Muir, superintendent of the Quincy Schools, who will speak on "Visual Education in the Schools." Edward F. Payne, the cartoonist, will read a letter from Freddie Bartholomew, youthful star of "David Copperfield," and Mrs. Alice Cooper Bailey, children's book author, will read a letter from Shirley Temple. The Newton Motion Picture Council is a group formed a few years ago to raise the standards of motion picture appreciation in the community. Mrs. Francis J. Flagg is president of the council, Supt. of Schools Julius E. Warren and Rev. Randolph Merrill, vice-presidents, and Mrs. Guy M. Winslow, secretary. Miss Davis will be introduced by Mr. Warren and will be welcomed by Mayor Edwin O. Childs. Hostesses for the affair are Mrs. Ellis Spauld, Jr., Mrs. Lester Hunter, Mrs. Constance K. Kemper, Mrs. Irvine B. Parkhurst, Mrs. Wm. Vosburg, Mrs. M. P. Bail, Mrs. Percy E. Woodward, Mrs. Paul E. Elicker, Mrs. Ruth Ham, Mrs. J. Mace Anderson, Miss Estelle Marsh, Mrs. T. E. Young, Mrs. Harry Forte, Mrs. Max H. Colligan. Ushers will be the Misses Judith and Charlotte Anderson, Julia B. Flagg and Dorothy Giles.

A scholarship award has been made to Charles Judge of the Newton High School in the Art Week Poster Contest sponsored by the Boston Chamber of Commerce Art Committee. Each of six winners will receive a full scholarship in one of several art schools. A selection of fifty of the best posters submitted in the contest, which was open to high schools in metropolitan Boston together with fifty from the contest for Boston schools, are on exhibition at the Boston Art Club.

The dean's list for the first semester at Massachusetts Institute of Technology contains a goodly representation of students from Newton. A total of twenty-four, who either reside in Newton or who attended Newton High School, are included in those receiving high scholastic ranking. Three of this number are former Newton High students who are now living in other communities. Fourteen are youths who graduated from Newton High and entered the Institute, four others received all or part of their secondary education at preparatory schools, and the remaining three are graduates of public schools of other communities but who are now residing in Newton. Seniors receiving honor ranking include Vincent T. Estabrook, now of Lexington, who achieved the first honor group; John P. Allen, a graduate of Bellevue, Pa., High School, second honor ranking; and Elmer E. L. Davis, Stanley T. Johnson, Donaldson, McMullin, and Paul H. Richardson, third honor ranking. Among members of the junior class on the dean's list are Philip C. Jacobs, Jr., first honor ranking; John M. Gallagher, Karl P. Goodwin, second honor ranking, and Frederick R. Clafie, Verne C. Frost, Joseph F. Keithley, Irving R. Lewis, Theodore R. Timble, Harry Udin, and Gordon B. Wilkes, third honor ranking. Frost now resides in Cambridge, and Keithley in Portland, Ill., while Lewis is a graduate of Brookline High. Howard C. Neas leads the local sophomore group with first honor ranking. Fred L. Lamb, Carl E. Mesquier, and John A. Wilson received third honor ranking. Mesquier is a graduate of Oxford, Maine, High School, and the others of Newton High School. Four freshmen from Newton are among the first-year students on the list. They are Willard F. Babcock, Benjamin W. Badenoch, John A. Ferris and William F. Jenrick, Jr. Badenoch is the only student of the twenty-four who holds a scholarship.

Members of various organizations in Newton, Newtonville, and West Newton have in recent months been privileged to hear related the experiences of a member of the Byrd Antarctic Expedition of 1934. These experiences, as told by Amory H. Waite, Jr., of Wollaston, have thrilled the audiences. Waite was one of the three members of the rescue party that reached Admiral Byrd at the advance station 123 miles from the party's base at Little America, after a long, hard fight against extreme cold and hardship. Few in these audiences, however, know a few of the interesting facts connected with the Waite family which link it more closely with Newton. The Waite family, in eleven generations, shows a continuous line from 1638 to 1936 direct in Massachusetts. Henry E. Waite, grandfather of the Byrd aide, came to Newton about 1870 and died in this city in 1912. His son, Amory H. Waite, Sr., was born in West Newton in 1873 and resided here until about 1900. He is now a resident of Wollaston. The ancestral chart of the Waite family shows intermarriage with the family of Elder William Brewster, early Massachusetts settler; the family of Roger Williams, founder of Providence; and the family of General John Glover of Marblehead.

Le

RESIDENCE ZONES

To the Editor:

There seems to be some misunderstanding as to the different classes of residence districts in the zoning regulations of the City of Newton. There are three classes now, single, private and general residence. The single and private have a set back from the street line of 25 feet and must not occupy over 30 per cent of the area of the lot. The single residence has a set back from the street line of 15 feet from the street line and may occupy not over 50 per cent of the lot area.

The difficulty in these classes is that many people have bought homes in the private residence district thinking they were in the single district whereas they are in a two family area. It is perhaps unfortunate that so many do not understand this difference and when they realize the statute have petitioned the Board of Aldermen and the Planning Board to change the zoning to the higher grade for their own protection and the better control of values of the district. The stability of Newton is in its single residence restriction making more and more that Newton is a City of homes. Home owners should check up their zoning and see if they are satisfied.

Herbert J. Kellaway.

Central Club To Hold April Meeting

On Monday evening, April 6th, Central Club will offer for its regular meeting a program of unusual interest. After the supper hour there will be an evening of travel through Beautiful New England and Picturesque Mexico in the form of a lecture with pictures, all in full color, by Ernest Dudley Chase.

Mr. Chase is a well known traveler, author and editor, and a real artist, who can discern the beautiful. His pictures of Mexico were taken last month and cover shots taken on the way up the mountains above Vera Cruz, Mexico City scenes, the Floating Gardens (Mexico's Venice), the Bull Fight, the Sunday Horse show at Chapultepec Park, the Tulcan Market, Taxco and Cuernavaca where Lindy is said to have won Ann Morrow.

The program has been arranged by Dudley Hovey, chairman, and the meeting will be in charge of the president of the club, Mr. Walter P. Phillips. It is expected that there will be a large attendance.

60 YEARS AGO

Newton Republican, April 7, 1877

The committee on Street Lighting has contracted with Supt. Gerold of the Newton & Watertown Gas Company for lighting the streets of Newton for the ensuing year on the economic plan adopted by the Common Council. The price per lamp agreed upon is \$21.50, the company to light 500 lamps twenty nights in a month from sunset to midnight for 10 months. Thus, during the months of June and July the city will be in darkness, whereas for the sum of \$22 per lamp the gas company would have lighted 663 lamps from sundown to midnight for 12 months. The saving to the city at the expense of the citizens by this change will be \$250. The citizens by this arrangement will be deprived of 163 gas lamps, which will be changed to naphtha lamps, for the lighting of which a contract is yet to be made.

The Boston & Albany railroad carried 1000 passengers from Newton to Boston on Easter Sunday. From Newton station alone 201 passengers boarded the trains.

Steam Fire Engine 1 has been employed for 2 days pumping out the cellars under Lancaster Block, Newton which have been flooded with water.

Hunt's Drum Corps is tuning up again. They serenaded a newly married couple at Nonantum on Wednesday evening and subsequently partook of the hospitalities of the house.

Mr. Felix Antoine who is connected with the New Orleans custom house in the capacity of Harbor Master has been in Newton recently. Mr. Antoine is a black man and the brother of Lieut. Gov. Antoine of Louisiana. The object of his visit is to escort to her home in New Orleans his niece, a young woman of 15 years, who has been educated at the Allen Classical School in West Newton.

Measles are having a run in Wards 1 and 2.

All the fire engine houses are to be closed on Sundays henceforward. The object of this order is doubtless then loomings places of common resort for loungers on Sunday. But if the order is carried out literally, the prayer meetings in the Ward 6 engine house will have to be discontinued.

The new regulation of the police department requires each of the night policemen to report to the Chief his whereabouts each half hour.

50 YEARS AGO

Newton Graphic, April 3, 1886

At 2:35 Saturday morning a fire was discovered in a small wooden building on Washington st., Newtonville, owned by S. F. Hatchard, meat dealer and F. H. Rose, upholsterer. The building was only partly consumed and the loss will not exceed \$1000, which is covered by insurance. The building is an old one and has been an eyesore to the village, as it is directly in the centre of business and trade. Not only have threats to burn it been frequently made, but occupants of the building have been boycotted to some extent. The fire was of incendiary origin.

Isaac Fountain has left the Upham Farm at Oak Hill and bought the "Brick house" (made of wood) on Parker st., with a few acres of land by the brook. He will continue to sell pure milk notwithstanding the nearness of said brook.

City of Newton Board of Health

Ordered—that the keeping of swine be and is hereby prohibited on and after May 1st in the City of Newton except under a special license of the Board of Health, as follows—Wards 1 and 7, within a radius of half a mile of the Boston & Albany railroad station. Ward 2, within a radius of half a mile of the Boston & Albany Station. Ward 3, within a radius of half a mile of City Hall; Ward 4, within a radius of half a mile of the Boston & Albany railroad station; Ward 5, Upper Falls, within a radius of quarter of a mile of the Prospect School; Newton Highlands, within a radius of quarter of a mile of the B. & A. railroad station; Ward 6, within a radius of half a mile of the B. & A. railroad station.

25 YEARS AGO

The Newton & Watertown Gas Light Company announces a reduction in the price of gas of 5c a thousand cubic feet, making the rate 90 cents per 1000 cubic feet. The change will take effect on May 1st. The company also abolishes its present custom of making a gross at the net rate subject to payment within 15 days of the date of bill. Both of these changes will be appreciated by patrons of the company.

Many people have been complaining about the dirty condition of our streets, and it is about time that the city authorities realized that in this respect the city is far behind its standards of 10 years ago. For the past few years appropriations for streets have been consistently reduced by the Aldermen who have been faced with the necessity of keeping the tax rate low. With large appropriations for schools and the impossibility of making a savings in other important departments, the street items have had to suffer.

Edward H.

Powers' Paragraphs

The most publicized and one of the most mysterious murder cases in the history of this country, that of Bruno Hauptmann, convicted of kidnapping and killing the Lindbergh child, has been crowding Hitler, Mussolini, Japan and Russia, as well as the aftermath of the flood of front pages of newspapers the past week. The trial of Hauptmann was a hippodrome affair which reflected discredit on American court procedure. The recent activities of Governor Hoffman of New Jersey in Hauptmann's behalf have caused the New Jersey executive to be severely criticised. Hoffman may be sincere. While a large majority of people believe that Hauptmann is guilty, they also believe that others were implicated in the kidnapping of the Lindbergh baby. The fact that the principal witness against Hauptmann was a publicity seeking old bombast did not make the solution of the case more satisfactory. Neither did the introduction of testimony from an 87 year old witness who allegedly caught a glimpse of Hauptmann and could identify him many months after.

Pages and pages about the impending death of one man convicted of murder. A few lines hidden in inside pages of newspapers about the death of the ordinary man, woman or child murdered by some speeding or drunken automobile driver. And such murders occurring every day in Massachusetts. How civilized and law abiding we are. What a high value we place on human life.

Something occurred at the State House this week that has not been given the publicity it rates. This is—the overriding by sweeping majorities in both branches of the Legislature of Governor Curley's veto of the bill which will prohibit retail merchants from transacting business before 1 p. m. on Columbus Day, October 12. Curley gave the opponents of the bill a hearing before he vetoed it recently, but he did not give a hearing to proponents of the bill. On Monday the House of Representatives by a vote of 185 to 31 voted to override Curley's veto, and yesterday the Senate by a vote of 30 to 2 did likewise.

Governor Curley has been absent from the State House for several days. Officially it is stated he has a cold. According to rumor his nerves are also quite tired. And well they may be. Few men could have withstood over so long a period the tremendous physical and mental strain Mr. Curley has subjected himself to. Possibly this accounts for the tactical mistake the Governor made in vetoing the bill pertaining to Columbus Day. It is one of the worst errors he has made in his long career as an astute, aggressive politician. By doing so he has definitely and permanently alienated the support of many thousands of erstwhile loyal supporters and the votes he may gain by having vetoed the

measure will be few. If Mr. Curley thought he was so strongly entrenched with the racial groups who were numbered among the supporters of the bill that he could veto it, and by so doing court favor with at least one other class which opposed the bill, he realizes now that he was quite mistaken. The strategist from Jamaica Plain has slipped.

The members of the Senate were urged on Wednesday by Daniel Bloomfield, manager of the Boston Retail Board to support the Governor's veto. Among the reasons given by Bloomfield for such action were—that the measure is discriminatory and class legislation; it would encourage others to apply it to holidays like Christmas and Thanksgiving; it would mean a loss of \$1,000,000 to Boston stores; Boston stores observe more holidays by closing than stores in any other metropolitan city; it would affect the income of thousands of employees who work on commission; reduction in retail business means unemployment in factories that produce retail goods. Bloomfield is correct when he says the bill is class legislation. It legislates against the class which cares little or nothing for patriotic ideals of this country as exemplified by holidays commemorating historic events; a class which would keep their business places open Sunday if permitted; a class which has little respect for the archetypal ideas of the founders of this country. Pioneers who built a nation which has provided a land of opportunity for later comers who are motivated largely by materialism and have little regard for patriotic holidays. We hope Mr. Bloomfield you are correct when you predict that similar bills will be asked for Christmas, Thanksgiving and other holidays. It is puerile to argue that by being compelled to close on Columbus Day morning, or any holiday morning, that stores will lose millions of dollars, that employees incomes will suffer and that factories will be adversely affected. What food, clothing and other merchandise is not sold on such holidays, will have to be purchased on other days. People must eat and wear clothes and they won't go hungry or ragged because the stores are not open on 10 holidays each year. The big stores in Boston close all day on Saturdays during the summer months and do so of their own volition.

With so much agitation for 5 working day weeks the protests against closing on holidays carry much less weight than formerly. The change in social and economic conditions has not apparently been realized by some of the thirty-three legislators who voted to sustain Gov. Curley's veto. We suspect (and we regret to say it) that a few of those who voted to sustain the veto were influenced by bigoted rather than economic reasons. And our suspicion is not based on mere conjecture.

ONE THING AND ANOTHER

By L. D. G. BENTLEY

Probably Better Off

It so happened that last Saturday I was compelled to listen to the lamentations of a man who had, he said, come "so very, very near" winning an overwhelming sum in the Irish sweepstakes at Aintree. The technicalities of this horse race betting are to me involved and beyond comprehension. If I understood them I might give you an idea of his narrow escape from sudden riches. As it is I shall have to ask a great deal of you and that is that you accept both his word and mine.

Anyway, he didn't get the money or any money, although a regular purchaser of these tickets. What he wanted was consolation. I was sympathetic and, I believe, original. I told him that instead of taking it to heart he ought to be grateful that having "so much money might embarrass him. (I didn't say what figure represented the saturation point). Then I sought to persuade him that he was fortunate in not having to be interviewed by reporters as to all the intimate details of his life, have his picture in the papers and, worse than all, be required to pay a large income tax. I further showed him that had he won he would be deluged with requests for contributions of charities and swamped with suggestions for investments. In short, everybody would be trying to get his money from him.

I told him that without wealth he would always have peace of mind, that he could go about his daily occupation undisturbed and at night sleep without worry. When I concluded, he made no reply. He merely stared at me for a time and walked away. I am not sure that I convinced him.

Reading the Future

It is customary with those who are fond of prophesying calamities to support dismal forebodings with, "I feel it in my bones!" That is the only explanation they offer in many instances. I don't know why, but it is frequently accepted at face, or rather bone value. In other words, people who ordinarily are seldom impressed by things psychic or matters mystical, gaze at the speaker in awe, muttering, "Well, well," as if that clinched it.

Close study has convinced me that the phrase, "I feel it in my bones" is not as important as a prophetic statement as it is in forecasting the weather. When it is repeated, with a solemn shake of the head, the clouds are usually thick and black, the barometer threatening a storm and the general outlook dubious.

Reason for Staying Home

The home town will not be as deserted this summer as in other years during the vacation season. At least it ought not to be with such a large number of Newton citizens running for office or numbered among the supporters of various candidates, campaign committees and just plain workers.

Room for Doubt

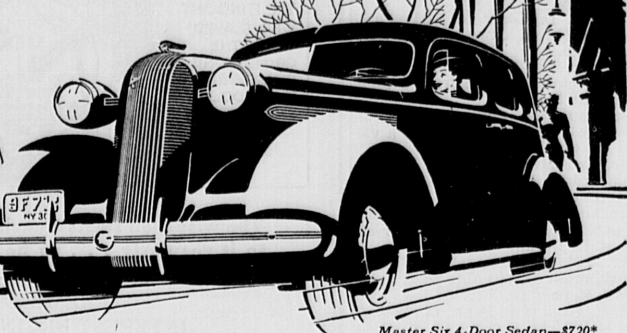

A prominent politician of Boston has challenged another and even more conspicuous member of the opposite political party to make public comparison of their respective income tax returns. The former, I assume, is of the opinion that the revelations will, if made, prove most embarrassing to his antagonist.

A resourceful satirist has suggested that the two "go to it" and exhibit their respective blanks before an audience. He suggests the largest auditorium available and urges a high price to be charged for tickets, the entire proceeds to be given to charity. Now this sounds like a good idea until you begin to think it over. Hasn't the public seen considerable of income tax blanks of late? Furthermore, would they understand unless a third party, and an expert at that, told what the figures were intended to convey? And wouldn't the whole thing be as slow and tedious a process? As much as I enjoy a good show, I'm afraid this one would be a flop. Yet I've no objection to having the experiment made. I should like to express the opinion that the sympathy of the public and not its scorn is apt to go to the man with the higher tax on the ground that his must have been the more tiring and perplexing job of making out the blank.

Some Are That Way

It was told in this column last week of the depressing effect the great flood and the havoc it wrought had upon a young man. His sympathy was so touched that he will remember the circumstances a long time. Now you get the other side of the picture. A young woman, a very good friend of mine, was equally overwhelmed by a three days' tour of the devastated area. "O, it was a wonderful sight," said she, "and I'm so glad I saw it."

Rotary Club

The luncheon speaker this week was Mr. W. C. Kendrick, Manager of the town of Norwood, Mass., who talked on the City Manager Plan as it is working out in Norwood. Norwood was the fourth community in the United States to adopt the scheme and has continued it since 1914. The entire set-up is analogous to that of a corporation with the taxpayers representing the stockholders, the selectmen the directors, and the town manager and his staff the executive forces. The selectmen are responsible for initiating or outlining policies but the manager is responsible for their execution and for efficiently organizing the various departments to carry them out. His work results in a real savings to the taxpayers not alone through greater efficiency of operation but also through the very substantial savings he is able to effect in his capacity as central purchasing officer for all town departments.

Burglar Alarm Routs Thieves

A burglar alarm at the store of Korrigan Brothers, dealers in automobile supplies at 739 Beacon st., Newton Centre, proved its value about midnight Tuesday. Two burglars broke a pane of glass in the front door by throwing an automobile jack through it. The alarm began to sound and also turned on the lights in the store. Whereupon, the thieves jumped into their car and started to flee toward Center st. They observed Patrolman McCormick and hurriedly turned the car the opposite direction. McCormick fired two shots after them, one of the shots hitting the back window of the automobile.

Charged With Drunken Driving

Putnam McDowell of 481 Boylston st., Brookline was arrested Wednesday afternoon at the turnpike in Newton Centre after the car he was driving had collided with another car. He was arrested by Patrolmen Green, Monroe and Taffe on charges of drunkenness and driving while under the influence of liquor. He received an injury to his shoulder and was treated at police headquarters by Dr. Cummings. In the Newton court yesterday his case was continued until April 6.

Arthur Mitchell of Elmer ave., Belmont was fined \$50 in the Newton court yesterday for driving a car while under the influence of liquor. He was arrested on March 25 at Nantum by Patrolmen Elliott and Goodale.

William F. Cody of 44 Page rd., Newtonville, was arrested at 2 a. m. Wednesday by Patrolmen Davis and Slavin, charged with driving a car while under the influence of liquor. His case will be tried on April 9.

Edward Ehlbach of Cliff rd., Newton Highlands, was fined \$50 in the Newton Court on Monday for driving a car while under the influence of liquor.

Careless Smoking Blamed For Fire

Tuesday night at 10:44 Engine 3 was called to a fire at 78 Langley rd., Newton Centre. The building is owned by Robert Vachon and occupied by Chesley Blaine. The fire started in an upholstered chair and was confined to one room. It is supposed that the fire was caused by careless smoking.

Concert Adds \$1200 To Fund

The Newton Red Cross Flood Relief Concert, held last Sunday at the Newton High School Auditorium under the joint auspices of the Newton Federation of Women's Clubs, the Kiwanis Club of Newton and the Rotary Club of Newton, proved an unqualified success. There were about 800 people present and the program of vocal and instrumental music was wholly consistent with the advance expectations. A sum of \$1,200 was realized which substantially increased funds donated for this cause.

Committees in charge were as follows:

Publicity—Mr. James B. Melcher and Mrs. George Loud.
Program—Messrs. Charles Spaulding, of Rotary, Raymond Green of Kiwanis and Mrs. Fred G. Sandford.
Nearly 100 pounds of candy were made by the Domestic Science Department of the Newton Schools. Mr. Julius Warren, of Rotary, Supt. of Schools, heading that committee.

Ushers were under Mrs. Theron Walker and consisted of Junior Women's Clubs members.

Fashion Show At Damon Hall For Flood Relief

The students at Damon Hall, Newton, desirous of aiding in flood relief work, planned a fashion show which was given recently. Committees of students and faculty were appointed. Miss Barbara Dine of Lynn and Miss Muriel Trockman of Brookline, as heads of committees, secured the cooperation of a Boston furrier and a Brookline gown shop in displaying coats and gowns. The six models chosen by vote of the school were Jane Greene of Providence, Barbara Stetson of East Milton, Rosalind Spaulding of Wellesley, seniors; Muriel Trockman of Brookline, Barbara Dine of Lynn and Florence Hausman of Newton, Juniors.

The first floor rooms of the school were open so that the models could be displayed between rows of tables. Amplifiers were installed so that announcements made by Dean Joan Damon Richards, as each model came down the stairs, were readily heard. An orchestra played during the affair which concluded with tea and refreshments.

Details of New Oak Hill School

Work will be started promptly on the New Oak Hill School in the Oak Hill Village section of Newton Centre. This is a PWA project and the contract was awarded recently to J. P. Plott, Company of Boston whose bid was \$174,477.

Work on Meadowbrook rd. extension has been pushed forward in order to provide a road for trucking building materials to the school site. A large force of men have been employed cutting brush, grading the excavated material, while a fleet of 50 trucks has been carrying gravel fill for the road foundation. The roadway is now roughed-out and it is possible for the contractor to bring material to the school site.

The firm of Boston Architects Denmore, LeClear & Robb, were commissioned to draw the plan and specifications for the school. It is of simple Colonial architecture reminiscent of the Georgian period. It will accommodate the kindergarten and elementary grades up to Junior High. It is a two-story and basement building occupying about 9000 square feet of land. The exterior will be of water struck red brick construction with lime stone trimming and granite steps. It will have a pitched slate roof and a Colonial cupola rising from the top of the building to carry out the simple but artistic design. The main school building will be set back from the street 100 feet and will be approached by winding gravelled walks running through the landscaped courtyard. Separate boys' and girls' spacious playgrounds have been provided for in the basement of the school and there will also be a branch public library in the southeast corner. Another very interesting feature in the new school calling for special mention is the series of foot-warmers built in the floor of the first floor corridor to warm and dry the children's shoes during the cold wintry and damp spring days. There are two sets of these foot-warmers, several to each set, situated on either side of the main entrance. A pupil's rest room and medical examination room is also included in the first floor plans.

The school has been so planned that an extension can be built on to the west side of the school at any future time to accommodate four additional classrooms, two on each floor, or as many classrooms as it is found necessary to accommodate the growth of the district.

The school will have the most modern heating and ventilating equipment to safeguard the health of its future citizens and everything is being done to assure the utmost in comfort and convenience. There will be eight classrooms each accommodating about 35 pupils and the kindergarten will accommodate about 40 children. The school will be completed and ready for occupancy early in 1937.

Next to the kindergarten and approached from a further extension of Meadowbrook rd., provision has been made for a future auditorium which will become part of the school building group. It will have a seating capacity of 300 to 400 people with a stage and lighting equipment for entertainment and school functions.

THE WEEK IN NEWTON SPORTS

By JACK MORRIS

FIRST SPRING GRID PRACTICE AT NEWTON

Newton High, for years considered implacably opposed to spring football, has yielded at last to the pressure of competition with better seasoned eleven, and is sponsoring a brief session of football. The school equipped sixty boys Wednesday, most of them inexperienced at the game. Whereas most schools will get in several weeks of football this month, Newton will have only nine or ten days before the spring vacation, which begins on Friday, April 17.

Coach Ralph Sanborn does not expect a great deal from this purely experimental practice session. There is so little time allowed and so few veteran players are available, that a very general type of workout is in order. Any boys who are already committed to some regular spring sport are excluded from spring football. Thus Paul Forte, halfback prospect who won the state meet dash last winter, is out for track and Paul Robie, Bill Johnstone, John Joyce and Tony Colantonio are out for baseball.

Of the veterans, Sanborn has only co-captains Al and Brad Thompson, respectively center and fullback, Bob Whelden, 240-lb. tackle, and Seth Fitch, a back of some experience. A pair of Trade School boys, Johnson and Monkjohn, may make the grade next fall, now that Trade athletes are eligible to compete for the high school teams. Monkjohn, a sturdy Armenian boy from Watertown, is the best prospect to come forward in the out-of-season workouts to date.

Newton's football schedule for next fall has a few slight changes. Lynn English has been dropped from the schedule, and Newton will have nine games, six of which will be played at home. School opens Sept. 14, and the first game will be with Cambridge Latin at Cambridge on Friday, Sept. 25. Games with Arlington, Everett, Brockton, Quincy, Rindge Tech, Worcester South and Waltham follow on successive Saturdays, of which only the Everett and Waltham games will be played away from Newton. The Brookline-Newton Thanksgiving Day game will be played at Newton. Worcester South replaces Worcester Commerce on the schedule.

JONES RETAINS 24 IN FIRST BASEBALL CUT

Coach Jeff Jones reduced his varsity baseball squad at Newton High to twenty-four players Monday, and will make another cut next week. With more than three weeks to prepare for their first game, the team begins to look every bit as good as last year's.

Those retained by Jones on the varsity squad are catchers Emmons, McHugh, Milner and Martin, pitchers Green, Tornabene, Castoldi, Herick, Quinn and Reche, first basemen Savignano and Gruber, second basemen LeSourd, and John Marrazzo, shortstops Bert Marrazzo, Bartolomucci and Brown, third basemen Callanan, MacLeod, Lyons and Byrne, and outfielders Joyce, Newcomb, O'Hara and Cormier. Gruber is listed as a first baseman as well as a pitcher, and several of the battery candidates will qualify as outfielders as soon as the season approaches.

Jim Tornabene, veteran pitcher, has been showing the way to the other pitchers thus far, although Green, Guido Castoldi, Jack Herick and John Reche are all somewhat experienced. Only Carl Bosworth has been lost from last year's string of pitchers, so the team will be about as well manned on the mound as at any time last year. A lot depends on the development of one or two first string catchers. Emmons, a senior from the Trade School, looks like the man for the position just now, but John McHugh of last year's good intermediate is pushing him. Howie Milner, football and hockey veteran, is another good receiver, and the fourth varsity catcher is a sophomore, Martin from the F. A. Day Junior High.

Ernie Savignano, captain of football and basketball this year at Newton, is hitting the ball hard and often in practice games, and so are Phil Green and Guido Castoldi. Green and Tornabene have caught Jeff Jones' eye as the most effective pitchers, so it looks as though Green already has a berth waiting in the lineup. Coach Howard Ferguson and Beverly Wilson are handling junior and sophomore candidates on two fields, the varsity football candidates are working on another under Coach Ralph Sanborn, so that there is none too much room for the boys even on the spacious acres of Dickinson Field. The intermediate squad will be picked at the end of this week, and next week the junior varsity will be chosen.

The varsity schedule, consisting entirely this year of league games, is as follows:

Wed., April 29—Camb. Latin here.
Fri., May 1—Newton at Rindge.
Tues., May 5—Arlington here.
Fri., May 8—Newton at Waltham.
Wed., May 13—Brookline here (tentative).
Fri., May 15—Newton at Cambridge.
Tues., May 19—Rindge here.
Fri., May 22—Newton at Arlington.
Wed., May 27—Waltham here.
Fri., May 29—Newton at Brookline.

Hockey

At the closing exercises for the winter term at the Fessenden School the following Newton boys received their "F's" in hockey: John Lodge, 2nd, of Chestnut Hill; E. Pike Noyes and Richard Pierce, Jr., of Newtonville; Richard Van Arsdale, formerly of Newtonville.

Mr. Charles Foster Weedon, Jr., a master at the Fessenden School, has taken a group of boys with Mr. Leblanc of the Dublin School to Bermuda for the Easter holidays. Mr. Weedon is to run a day camp this summer on the grounds of the Fessenden School.

REAL ESTATE

Doris Carley's office reports the following families have secured the homes they hoped for at a price within their budget:

Property located at 51 Wedgewood rd., West Newton, leased for Veronica Hughes to Harold A. Carnes; property located at 117 Beaumont ave., Newtonville, leased for Mildred Foster to Josephine L. New; property located at 81-83 Northgate park rented for the Prudential Insurance Company to Stanley Haste.

Automobiles Stop And Are Hit

Speeding in motor vehicles causes accidents. So does sudden stopping, according to reports of two accidents which occurred in this city yesterday. A car driven by Andrew Stewart of 155 Forest Hills st., Jamaica Plain, was struck opposite 527 Washington st. at 9:45 a. m. by a car operated by J. A. Gogan of 70 Falmouth rd., West Newton. Gogan reported that the accident was caused by the other car stopping suddenly in front of his car. A man named Choate of Commonwealth ave., Brighton, and a Mrs. Hay of Beacon st., Brookline, who were riding with Stewart, were reported as having been injured.

At 8 a. m. yesterday a truck driven by Gilbert Cohn of Pittsfield was struck at Washington and Wales sts., Lower Falls, by a car driven by Theodore Stackhouse of Melrose st. The latter reported that the collision was caused by Cohn stopping the truck suddenly. Cohn was injured and taken to the Newton Hospital.

She was presented with a very nice book by the president, Mrs. Wilmarth, as a token of the esteem and appreciation which the members hold for her. An impressive candlelight service was held at the close of the meeting.

CHRISTIAN SCIENCE

"Unreality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 5.

The Golden Text is: "Charge them that are rich in this world, that they be not high-minded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy" (1 Timothy 6:17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For the earnest expectation of the creature waiteth for the manifestation of the sons of God. . . . Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God" (Romans 8:19, 21).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Discerning the rights of man, we cannot fail to foresee the doom of all oppression. Slavery is not the legitimate state of man. God made man free. Paul said, 'I was free born.' All men should be free. . . . Citizens of the world, accept the 'glorious liberty of the children of God,' and be free! This is your divine right" (p. 227).

FURS BY VENGROW

1374A Beacon Street

Safe, attractive sidewalks that stay put are built with CONCRETE

TAKE a good look at your sidewalks. Compare the walks made of concrete with those of other materials.

You'll discover that concrete's light, clean, even surface is pleasing to the eye and pleasing to walk on... that it drains quickly and is usually free from sloppy puddles... that it adds to the value of your property and the appearance of the whole neighborhood.

But there's more to the story. Concrete walks reduce pedestrian accidents; protect against costly damage suits. Their moderate first cost, durability and freedom from repairs make them cheaper, in the long run, than walks made of any other materials.

When it's sidewalk building time—public or private—concrete for economy, safety and satisfaction.

WARREN F. GREGORY

Warren F. Gregory of 377 Walnut st., Newtonville, died on March 29. He was born in Winchendon 73 years ago, graduated from Cushing Academy in 1883 and from Dartmouth in 1888. He was a member of Dartmouth E. of the Casque and Gantlet, Theta Delta Chi, Phi Beta Kappa and a founder of the Dartmouth Literary Monthly. From 1888 to 1897 he engaged in teaching and writing and in 1898 he became treasurer and manager of Lothrop, Lee & Shepard, book publishers. He retired from active business in 1933.

Mr. Gregory was a past president of the Hunsnewell Club of Newton and a member of the Dartmouth Club, University Club and Boston Authors' Club. His wife, Mrs. Annie Laurie Gregory died in 1932. He is survived by a daughter, Mrs. Courtney F. Bird of West Newton; and three grandchildren. His funeral service was held at his late home on Tuesday; Rev. Newton A. Morrill of Newton officiated. Burial was in Newton Cemetery.

MICHAEL J. MULCAHY

Michael J. Mulcahy of 52 Gardner st., Newton, died on March 29. He was born in Dungannon, Waterford, Ireland, 78 years ago, and had resided in Newton for over 60 years. He was employed for many years by Albert Brackett and later conducted a produce business. For the past 20 years he had been employed by the City of Newton and was a foreman in the Forestry Division. He was a member of Middlesex Court, Division 35, A. O. H., the A. O. U. W., the Holy Name Society and Local 175, Federation of City Employees.

Mr. Mulcahy is survived by his widow, Mrs. Hannah (Leahy) Mulcahy; three sons, Thomas J. of Detroit; John E. and Edward J. of Newton; and by four daughters, Mrs. Eugene Chartier of Newtonville, Mrs. Michael Denehy of Brighton, Miss Eleanor G. Mulcahy of Newton, and Mrs. Edward Smart of Newtonville. His funeral service was held at Our Lady's Church on Wednesday and burial was in Calvary Cemetery, Waltham.

The service was attended by a delegation from Local 175, Federation of City Employees, of which the deceased had been a prominent member.

MARGARET RYAN

Miss Margaret Ryan of 61 Gardner st., Newton, died on March 29, at the Holy Cross Hospital, Cambridge. She was born in Tamlacht, Donegal, Ireland, 95 years ago, and had resided in Newton for over 50 years. She is survived by several nephews and nieces including Rev. E. Ambrose Gallagher of Salem, Daniel J. Gallagher of Dorchester, John F. and James P. Gallagher of Newton, Michael O. Gallagher of Waltham, Miss Minnie Cain of Newton and Mrs. Ann Stover of Boston. Her funeral service was held at Our Lady's Church on Tuesday and burial was in St. Joseph's Cemetery, West Roxbury.

JOSEPH F. MCGOVERN

Funeral services for Joseph F. McGovern were held at Sacred Heart Church, Newton Centre on April 1st. Rev. Bernard Winn officiated. Mr. McGovern was born in Newton Centre 33 years ago, the son of Mary Canon McGovern and the late Thomas F. McGovern. He served for many months overseas in the Army of Occupation in the medical corps. For the past 10 years he had been associated in New York and Philadelphia with the insurance firm of Chubb & Son. He is survived by his widow, Kathryn F. (Broderick) McGovern; two sons, Joseph Jr., and John; his mother; and a sister, Mrs. Albert Lombardi. Interment was in St. Joseph's Cemetery, West Roxbury where "taps" was sounded by Buglers Richard Piper and Clifford Hubbard of the American Legion.

MARY R. KIMBALL

Mrs. Mary R. Kimball of 598 Walnut st., Newtonville, died on March 29. She was born in Haverhill, 65 years ago, and had resided in Newtonville for 7 years. She was a member of the X. V. Club of Haverhill. She is survived by her husband, Joseph C. Kimball; a daughter, Mrs. D. Hardwick Bigelow, of Newtonville, and three grandchildren. Her funeral service was held on Tuesday at her late home. Rev. Randolph Merrill officiated. Interment was at Mount Auburn.

WILLIAM H. CARR

William H. Carr of 1194 Walnut st., Newton Highlands, died on March 27. He was born in Windsor, Nova Scotia, 59 years ago and had resided in this city for 43 years. He was employed by the Newton Street Department. Mr. Carr is survived by one son, Christopher Carr. His funeral service was held on Monday at Mary Immaculate Church and burial was in St. Mary's Cemetery, Needham.

GROVER W. KLAUER

Grover W. Klawer of 15 Bemis st., Newtonville, died on April 1, of appendicitis. He was born in Cambridge, 21 years ago, the son of Mr. and Mrs. Frederick J. Klawer. He had resided in Newtonville for 6 years and was employed by the Cambridge Chevrolet Company. He is survived by his parents, and by two brothers, Frederick J. Klawer, Jr., and Alvin A. Klawer. His funeral service will be held at his late home this afternoon. Rev. Randolph Merrill will officiate. Burial will be in Mount Hope Cemetery.

WILLIAM CONNOLLY

William J. Connolly of 119 Hawthorn st., Nonantum, died on March 26. He was born in Galway, Ireland, 59 years ago, and had resided in Newton for 33 years. He was employed by the Newton Street Department. Mr. Connolly was a member of Middlesex Court, M. C. O. F. He is survived by his widow, Mrs. Julia Connolly, and a son, George Connolly. His funeral service was held at Our Lady's Church on Saturday and burial was in Calvary Cemetery.

Social Minutes

With spring's arrival fashions are milady's chief interest in life. Glamorous mannequins paraded Dame Fashion's newest and most intriguing vogue at the style revue which the Beth Israel Women's Auxiliary presented at their 10th anniversary luncheon at the Statler Hotel. Every table was filled to capacity as everyone was there to see elegant spring and summer fashion presentation. A glimpse or two about the room disclosed Mrs. Edward Rose and Mrs. N. H. Whitman. Mrs. J. Joelson, who chaired the affair, was chatting with Mrs. S. Pianski her assistant. Mrs. Sydney Rabinovitz was with a party of friends as was Mrs. Leon Strauss. Others here and there were Mrs. Hyman Frieman, Mrs. B. Aronson, Mrs. Louis Epstein, Mrs. F. S. Ullian, Mrs. D. Silver, Mrs. K. Snyder and Mrs. P. Rogers.

Ladies' Aid Luncheon

Members of the Ladies' Aid and Fuel Society are always eager to do their bit for worthy causes. A great many were keenly interested in the luncheon held at the Komore last week as the launching of this venture is a means of supplying unfortunate families with necessary supplies for the coming holidays. Mrs. A. Kalish a leader in all things of charitable nature served as chairman for the affair. Assisting her were Mrs. M. Stearns and Mrs. J. Markson and Mrs. F. B. Glimmer. The following tables were Mrs. Henry Aronson, Mrs. S. Bergson, Mrs. E. Berman, Mrs. L. Berman, Mrs. I. Arkin and Mrs. L. Feinberg. Others were Mrs. S. Goldman, Mrs. C. Goldman, M. Hirsh, Mrs. S. Greenstein, Mrs. T. Levenson, Mrs. L. Lowenstein, Mrs. H. Mintz, Mrs. E. Watchmaker and Mrs. E. Peters.

Newton Temple Activities

Plans were laid for the formation of a drama group of which Mrs. Otto Spiller will be chairman, as well as groups in public speaking, choral work, and child study. Several committees are being organized to aid the Beth Israel Hospital, one to meet at the home of Mrs. Herman L. Shaw on Tuesday mornings to make bandages. Another one will take care of collection and sales of articles contributed by members for the Beth Israel Thrift Shop on the official "Temple Emanuel" day during the latter part of May. This group will be under the leadership of Mrs. Maurice Klein.

Calendar Reads

This definitely is the dance season and the Woman's College Club is putting aside all serious undertakings for an evening of dancing and fun. April 14, at the Casino in the Brunswick. Mrs. Max Grossman is in charge of reservations. Another jolly benefit affair slated for the coming week is the Thrift Luncheon of the Hadassah. Dr. Bessie Sharenson is chairman of the committee and assisting her are Mrs. Abbot J. Epstein, Mrs. Simon Cohen and Mrs. Samuel Feinberg.

Junior Mothers' Rest Holds March Meeting

The March meeting of the Junior Mothers' Rest Club, held at the home of Mrs. Howard H. Cooley, was well attended, owing to the interest of the members in the discussion of ideas for the fall activity.

Plans for raising money which enable this club to make a generous donation to the Mothers' Rest Association are under the direction of Mrs. Walter L. McGill, assisted by Mrs. William C. Blackett, Mrs. Howard H. Cooley, Mrs. David W. Tibbott and Mrs. Gordon B. Wilkes.

The Junior Mothers' Rest Club, now in its tenth year, meets each month from October to May, to sew for the Association and Mrs. George W. Pratt, chairman of the sewing committee, reports that the twelve layettes which are to be given to guests at the Rest during the summer, are nearly completed.

Mrs. Cooley was assisted by Mrs. Charles E. Bailey, Mrs. Carl H. Cummings and Mrs. Worthington L. West in serving the tea following the meeting.

EDWIN C. WALLACE

Edwin C. Wallace of 55 Adella ave., West Newton, died on April 2 at the Newton Hospital. He was born in Cincinnati 60 years ago and had resided in West Newton for 10 years. He had been employed as a chemist by Warren Bros. Company of Cambridge. His wife died a year ago. He is survived by two cousins, Clyde Chase of New York and Edwin Chase of Greenwich, Conn.

PATRICK HAMPSON

Patrick Hampson of 20 Duane ave., West Newton, died on March 26. He was born in Derry, Ireland, 65 years ago, and had resided in this city for 45 years. He was employed by the Newton Street Department. His funeral service was held on Sunday and burial was in Calvary Cemetery, Waltham.

Drive By Red Light And Pay Fines

Gilbert Roehrig of 32 Fern st., Auburndale, and Summer Teele of Quincy were each fined \$5 in the Newton court last Friday for driving by the traffic signal at Watertown and Walnut sts., Newtonville, when the red light was against them. Harold Ryan of Springfield was fined \$5 for driving a truck on Watertown st. during prohibited night hours. Charles Struck of 52 Rangeley rd., West Newton, was fined \$5 for driving a car without proper lights, had his case placed on file by Judge Allen; so were the cases of Robert Luicha of Walpole and Wilbur Dobbins of Burlington, charged with similar offenses. Patrolman Maguire was the complainant in all these cases.

Recent Engagements

The engagement of Miss Jeanne DeLand Bachrach, daughter of Mr. and Mrs. Louis Fabian Bachrach of 124 Highland st., West Newton, to Frederic Paige Kimball, son of Mr. and Mrs. Frank W. Kimball of Dedham and North Falmouth, was announced at a small tea given on Saturday afternoon. Miss Bachrach was graduated from the Brimmer School and is now a member of the senior class at Radcliffe College. Mr. Kimball is in the graduating class of Princeton University, where he is a member of the Elm Club and an officer of the Princeton Tiger.

Mr. and Mrs. Eric Courtney of 26 Morton rd., Newton Centre, have announced the engagement of their daughter, Miss Helen Carolyn Courtney, to Samuel Thomas Penna, Jr., son of Mr. and Mrs. Samuel Thomas Penna of Avon-by-the-Sea, New Jersey. Miss Courtney attended the Vesper George School of Art and Miss Amy Sacker's School. Mr. Penna is a graduate of the New York Military Academy and Lafayette College. He is a member of Zeta Phi fraternity.

Dr. and Mrs. Charles Burton Wormelle of Boston have announced the engagement of their daughter, Miss Katherine Hyde Wormelle, to John Neymer Meissner, son of Mr. and Mrs. James G. Meissner of 795 Chestnut st., Waban. Miss Wormelle attended the Brimmer School and Smith College. Mr. Meissner attended the University of Vermont and Boston University.

Newtonville Church Woman's Association Holds Meeting

The Woman's Association of the Newtonville Methodist Episcopal Church met Wednesday morning to sew for the Mayor's Relief. Luncheon was served by Mrs. F. R. Duley and her group. At the Executive Board meeting, where Mrs. Carl S. Ell, the president, was in charge, Mrs. C. E. Thynne, president of the Woman's Bible Class, reported an average attendance of 55 for March with two new members. Mrs. Robert E. Meeker, fourth vice-president, reported that six quilts had been sent to the Cooper Community Centre in Boston.

Activities scheduled for the future are a meeting of Group VI with Mrs. Grant VanGundy, April 8; Group with Mrs. Albert M. Kreider, April 13, and Group II with Mrs. Clarence Lodge, April 14. There will be a church dinner April 15, when the Drama Club will present the one-act play "As Husbands Go"; also the Mother and Daughter dinner May 1, which will be a May Party, and the class dinner early in May. May 6 is the date of the next all-day meeting when Grace Pierce Maynard will give an illustrated lecture on "Romance of Famous Paintings."

Mrs. George F. Williams, program chairman, presented The Mayflower Trio of Waltham, consisting of Ruth Spencer, pianist; Hope Matthews Clark, violinist, and Audrey Hager, cellist, at the afternoon session. The program throughout was of high standard and Mrs. Williams' selections were of the highest. Each performer was an artist in her line showing the same ability whether in solos, duets or trios.

Runaway Auto Hits Parked Car

James Kerrigan of 146 Jackson st., Newton Centre, reported that he had received injuries when a parked automobile in which he was seated on Beacon st., Newton Centre, was struck by another car last Friday. The other car, which was owned and operated by Fred E. Perkins of Eddy st., West Newton, had just been parked in front of a garage on Beacon st., and in some manner the brakes released. It rolled down the incline and hit the car in which Kerrigan was seated.

Kiwanis Club

The members of the Newton Kiwanis Club, attending their weekly meeting today, were taken back three thousand years to the origin of the theatre. Mr. C. Hassler Capron, a member of the Newton Rotary Club, and proprietor of the Capron Electric Company, was the speaker, and in interesting fashion he traced the progress of the theatre down through the years to its present-day existence. The lighting effects were Mr. Capron's chief concern, but related thereto were many fascinating bits throughout his talk.

In the beginning the natural amphitheatre was chosen, all action taking place in broad daylight, there being no means of artificial light. Toward the year 1500 the stage took to indoors and tall candles were brought into use with amazing efficiency, considering all circumstances. The use of oil followed candles, then illuminating gas, and even after the discovery of the electric bulb, it took Mr. Edison about fourteen years to convince stage folk that electricity could be used on an equal basis with gas. The rapid changes brought about by the use of electricity were both explained and demonstrated by Mr. Capron.

At the conclusion of his remarks, Mr. Capron was urged to say a few words concerning the coming Tercenary Providence Pageant with which he will be associated as Assistant Director.

The City of Providence has appropriated a quarter of a million dollars to insure the success of this gigantic event. Mr. Capron's listeners were assured a trip to Providence next June or July would be something to look forward to.

Fine Alleged Bootlegger \$50

Salvatore Campisi of Calvary st., Waltham, whose shoe repairing shop at 1393 Washington st., West Newton, was raided in March 19, was fined \$50 in the Newton court last Friday for promoting a lottery. For keeping and exposing liquor for sale, he was given a suspended sentence of 30 days in Middlesex County prison. Serg. Sullivan of the Newton police testified to the finding of alcohol, bottles and glasses in Campisi's shop, and of having observed customers entering the shop, allegedly to get liquor.

Prolong the Easter Parade!

Look your best... not only on Easter... but every time you step out! Of course there's a tradition about Easter Sunday that tempts everyone to make special effort with appearance... but there's a lot of extra confidence and satisfaction in doing yourself justice every day in the year.

Sanitone Cleaning... regularly done... will keep every member of the family spic and span.

Sanitone Cleaning is not expensive. Available at two prices (Sanitone... New Mode or Sanitone... De Luxe)... it is within reach of every budget. It is the secret of keeping new clothes fresh and lovely... of getting your money's worth out of the things you have been wearing.

Sanitoning is a modern patented process of garment cleaning that does give your clothes a real beauty treatment. It gently removes stains and soil, revives the sheen and color brilliance of all fabrics, makes them look better and wear longer.

Get acquainted with Sanitone as you prepare for spring. It is worth keeping friends with, all seasons of the year.

Rug Special

APRIL ONLY

Have your rugs cleaned and shampooed now! Until May first... with every rug 8 x 10 or larger... we will clean one scatter rug... FREE

Sanitone Special

APRIL ONLY

Wool skirts and sweaters... a favorite Spring costume... will be Sanitone cleaned until May first... one of each for 75 Cents

Spring Musicale

The last, but one, regular Newtonville Woman's Club Day for the season will be observed as the "Spring Musicale" on April 7th, at 2:30 p. m., when the Music committee, Mrs. Randolph S. Merrill, chairman, will present the "Yankee Slingers," a quartette and accompanist familiar to many as favorite radio artists.

The members of this group, W. Clifton Johnson, first Tenor; George Wheeler, second Tenor; Melvin Crowell, Baritone; Walter Kidder, Bass; and Earl Weidner, Pianist, arranger, and director; all have enviable reputations in the field of music, where they have attained prominence as church soloists, as members of Choral Clubs, Opera companies, and other musical groups.

After the program, the Hospitality committee will serve tea in the Social Hall. Mrs. Fred M. Blanchard, chairman of the committee, has invited three members who have been very prominent in the Club to pour: Mrs. Joseph H. Willey, a charter member (1884); Mrs. John W. Byers (1898), who among other activities served as treasurer for several years; and Mrs. Albert S. Auryansen (1914), a past president. The following will be hostesses, Mrs. Walter N. Keene, Mrs. Louise C. Flene, Mrs. Harry W. Twigg, and Mrs. Allen Shepard.

The Art committee, of which Mrs. Frederick W. Reid is chairman, is sponsoring an Exhibit in the Gallery of Brush Work, Water-colors, and Design, submitted by pupils of the High School, the F. A. Day Junior High, the Horace Mann, and Claffin Schools; and also an Exhibit of Dolls to be lent by Club members, as special features of the afternoon.

Junior State Conference Tomorrow

Two matters of statewide importance to Juniors — the establishment of an age limit — also the proposed State project, the Reading Book for the Blind, will be voted upon at the Annual Spring Conference being sponsored by the Junior department of the Massachusetts State Federation of Women's Clubs in the Arlington Town Hall, Massachusetts Avenue, Arlington, tomorrow, Saturday, April 4th, with the Arlington Junior Woman's Club as hostess. The Conference will be in charge of Miss Ruth Lothrop, chairman of the department of Junior Membership. Miss Mary E. Youngken is president of the Hostess Club. The meeting will open at 10 a. m.

Presiding with Miss Lothrop during the morning and afternoon sessions will be Juniors who participated in the 1935 Travel Scholarship Contest: Miss Phyllis K. Kline, Quincy; Miss Mary L. Gassett, Wollaston; and Miss Pauline Aubier, Webster. During the luncheon hour, an informal program will be presented, with Mrs. A. Chesley York, chairman of sponsors of the State department, as toastmistress; the following 1935 Scholarship contestants giving the toasts: Miss Mary Pierce, Braintree; Miss Mary McGivern, Arlington; Miss Norma DeLory, Rockland; Miss Elizabeth Houston, South Weymouth, and Miss Barbara Gardner, North Attleboro.

Cyrus E. Dallin, internationally famous sculptor, and a resident of Arlington, will speak in the afternoon on "The Indians."
Miss Ruth V. Griffin, of Medford, who has been selected to represent the Juniors at the General Federation Council Meeting at Miami in April, as the outstanding Junior, will be presented informally to the Conference. A group of 30 Junior clubwomen will give a musical program under the direction of Miss Martha P. Wight, State Junior Music chairman.

Opportunity To Attend Garden School

Newton clubwomen who are interested in Gardens may be glad to know of the Garden School which is being conducted at Waltham, near home, and with notable persons giving authoritative information.

P. J. Van Melle, authority on rock gardens gave the first picture in a series of seven, comprising the sixth Annual Home Gardeners' School, at the Waltham Field Station, 240 Beaver street, Waltham, last Wednesday at 1:30 p. m. Dr. Hugh P. Baker, president of the Massachusetts State College, extended the welcome. These Classes are limited to 100, and applications will be filled in the order of the requests received by mail only. The course is free. Coming lectures will be as follows:

Wednesday, April 8: "Preparation of Garden Soils and Use of Fertilizers," Prof. Harold E. White and Prof. Robert E. Young.
Tuesday, April 14: "How to Make and Maintain an Attractive Lawn," Prof. Arnold M. Davis.
Thursday, April 16: "Improved Varieties of Chrysanthemums, Phlox, Garden Accessories and Day Lilies," Alex. Cummings, Jr., of Bristol, Ct.
Wednesday, April 22: "Plant Materials for the Home Garden," Prof. Clark L. Thayer; "Trees and Shrubs," George Graves.

New State Officers Are Nominated

An always interesting announcement, particularly in the year when, by the Constitution and By-Laws, the president retires and a new president is to be selected, is that of the Nominating committee of the State Federation of Women's Clubs. The slate of candidates to be presented to the Annual Meeting at Swampscott, May 19th through the 21st, is as follows, signed by the committee, of which Mrs. W. Scott Austin, of Quincy, is chairman:

President, Mrs. John H. Kimball.
Vice-presidents: First, Mrs. Henry W. Hildreth; second, Mrs. David A. Westcott; third, Mrs. Herbert F. French; and fourth, Mrs. J. Anton deHaas, of Belmont.
Recording secretary, Mrs. Burr J. Merriam.
Corresponding secretary, Mrs. George A. Mellen.
Clerk, Miss Bess Bartlett.

Treasurer, Mrs. Charles L. Fuller.
District Directors for 1936-1938: Second district, Mrs. William A. Robb, of Wollaston; Fourth, Mrs. Warren G. Kennedy, of Dorchester; Fifth, Mrs. Elton V. Faass, of Medfield; Sixth, Miss Helena B. Shipman, of Boston; Seventh, Mrs. Lester D. Chisholm, of Everett; Twelfth, Mrs. Benjamin D. Miller, of Waban; Thirteenth, Mrs. Clarence M. Harris, of Auburn; and Fifteenth district, Mrs. William H. Tague, of Amherst.

As was to be expected the first vice-president, Mrs. Kimball, who has served for the past two years, is now nominated as president. Each of the vice-presidents of last year have moved up a place; the new one to be the fourth vice-president. Mrs. deHaas is the wife of the professor who has appeared before so many women's clubs as speaker. It will be noted that Mrs. William J. McDonald is retiring as treasurer, and Mrs. Fuller, of Brockton, formerly Radio director, is nominated in her place. Interest in our own Twelfth District is, of course, keen. Taking Mrs. Capron's place is Mrs. Miller, of Waban, well known to Newton clubwomen as a former president of the Waban Woman's Club, and in various capacities in the Newton Federation.

Newton Flower Show

Garden Clubs in Wellesley, the Newtons, and surrounding localities, are planning to participate in Contests on Flower Arrangement in an Easter Flower Show to open tomorrow, Saturday, and continue until 9 p. m. Sunday, at the Fraser Greenhouses, 65 Linden street, Wellesley. There will be five classes, which will include formal and informal Easter table arrangements; a breakfast table decorated to please children; buffet-supper table decorations, using greens and fruits or any interesting plant material; and an arrangement for a ball room table, with mirror behind.

The exhibits will be ready for judging at 11 a. m., and will be open to the public at noon. No accessories except the containers are to be used. Every exhibitor will be allowed a space about three by four feet on a white tablecloth, unless otherwise stated. Exhibits will be judged under the new system rating as A, B, or C, for design in arrangement, distinction and harmonious combination of material and suitability of purpose.

Europe's Dilemma To Be Discussed

"Europe's Dilemma" is the subject chosen for the All-Newton International meeting and Dinner Discussion to be held at the Newton Centre Woman's Club on Monday, April 6th, at 6:5 p. m. Mr. Henry I. Harriman and Mr. Harrison Lakin will be the speakers.

Mr. Harriman was formerly president of the United States Chamber of Commerce, and is now representative of Employers for the U. S. Government on the Governing Board of the International Labor Organization at Geneva.

Mr. Lakin has served in important diplomatic posts abroad, and he is known as a lecturer at leading forums and universities.

The admission for the dinner and lecture will be 75 cents; the discussion fee will be 25 cents to Newton Centre Club members, and 35 cents to others.

Reservations should be made by April 4th with Mrs. Lucius Thayer, Telephone, W. N. 1415.

Musicale and Flower Show

A rare spring treat of music and flowers is promised for the April 9th meeting of the Newton Community Club to be held at the Underwood School Hall, at 2 p. m.

The Music committee, Mrs. Ray Eusden, chairman, will present Howard Harrington as soloist. Mr. Harrington possesses a tenor voice of unusual beauty, and Mr. Edwin Bittell, a concert pianist, will be his accompanist.

The Conservation committee, Mrs. Edward O. Loring, chairman, will be in charge of the Flower Show. Members are asked to co-operate so that this Exhibit will equal, if not surpass, those held in the past.

Exhibits can be arranged after 11 a. m. on the day of the meeting. For further information exhibitors should call Mrs. Loring or members of her committee.

The classes are as follows: First (Continued on page 8)

Newton Symphony Plays April 17

Robert Giddings and Norma Olson Soloists

On Friday evening, April 17, 1936, in the Newton High School Auditorium the Newton Symphony Orchestra, Inc., will present two talented young musicians.

Mr. Robert Giddings, son of Dr. and Mrs. Harold G. Giddings, will be heard in the Mozart A Major piano concerto of three movements. He was born in Boston in 1915, moving to Newton in 1921, where his intensive study of the piano began under Mr. D. Ralph Maclean, who recognized the ability of his student and fostered his career to the University of Rochester and Eastman School of Music.

Great interest has been centered upon his progress and this appearance in Newton.

Miss Norma Olson of Waltham, a brilliant cellist, will be featured in the A Major concerto for cello and orchestra by Gotterman.

Miss Olson began her study at the age of nine under Miss Ruth Masters of Waltham. From the beginning she displayed talent and accomplishment worthy of recognition.

The program will be augmented by work for orchestra by Debussy, Wagner, Bach, and Mendelssohn.

Newton H. S.

Radio Broadcast

The radio broadcast on "Auto Safety" presented by members of the Newton High School Radio Club over Station WBF was recorded by the Speak-o-Phone people. This record has been purchased by the Massachusetts Committee on Public Safety for use in their educational program. Its first use was before a meeting of the Massachusetts Chamber of Commerce.

The "skits" were written by Bernard Ericson, Suzanne Cushman, and Peggy Burckhardt. Bernard Ericson, Radio Club president, wrote the continuity material. The characters included an Old French Driver, Boy ready to apply for a driver's license, Ambulance Driver, Red Cross Nurse, Jane, a young society girl, Jack, her escort, and Betty and Bob, brother and sister in high school.

High school pupils taking these roles were Bernard Ericson, Weston Haskell, John Heminway, Suzanne Cushman, Barbara Bancroft, Frank Scheel, Peggy Burckhardt, and Hugh Tomb. Sound effects were in charge of Constance Wheeler. Miss Holly Lee, club adviser, is the teacher of public speaking in Newton High School.

Captain Hawks Speaker

The Aviation Club of the Newton High School sponsored an assembly on Wednesday, April 1, for the senior class. Hollis Whitten, president of the club, introduced the speaker, Captain Frank E. Hawks, a man who has gained great renown for his exploits and deeds as an air pilot. August 6, 1930 he flew from New York to Los Angeles in 14 hours, 30 minutes, and 43 seconds, with five stops for fueling. His flight took five hours of his previous flight. Later Captain Hawks crossed the country from Los Angeles to Valley Stream, Long Island, in 12 hours, 25 minutes, 30 seconds, at a sustained speed of approximately 230 miles per hour.

Making thousands acquainted with the possibilities of aviation in our own country, he has also established speed records between the principal cities of Europe. Colonel Lindbergh and Captain Hawks are the foremost aviators in the United States.

Samuel Thurber Made Chairman
Mr. Samuel Thurber, head of the English department in Newton High School, is Chairman of the Committee on Local Arrangements for the National Council of Teachers of English Convention, which will be held at the Hotel Statler, Nov. 26, 27, 28. For this, the 26th annual convention of the National Council, Mr. Thurber heads the large working group of the New England Association, which sponsors the Convention and is host to the Council.

Aviation Club
The Newton High School Aviation Club was invited by the Massachusetts Institute of Technology to the Aeronautics Department Lecture and Exhibit of May 10 at the Institute on Saturday afternoon, March 28. A large group of members and their club adviser, Mr. Daniel P. A. Willard, attended.

Prize Speaking
Judges for the Junior-Senior Prize Speaking at Newton High School on Friday evening, March 27, were Mrs. Emily P. Bishop, Mrs. Kenneth Erskine, and Dr. L. A. Gilroy. The contestants were William Abrahams, Leon Lipson, Joseph Lockett, Robert Nolan, Elizabeth Ferguson, Louette Ghaer, and Cornelia Brown. Miss Helen Lovell, Mr. Jerome T. Cutting were the coaches.

After the contest, the English Club presented "Rich Man, Poor Man," a comedy by Bertha Y. Burrill. The cast included Marvin Perry, Eldora Kirtan, Margaret Clark, Bernice Elkind, Eleanor Dixby, Helen Spence, Betty Tobey, Jane Dealy, Barbara Hansen, Nancy Waddell, Fred Jackson and James Whitehead. The coach was Natalie Grow, and Norma Skelton was make-up artist for the play. The musical program was by the school orchestra, with Rosetta Warren as soloist.

Principal Paul E. Ellicker awarded last Friday, charms to those senior workers on "The Newtonite," who had served for more than one year with spirit of responsibility and cooperation. Those who received them were: Raymond Harvey, Elizabeth Marvin, Carolyn Hayden, Fred Begole, Janet Hickey, William Abrahams, Natalie Grow, Robert Robbins, Margaret Robbins, John Hunter, Irving Paul, Admont Clark, Carol Thompson, Richard Lovell.

Newton Upper Falls

—A Lenten Mission Service will be held at the M. E. Church on Friday evening at 7:30 p. m.

—The Lockheart Class will hold their monthly meeting on Tuesday evening in the church parlor.

—The Five and Seven Whist Club were the guests of Mrs. Geo. Billings at Canton on Thursday evening.

—Miss Mary Heilthy of Boylston st. has returned to her studies at the State Normal School at Hyannis.

—Mayor Edwin O. Childs will be the speaker at the First M. E. Church on Sunday evening, April 5, at 7 p. m.

—Rev. Thomas Bomer will have charge of the morning service on Sunday, April 5, at the First M. E. Church.

—Mr. and Mrs. Edward P. DeGeorge of 23 High st. are receiving congratulations upon the birth of a son on March 22.

—Queen's Daughters of the First M. E. Church met at the home of Miss Enid Lane of Hale st., on Tuesday evening.

—Rev. and Mrs. G. Vaughn Shedd are attending the annual New England Methodist Conference which is being held this week at Melrose.

—Mrs. John Cooper and two sons Edward and John of Saco, Maine, were the week end guests of their relatives Mr. and Mrs. John Frost and family of Hale st.

—Ten members of the Ladies Aid Society of the M. E. Church attended the annual spring conference of the Boston and Lynn districts held last Friday at Somerville.

—The annual Parents' Night was held on Wednesday evening in the school hall of the Ralph Waldo Emerson School. Music was furnished by the ERA orchestra. Mayor Edwin O. Childs gave a short address. Dr. Laura Hooper, new elementary supervisor of education, extended greetings to the parents. Following the exercises in the school hall, the guests were served light refreshments in the kindergarten rooms by the faculty of the school.

W. C. T. U.

The West Newton W. C. T. U. will hold their Evangelistic Meeting next Monday evening at 7:45 at the home of Mrs. Jessie Clarke, 607 Washington st., Newton. Mrs. Susie Johnson will be the leader and Mrs. Helen M. Merriam and Mrs. Ellen Leland will be the hostesses.

Hubbard's Wins Prize In Contest

On Monday, Wilfred Chagnon, proprietor of Hubbard's Pharmacy, Newton, received a telegram from Anton Hogstad, Jr., chairman of the National Pharmacy Week committee, stating that Hubbard's had been awarded merit certificate No. 2 in a nation-wide contest for best window displays. The contest was conducted under the auspices of the National Retail Drug Association and the American Pharmaceutical Association. Over \$4,000 drug stores all over the U. S. A. competed in the contest. Last October the Hubbard Pharmacy won first prize for best window display in a contest among 2200 Massachusetts drug stores.

Weeks Jr. High

Before the Alumni basketball game on Friday, March 20, Vincent Manchester, president of the ninth grade, presented to the school a basketball scoreboard. The suggestion that a scoreboard be a class gift was made when the present ninth grade was in the seventh grade; and last year, the money was appropriated for it. This year, the scoreboard was made in the General Shop, under the direction of Mr. Murray. Mr. Blaisdell, principal, accepted the gift on behalf of the school. At a later date, the ninth grade will also present a baseball scoreboard.

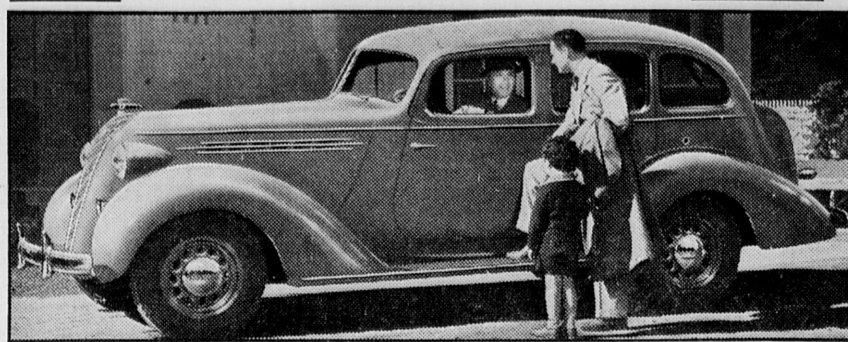

An old friend visited school again last Friday, when Joan Wostrel introduced Mr. Cronin of the Newton Library as "Our Story Teller." Mr. Cronin gave some very interesting sidelights on the lives of Mark Twain, T. J. Lawrence (of Arabia), and Sir Walter Scott, the incidents being taken from recent biographies of those men.

The indoor broad jump records for the girls were recently established when Priscilla Taylor of the seventh grade jumped 7 feet 5½ in. Her twin sister, Patricia, came a very close second at 7 ft. 5¼ in. A ninth grader, Helen Frederick, took third place with a 7 ft. 4 in. jump.

The eighth grade boys' indoor track meet was won by Room 307 with 18 points. The dash was won by Lynn Wilkes, with Tony Rezutti, second, and William Hurley, third. In the two-lap race, Edward Davenport came in first; Tony Iagulli, second, and Joe Cappodona, third. Room 307 won the relay race.

Walter Woodredge of the seventh grade has broken one track record and tied another. He broke the broad jump at 8 ft. 6 in., previously held by John Ryther since 1934 at 8 ft. 3 in. Wister tied the high jump record at 4 ft. 8 in., made in 1931 by Robert Muther.

"My TERRAPLANE does more than most cars claim"

"It's 'tops' of all the cars I've ever owned."

IN our showroom, "owner talk" means more than "sales talk." We're content to let claims take a back seat while owners give you facts.

On performance, you needn't take the word of anyone but the man who knows how much easier his Terraplane handles in traffic... how much better it takes straight-aways or curves... how much faster it is on the get-away. His economy figures talk louder than any salesman's claims... even ours! He can tell you facts about Terraplane's long life that would sound boastful if we said them.

But even a Terraplane owner can't put into words just what it means to sit at the wheel of this car and drive! With the Electric Hand shifting the gears, your hands stay always on the wheel. Just a flick of the finger... and gears shift! And your front floor is all clear... Terraplane is the only low priced car with real comfort for three in the front seat... no gear or brake levers to stumble over!

Steering is truer. There's an amazing riding smoothness. At the brake pedal, safer stopping than you'll find in any other car, with two braking systems at your command... and still a third from the easiest handling parking brake you ever saw. You ride over the world's first safety engineered chassis... in a body really all of steel, with solid roof of seamless steel. On every side, something new to discover and enjoy. Stop in now and take this "Discovery Drive"... see for yourself what a change Terraplane has made in motoring.

Athletics

The letter men of the basketball team met Monday afternoon in the high school locker room and elected Francis Morris '37 captain for next season. Morris has played centre for the past three years and this year was the third highest scorer in the Catholic High School League competition of ten teams. His scoring ability and team play won for him the highest honor of the league—he was chosen by ten coaches as the centre on the All-Catholic team.

Last Monday afternoon forty candidates responded to the first call for varsity baseball practice at Cabot Park. The outlook for a successful season is very bright inasmuch as eight veterans from last year's team are still available for competition this year. Among the veterans who reported are: Capt. Clifford Choquette; Russell Harney, c; Pius Mullin, 1b; Joseph O'Grady, ss; Robert Gallagher, 3b; Paul O'Brien, 2b; Francis Morris, cf; William Doherty, if. The promising newcomers are: Robert Muse, Joseph Cronin, Mario Marino, Francis Doherty, William Cannon, Edward O'Brien, William Timmins, William Gerity, Lawrence Gentile, Daniel Cardarelli.

Renovations

During the Easter holidays the third floor of the Grammar School is to be painted and renovated. This will be a continuation of the improvements started during the Summer and continued at the Christmas vacations, when the two lower floors were done over. The newly installed electric light system has made a great change in the school. In the corridor of the Primary School a beautiful statue of Our Blessed Lady has been erected for the little ones.

The Lower Church, where the children assemble on Sundays, has also been undergoing a very great improvement. Renovations and painting in the Sanctuary have changed the appearance of the lower church. A new beautiful life size statue of Saint Joseph, the Patron of our teachers, has been set up and a skilled artist has painted the other statues.

Sessions

The sessions for the Grammar School will undergo a slight change following the Easter vacation. The hours will be from 9 a. m. to 12 a. m. and from 1:30 p. m. to 3:30 p. m. The

High School sessions will remain unchanged.

Senior Play

The rehearsals for the coming Senior Play are becoming more frequent as the time for its presentation draws near. In the past the school has presented many memorable productions, but the most outstanding performances of the past few years were George M. Cohan's Musical Comedies: "Nellie Kelly" presented by the class of 1932, and "Mary" presented by the class of 1935. This year the school brings forth another of Cohan's brilliant Musical Comedies, "Forty-Five Minutes from Broadway," and it is rumored that it will surpass all the previous performances. The play will take place on Tuesday evening, April 14, 1936, at the High School Auditorium at 8 o'clock. A matinee for the children will take place Easter Sunday at two o'clock.

The play is being directed by Miss S. Theresa McCarthy, who has successfully conducted the former entertainments.

The senior class, which boasts of many talented members, uphold the principal parts and are well supported by the students of the lower classes. The cast includes: Catherine Burke '36, Alice MacDonald '36, Elizabeth McCarthy '36, Myrtle Cavanaugh '36, John Carmody '36, Bernard Mullin '36, Robert Gallagher '36, Russell Harney '36, Leo Riley '36, James Tobin '36, Peter Pasquale '37, William Timmins '36, Edward Bryson '36, Joseph Blue '36, William Doherty '36, Margaret Gallagher '36, Marie Lane '36, Margaret Geegan '36, Margaret McDade '36, Kathleen Fallon '36, Louise McCarthy '36, Margaret Magee '36, Mary McNamara '36, Edith Moore '36. Rose Perdue of the class of '36 is to render a solo entitled "Cherry Blossoms." She will be accompanied at the piano by Miss Mary O'Brien '37.

Debate

On Wednesday afternoon the Lawrence W. Slattery Debating team of Our Lady's High School met the boys' debating team from Cathedral High School, Boston.

The subject debated was "Should Several States Enact Legislation to Provide for Free Medical Assistance at Public Expense."

The negative team which debated at home was composed of: Francis J. Doherty '37, Edmund R. Rodgers '37, G. Gail Neffinger '36, Bernard M. McCaffrey '37, as alternate.

The affirmative side which debated at Cathedral High School was supported by: John T. Kenna '38, Gordon P. O'Brien '38, Edward R. Callahan '37, and Joseph O'Grady '36 as alternates.

Newton Firemen at Seminary Fire

Several companies of Newton firemen assisted in fighting the big blaze which partially destroyed the philosophy building at St. John's Seminary, Brighton, on Wednesday morning. The apparatus which worked at this fire included Engines 1, 3, 4 and 9; and Ladders 1 and 3. The latter truck was damaged when falling slate hit it.

Baying Hounds Owner Not Guilty

William Duggan, 641 Baker st., West Roxbury, was found not guilty by Judge Quinn in the Newton court yesterday on a charge of keeping a fox hound. Duggan owns a pack of fox hounds and lives near the West Roxbury-Newton line. Warren Conn and Wells Gregory of Arnold rd., Oak Hill, complained that on the night of March 30 sleep was disturbed at their homes by the baying of hounds near it. (Continued on page 12)

Jamieson Is Elected To Board of Aldermen From Ward Six Monday Night

Vote Is 17 to 3 For Successor To Alderman Keller After Considerable Debate

Joseph B. Jamieson of 93 Homer st., Newton Centre, was elected by the Newton Board of Aldermen on Monday night to succeed Harold Keller as Ward Alderman from Ward 6. President Floyd of the Board, seemingly apprehensive that some personalities might be indulged in, advised the Aldermen when he announced the business of selecting Keller's successor, that it has been customary not to discuss shortcomings of any candidate. He stated that it would be all right to mention qualifications. Alderman Goddard of Ward 6 in nominating Jamieson said the latter has resided in Newton Centre for 17 years and before that had lived in Newton Centre. He gave the information that Mr. Jamieson is an Amherst graduate and yarn merchant and has been active in Boy Scout work. He is also treasurer of Newton Chapter of the Red Cross, has given freely of his time in Community Chest drives and is a director of the Newton Centre Improvement Association. Goddard said that Jamieson did not seek the office, has been asked to serve and had the endorsement of many prominent residents of Ward 6. Alderman Cronin of Ward 4 nominated Edward O. Proctor of 78 Glen ave., whom he said is well known throughout Newton. Cronin stated that Proctor is a graduate of Yale and Harvard Law School, vice president of the Newton Centre Improvement Association and treasurer of the Church of the Advent, Boston. Alderman Akins of Ward 1 read a letter he had written to Arklay Richards, another candidate for the office. In this letter Akins expressed the belief that when a vacancy occurs in the Board of Aldermen, the custom of permitting the remaining two aldermen from the Ward involved to select the candidate should be followed. Akins said he intended to follow the sentiment he had expressed in the letter, even though it might cost him his political future. He commented (Continued on page 6)

Childs Reappoints Doherty Registrar Of Voters

William J. Doherty of 15 Broadway, Newtonville, has been reappointed to the Board of Registrars of Voters for another 3-year term by Mayor Childs. The communication from the Mayor reappointing Doherty was received by the Aldermen at their meeting on Monday night. His term expired on April 1, and ordinarily action on his reappointment or a new appointment would have been made at the first meeting in March. Because of the delay, Alderman Hill moved that the rules be suspended so that the Aldermen confirmed the appointment as soon as the communication was received. According to the city ordinance, appointments of salaries of officials must be laid on the table for two weeks before being confirmed by the Aldermen.

Aldermen Break With Mayor Over Abolishing Director Of Public Works Office

By Vote of 15 to 5 Request Mayor Childs To Recommend Appropriation To Continue Office

The meeting of the Newton Board of Aldermen on Monday night was reminiscent of meetings several years ago when prolonged and acrimonious discussions occurred over matters which came before that body. The cause of the sharp differences of opinion which were evidenced on Monday night was the changes made in Mayor Childs' budget recommendations by the Finance Committee of the Aldermen, and the particular case of the office of Public Works Director. This office was created by the 1934 Board of Aldermen on recommendation of former Mayor Weeks and Richard H. Ellis was appointed director at a salary of \$6000 per annum. Mr. Ellis had previously for several years been Water Commissioner. He had presented early this year to Mayor Childs budget recommendations of \$10,140 for the expenses of this office for the ensuing year. The figure included the following items: Salary of director, \$6000; salaries of clerks, \$2840; office expense, \$875; auto maintenance, \$225; out-of-State convention expense, \$200. Mayor Childs reduced Mr. Ellis' figures to \$3085.42, which would provide for the continuance of the office only until May 1. The contention held by the Mayor is—that the office is not legal inasmuch as the City Charter does not provide for it.

The Finance Committee, composed of Aldermen Bowen, chairman; Floyd, Goddard, Hill, McCabe, McKay and Melcher, made no recommendation in the budget regarding the office of Director of Public Works. In referring to this on Monday night Alderman Bowen said: "The Finance Committee has not acted in approval or disapproval of the appropriation recommended by his Honor the Mayor for this Department. The recommendation of the Mayor can mean nothing unless it means the intention to abolish the Office of the Director of Public Works as of May 1, 1936, and in this way render null and void the Ordinance passed by the Board in 1934 creating the Department. Approval by the Board of the recommendation as submitted is acquiescence in this action." "The Ordinance creating the Office of the Director of Public Works was passed by the Board of Aldermen on July 2, 1934. Its purpose was to coordinate the Public Works of the City, involving organization, methods, costs, and planning. This Department is the only department to which we can look for intelligent forward planning of Public Works, the fitting of present work into the needs of the future city. The Ordinance was drawn and approved both as to form and legal character by the City Solicitor. The City Solicitor has again assured us of its legality. And now without consulting the wishes of this Board in any way the Mayor proposes to throw this Ordinance out of the window." "The Director of Public Works has fulfilled the purposes of the ordinance and the expectation of the Board exceptionally well. The Departments (Continued on Page 12)

Newton Barber Hit By Auto

Joseph Caruso of 276 Newtonville ave., who conducts a barber shop at Center st., Newton Corner, was severely injured Monday evening as he was crossing Washington st. opposite the Catholic Church. He received injuries to his head and spine and broken ribs. He was taken to his home and then removed to the Newton Hospital. The car which hit Caruso was driven by George Melvener of Perkins Hall, Cambridge. Melvener, a Harvard student, was operating the car under New York registration plates.

Lottery Agent Fined \$50.00

Anthony Corsi of 21 Hale st., Boston, was fined \$50 in the Newton court on Wednesday for promoting a lottery. Corsi was arrested at Newton Centre by Patrolman Hammell who found a quantity of nigger pot tickets on him. Judge Allen ordered \$500 in cash taken from Corsi's person returned to the young man.

OPEN FOR INSPECTION

PEIRCE ROAD, WELLESLEY HILLS

WOMAN-DESIGNED IN THE CLIFF ESTATES WOMAN-SUPERVISED BRODRICK-BUILT

Another architectural triumph has just been completed by BRODRICK BROS. in the Cliff Estates. Of Chateau type, this newest BRODRICK-BUILT, WOMAN-DESIGNED home speaks French in every fluent line. The interior too, has a French accent. The sleek, dark oak finish of the 1st floor rooms is highlighted with silver and muted to a soft grey. In the kitchen, the red and blue of the French tri-color has been used in the decorative theme. A Renaissance mantel frames the living room fireplace, and through the finely designed iron gate beneath the curve of the circular stairway in the entrance hall is glimpsed the copper-hooded fireplace which spans a corner of the cozy oak-paneled library.

There are 5 master bedrooms, 3 master baths and 2 lavatories; and in a separate wing, 2 maids' rooms, bath and 2-car garage.

The "Sky Studio" on the 3rd floor has three bunks which solve the hospitality problem for habitual week-enders who like to tarry in such a home.

The Moulin Rouge in the basement is sure to be the scene of many a merry party.

Rock Wool insulation, General Electric Oil Furnaces, Neo-Angle bathtubs, Vitrolite panelling, Monel metal kitchen units are just a few of the practical features which add so much to the "joie de vivre" in a BRODRICK-BUILT home.

An added attraction is the large corner lot of 24,968 feet with an extra lot of 30,000 feet available.

Two more Brodrick-built homes, an Elizabethan and a brick-end Colonial, are nearing completion and ready for inspection.

Open Daily and Sunday. From the Worcester Turnpike take Cliff Rd. to Peirce Rd. CEN ter Newton 4477 WEST Newton 1989

EASTER SUNDAY

The observance of Easter Sunday has become an accepted traditional custom in our present civilization. Too little do we stop fully to realize the significance of the day and its spiritual background. How seldom we pause to reflect how empty and barren life would be without the lessons that were taught us those centuries ago. How much richer and fuller life would be if the world, individually and as a whole, made a more determined and sincere effort to live in the way He would have us!

PRESIDENTIAL PREFERENCE

Voters at the election to be held the latter part of this month when delegates will be elected to attend the state and national party conventions this coming summer will be given an opportunity to express their preference for potential presidential candidates. This opportunity is provided through the recent enactment of a law at the present session of the legislature instructing the Secretary of State to place on the ballot a space in which the voter may express himself in this regard. Thus it becomes more important for the voters to cast their ballot in the election of delegates if they desire to have a say in the selection of their presidential candidate. It frequently happens that delegates to conventions are selected by a small minority of the registered voters and consequently the selection of a presidential candidate may not be the popular choice that it is intended to be. When the voters realize this situation and avail themselves of the opportunity to express their preference in large numbers then the selection of presidential candidates will be more truly a popular choice.

THE ALDERMEN DISAGREE

It has seemed to us that the debate now going on between the Mayor and the Board of Aldermen upon the question of retaining the office of Public Works Director was inevitable. The eventual outcome is far from a certainty although it is readily conceivable that the matter may end in a complete deadlock.

Judge Allen Frees Alleged Speeder

Paul McNamara, 23, of Rochester, New York, a student at Harvard Law School, was found not guilty in the Newton court on last Friday by Judge Allen on a charge of speeding. Patrolman Mague testified that McNamara drove along Washington st. near the Newton Hospital at 55 miles an hour. The defendant denied that he was driving that fast and produced a witness to corroborate his statement. Judge Allen said there was a reasonable doubt.

"Story of Louis Pasteur" At Paramount Theatre

Paul Muni comes to the screen of the Paramount Theatre starting Sunday in what is said to be his greatest film characterization, "The Story of Louis Pasteur."

Muni portrays Louis Pasteur, the great French chemist and bacteriologist, who contributed so much to science. The story, by Sheridan Gibney and Pierre Collings, centers about Pasteur's battle against ignorance and prejudice, to save life through sterilization and the use of vaccines against disease.

So bitter against him, and so powerful were the physicians who hated him, that they succeeded in having him banished from Paris. But Pasteur did not give up his fight against disease. He struggled on in a different part of France and lived to see his work recognized finally and he himself acclaimed.

Josephine Hutchinson plays the part of his faithful wife who shared his exile and aided in his experimental work. The romantic roles are carried out by Anita Louise, as the daughter of Pasteur, and Donald Woods, who portrays one of the few physicians who believed in the great chemist.

Others in the cast include Fritz Leiber, Henry O'Neill, Porter Hall, Raymond Brown, and Dickie Moore. On the same program is Harry Richmond in "The Music Goes 'Round'."

Starting Thursday a new star team of irresistible lovers tops the film horizon as George Raft and Rosalind Russell step out arm-in-arm together in the grand new 20th Century comedy romance, "It Had to Happen." On the same program will be "The Preview Murder Mystery," with Frances Drake and Reginald Denny.

Coming the season's outstanding pictures: "The Country Doctor," "Follow the Fleet," "Modern Times," "Captain January," and "The Trail of the Lonesome Pine."

Kiwanis Club

The members of the Newton Kiwanis Club and several out-of-town guests listened with much interest to an explanation of Newton's Incinerator. The speaker, Building Commissioner Harry A. Hageman, was well qualified to talk on the subject, not only because of his experience along engineering lines, but because he made a definite study of incinerators in use, past and present, before committing the City of Newton to its project.

There is carried to the incinerator for destruction daily about thirty-five tons of waste paper, etc.—70,000 pounds, or about one pound per person per day. None of these present seemed to realize waste material accumulated in such proportions daily.

The incinerator is not used for disposal of garbage, but it has been so built, it can take care of this phase of municipal government when and as it seems desirable.

The Street Commissioner, who was also present as a member of the Club, and who has charge of the collection of waste materials, added several interesting sidelights. It was developed, some residents objected in the beginning to dividing waste materials—ashes in one receptacle—waste paper, etc., in another, and while it is true two separate trucks are required for collections on any given route, the disappearance of unsightly, unsanitary, and expensive in-keep dumps compensates, it is felt, for the slight inconvenience to householders and the more involved methods of collection.

Mr. Hageman acknowledged one part of the incinerator did not in the beginning work efficiently, but a little time and study corrected the difficulties and no further trouble is expected.

It was announced, through the efforts of the Newton Federation of Women's Clubs, the Newton Rotary Club, and Newton Kiwanis Club, and all those who responded to the cause sponsored by these associations, more than \$1,225.00 had been raised in the week of March 23, 1936 for the use of Newton Chapter, American Red Cross in Flood Relief Work.

REAL ESTATE

Doris Carley's office reports the following families have secured the homes they hoped for at a price within their budget:

Property located at 855 Chestnut st., Waban, leased for Thomas H. Griffiths to Henry C. Wayne; property located at 25 Varick rd., Waban, leased for Signe F. Estabrook to Carlisle V. Christie.

Easter Sunday is again here. The many churches of Newton have planned services and music in accordance with the usual observance of the day. The annual Sunrise Service of the young people will open the services of the day at the summit of Institution Hill in Newton Centre on the grounds of the Andover-Newton Theological School. This service, sponsored by the Young People's Inter-Church Council of the Norumbega District is annually attracting a larger group of worshippers. Professor Howard M. LeSourd, Dean of the Graduate School of Boston University, will speak on the topic, "The Sun Comes Up". Members of the Newton DeMolay Band will render special music and members of the Hi-Y and Tri-Hi Clubs of Newton will usher. The Newton Chapter of DeMolay, the Waltham Assembly of Rainbow Girls, the Hi-Y and Tri-Hi Clubs of Newton and Watertown and the Newton Circuit Epworth League are co-operating. It is expected that over five hundred young people from Newton, Needham, Belmont, Watertown and Waltham will gather for the service at six o'clock. In case of rain the service will be held in the First Baptist Church at Newton Centre.

The annual reception and sale held at the Stone Institute and Newton Home for Aged People is planned for May 16th. Such action was voted by the executive committee last Monday. The reception and sale will be at the Home in Newton Upper Falls from 3-5 p. m. Articles on sale are made by the ladies of the home and their friends. Proceeds of the sale will be divided among the ladies to give them a little spending money. It is hoped that the public will take an active interest in the affair.

The successful presentation of dramatic sketches based on the lives of such famous men as Leoisier, Gallio, Dr. Morton, the discoverer of anaesthetics, Louis Pasteur and others by A. G. Dehly of Auburndale is leading to other writings and acting. Mr. Dehly has been asked by a Boston broadcasting station to undertake a new series. He is now at work on the scripts which will be more on the comedy order. It is expected that a company of local young men and women will take part in presenting them.

Invitations have been issued and plans are nearly completed for the Grand Ball of the Newton Firemen's Welfare Association. The ball, the third annual such event, will take place in the State Armory at West Newton on the evening of April 20th. Dancing from nine until one will be preceded by an hour's concert.

A series of bridge parties for the benefit of the Mothers' Rest Association is planned for the next several weeks in the various sections of the Newtons. The object of these parties is to raise funds towards the annual budget of the organization. The aim of the Association is to have a membership large enough to meet the annual budget of approximately forty-five hundred dollars. For thirty-five years the Mothers' Rest Association has given a two weeks' vacation in the country to needy mothers and their children. The Rest, located in the Oak Hill section of Newton was especially designed for this vacation service. Last summer 126 mothers and 205 children representing thirteen nationalities, were cared for in this manner. The property is entirely paid for and through the generosity of friends the nearly expenses have been provided through membership dues and donations. Mrs. Ellis Speare, Jr., is chairman of the committee in charge of the parties.

The art department of the Newton Library is continually providing the opportunity for Newton lovers of art to further their appreciation of many subjects through the exhibition of various works in the Art Room of the main library at Newton. At present eight colored medallion windows are on display. They have been loaned by Mr. Charles J. Connick of Newtonville, celebrated stained glass window designer. This exhibition will continue for another ten days. In the near future a display of etchings donated by the widow of William B. Closson, a former resident of Newton will be on exhibition. The etchings were done by Mr. Closson who was associated with Timothy Cole as a wood engraver.

Two Newtonville youths and one Newton youth are on the honor roll recently announced at Country Day School for Boys by Dr. W. Linwood Chase, headmaster. The boys are Fredric W. Rugg, 2nd and Donald P. Davis of Newtonville and Francis W. Scofield of Newton.

The Second Church at West Newton has frequently been cited for the valuable services rendered it by residents of the community. Among the many who have given much of their time to the church is William Lester Bates, organist. Last Sunday marked the completion of twenty years of such service. During that period Mr. Bates has become well-known in the field of organ music and his many friends not only congratulate him upon his years of effort but offer him their best wishes for the continuation of his service.

The annual meeting and election of officers of the Newton League of Women Voters will be held next Wednesday morning at 10:15 at the home of Mrs. Walter Hartstone at 959 Centre street. Guest speakers will be Mrs. Richard Field, president of the Mass. League, and Mrs. Robert de Normandie, president of the Boston League.

Social Minutes

Nosegays are very sweet when worn with the modernized robe de styles especially when you choose flowers which have not been seen for a very long time. We saw a few at the Kehlbath Israel Sisterhood Supper Dance Wednesday evening and they seemed very refreshing beside the shoulder cascades of gardenias. We have certainly gone through a peaceful revolution on our ideas of evening clothes during the past year—the entire collection worn by the fair ladies at the Hotel Kenmore were individual. Rich, strange and reckless—cloth of gold graced the exotic—moire and taffeta for the romantic—and chiffon and lace for Miss Simplicity. Mrs. M. Myers, chairman of this traditional festivity received with Mrs. Max Myerow. Both were outstanding gowns of different styles. At one head table was Mrs. S. Singer, Mrs. George Bekin and Mrs. L. Goldberg. At another head table was Mrs. B. Gordon, Mrs. J. S. Gordon, Mrs. P. Lerner and Mrs. F. S. Ullian. On the dance floor we glimpsed Mrs. L. Epstein, Mrs. A. R. Myer, Mrs. J. M. Epstein, Mrs. A. Steinberg and Mrs. D. Blum.

College Club Book Review

As refreshing as a wind in early April was the book review on "Gay Reformer" which Miriam Berger gave Saturday afternoon at the literary meeting of the Women's College Club. Every time we attend one of these inspiring reviews, we are impressed with the great interest shown in them. Miss Sally Lunn was hostess.

Calendar Reads

Indications are that another supper dance by the College Club will strike a new high in the social circles as it did last year. We have already heralded the coming of this year's party in these columns but, in case you were absent from class that week, we'll repeat that it will be given at the Brunswick Casino Tuesday evening, April 14, and Mrs. M. Grossman is chairman.

We understand that over 500 socially prominent women have already made reservations for the Haddassah drift luncheon at the Hotel Statler on Thursday noon. The Junior Group of the Ladies' Helping Hand requests the pleasure of our company at tea Sunday afternoon at 3 o'clock. Miss Hannah and Evelyn Levine will pour. At the same time, the postman will be busy delivering invitations for a formal dance given by these young setters at the Garden Manor in the latter part of April. Next week we'll have a list of names of committee workers.

This Week at Your Boys' and Girls' Library

Vernon St., Newton Corner

SPRING

Books For Young Readers

Subscribe to the Graphic

60 YEARS AGO

Newton Republican, April 14, 1877

There were so many protests by citizens of Ward 7 against changing the gas lights to naphtha that with the consent of the Gas Company, the city has made a new contract for lighting all the gas lights 20 nights per month until 12 o'clock, twelve months in the year at \$21 per light.

A series of business men's prayer meetings will be commenced in Elliot Lower Hall on Tuesday evening at 7 1/2 o'clock. A volunteer choir of male voices will lead the singing. The meetings are for business men of Newton and vicinity, men of every trade and calling, young and old are invited to attend. It is expected all the stores will close in time for employers and employees to attend. Ladies will not be expected.

Steam Fire Engine 1 gave an exhibition of its powers in the vicinity of the Catholic Church on Thursday morning. On the first trial the stream was 24 1/2 feet in length; on the second trial 26 feet, 10 inches. An attempt to play over the steeple of the church was almost successful.

The regular meeting of the Common Council was held on Monday night; Pres. Allen in the chair. The following orders from the Board of Aldermen were read and laid on the table: widening and grading Beacon street, not to exceed \$1000; widening and grading Station street, \$500. Councilman Pope moved for a suspension of the rules to pass the order for the widening of Station street. The rules were suspended and Councilman Eddy moved not to concur. He argued it would cost \$5000 to put the street in proper condition, and therefore it was useless to appropriate any \$500. Councilman Henry thought \$500 would put the street in passable condition. He had been over the street and did not know better that Newton had a street in such poor condition. Councilman White was surprised that Mr. Henry, a member of the highway committee would ride over such a street and not vote enough to put it in proper condition. Councilman Moulton voted to make an appropriation of \$1000 but his motion was voted down and the \$500 order was passed.

50 YEARS AGO

Newton Graphic, April 10, 1886

There is likely to be a greatly increased interest in lawn tennis in Newton this season in consequence of the forming of the West Newton Tennis Club which includes some very good players.

Burglars visited Newton on Monday night and secured over \$400 of plunder from the houses of George E. Hatch on Waverley ave., and James Scott on Ward st.

The tunnel under the B. & A. railroad opposite Channing st., Newton, is again flooded. Rising of the grade of the footway will probably be necessary. There is ample room overhead. The only objection is the frightful noise of the passing trains rumbling over the roof of the tunnel.

David O'Brien, 9, was run over by a milk wagon on Centre st. on Saturday and injured about the face and head. He was attended by Dr. Bodge.

Mr. R. F. Cummings led the 4 o'clock meeting of the Newton Y. M. C. A. at Elliot Church last Sunday. At 5 o'clock the church was filled with an audience composed largely of men, young and old. The Congregational hymns were sung with great heartiness and volume. The sermon was eloquent and powerful. It depicted the blunders of Absalom and all fast men in their vanity of personal appearance, in their ambition, and their downward momentum. No Sabbath comes to their relief with its hallowing influence, but seven days in the week do they pursue their course down an unbroken declivity.

A horse and buggy belonging to Alred Cromwell of Dorchester was run into on Crafts street on Sunday and a lady and gentleman thrown out but fortunately not injured. Both shafts of the buggy were broken and the horse ran to West Newton where it was captured by John Buckley.

Another burglary in Newton and no probability that there ever will be under the present police system. Several houses broken into in the city and in every case the rogues have got off with their booty scot-free. Gov. Claflin's house was raided last summer. Elliot Hall and Lancaster Block were robbed next. Then an iron safe was stolen at Auburndale and the thieves did not stop to break it open but loaded it onto a wagon and took it to the Weston woods where it was accidentally found weeks after. Overcoats and clothing are stolen from hall and entry ways, unprotected females are assaulted and frightened and still no clue to the perpetrators. Really, Newton is getting to be a nice place to live in. We have no fault to find with the police officers. They are all good men and discharge their duties faithfully so far as the present system permits. The cities of Somerville, Cambridge and Lowell each have one or two detectives whose duties are to ferret out criminals and liquor law violators. No insignia of office warns thieves of their approach. The result is—that if the rogues escape it is the exception and not the rule. Newton too, should have a detective on its police force.

Edward H.

Powers' Paragraphs

The action of Mayor Childs in reappointing William J. Doherty as a member of the Board of Registrars of Voters for another 3 year term has caused considerable comment throughout the city. Mr. Doherty, who has been a Registrar of Voters since 1917 was for several years Ward Alderman from Ward 1 and took an active part in electing Mr. Childs to the office of Mayor when the latter first ran in 1913. For some years after Mr. Doherty continued to be an ardent supporter of the Mayor. But, for the past eight years Mr. Doherty had openly and consistently opposed Mr. Childs politically. To our knowledge Mr. Doherty did not seek the reappointment. We do not know whether or not anyone else did. But, we do know that there are a number of men in Newton who were loyal to Mr. Childs not only when his political star was in the ascendancy, but also when it seemed to be temporarily in eclipse, who would gladly accept an appointment as a Registrar of Voters and who could well use the \$350 yearly salary. Heaping coals of fire and displaying ultra magnanimity is very nice, but, in our opinion it would have been more in accord with the fitness of things had Mr. Childs shown gratitude to someone who had been consistently loyal to him.

How the election of Mayor Childs has changed conditions at meetings of the Newton Board of Aldermen. During the six years of Mayor Weeks' administration a big majority of the Aldermen were consistently, yes—monotonously acquiescent to almost every recommendation made by Mr. Weeks. The Aldermen were characterized as "Yes" men. We even saw them on one memorable occasion execute a complete reversal of their votes at the behest of Mayor Weeks after they had presented convincing arguments in favor of the action they rescinded. That was on the change of route for the Hammond Pond Parkway. For a year or two 20 of the 21 members of the Board could be depended on to support almost any measure of the then Mayor. Alderman Temperley was the lone dissenter. This intense harmony somewhat lessened the past few years with the election to the Board of Aldermen Cronin, Guzzi and Atkins. This year another member has been added to the minority in the person of Alderman Brocklesby.

If the result of the vote by the Aldermen on Monday night on the matter of retaining the office of Director of Public Works is any criterion, five members of that Board are pro Childs and fifteen are not so pro. It is probable that the newly elected member of the Board will be found with the majority. That this vote can be taken as a criterion is further indicated by the fact that none of the 15 Aldermen who disagreed with the Mayor on Monday night was a member among his supporters at the election last December. Conditions in the City Government are somewhat similar to what they were between 1914

and 1922 when a decided majority of the Aldermen frequently disagreed with recommendations of Mayor Childs. That condition was changed in 1921 when a campaign conducted by Thomas W. White caused the election of an aldermanic slate favorable to Childs. During the last couple years of Mr. Childs former administration which ended on January 1, 1930, a few of the Aldermen, who were elected on the Childs' slate in 1921 and who were still members of the Board, had plainly shifted their allegiance and were friendly to the rising political star of Sinclair Weeks. It is not probable that Mr. Childs and his supporters will meekly submit to the Board of Aldermen continuing in control of a large majority which is not in accord with the views of the Mayor. It is also probable that those in Newton opposed to Mr. Childs politically will endeavor to retain control of the Board of Aldermen. So, we may expect a number of aldermanic contests at the city election next December.

At the meeting of the Aldermen on Monday night President Floyd stated to the members that it would not be possible to act on all the budget items because the Mayor had sent in some recommendations only that evening. We are pleased to see that the Board has turned over a new leaf even though a change in the executive office of the city possibly may be responsible. We have, during the past several years, criticised more than once the proclivity of the Aldermen to vote on matters, including large appropriations, concerning which they had little or no knowledge prior to the night on which they took action.

Dr. Francis George Curtis passed from this life on Tuesday night at Ashfield in the Berkshires, he loved. For 42 years Dr. Curtis rendered valuable service to the people of Newton as chairman of the Board of Health. Possessed of independent means, he gave his services in this office for a nominal yearly salary. He was a pioneer in public health work and was responsible for many new and improved methods in this field. Some of his ideas differed radically from those previously held by health officers, and he more than once was severely criticised for his innovations. But, Francis G. Curtis had inherited courage from a distinguished ancestry through both his father and mother, and when he thought he was right, he heeded to the line. He advocated the elimination of fumigating houses after communicable diseases had occurred in them, and the substitution of soap and water, sunshine and fresh air for sulphur candles and other such methods. Ridiculed at first, he lived to see this change generally adopted. His knowledge in matters pertaining to public health and sanitation were recognized widely. Both for his work as a public servant and as a member of the Newton Hospital staff and its head for many years, Newton owes him a debt of gratitude.

ONE THING AND ANOTHER

By L. D. G. BENTLEY

The Truth of It

Stepping-out time is almost here. Beginning the first day of the coming week much attractive wearing apparel will be seen that has been transferred, overnight as it were, from store windows and shelves to the backs and heads of the populace. Men in a simple problem. They can get a hair cut, don their regular "best", blow themselves to a new necktie and thus become all set. It is the fair sex that make the Easter fashion picture what it is, even if their preparations are more costly and complicated. Everybody knows that. Therefore, lest any man run away with the idea that he is a sartorial or epic of a tailor I say to him, "Forget it, you are merely part of the background or stage setting."

Mother Knows Best

A reader praises reference made in this column recently to "honest nunching and crunching" of peanuts and adds that we haven't done full justice to the subject. Said she, "If you only knew about children you would be well aware that peanuts are, or at least were, when my boys and girls were youngsters, a blessing to a mother. There are times when a mother wants a little quiet and to keep her brood from tearing through the house, shouting and laughing and otherwise creating a deafening racket. If there aren't any handy there is corn to pop, mallokes candy to be made, apples or cake or pie to be set before the frolicking tribe. Nothing has a more quieting influence with children than food even though they go at it again with renewed vigor when the refreshments have disappeared."

Worries of the Road

Registrar of Motor Vehicles Goodwin is impatient with road mopes, says they may be safe drivers as far as themselves are concerned but because of their slowness are often the cause of accidents, especially when people behind cut out of line in an effort to get ahead. The reason for his statement is that Mr. Goodwin's car was delayed by a road mope on a trip up from the North Shore and he got his well known dander up.

As a non-driver I have nothing to say but as a passenger in a road mope's car on infrequent occasions I

can talk at length. If ever there is an excuse for that fidgety feeling it is the caution of the man who thinks that 20 miles an hour is speeding. Ingrate though it may be I would much prefer to get out and walk. But what can you do? You can't leave and be discourteous, and to urge, "Hurry up" or "Please drive faster" would be sheer bad manners. The answer is, it seems to me, that we guest riders have got to be more careful in our acceptance of invitations for a "little lift."

Rememberin'

The man who is forgetful and knows it is better informed than he who refuses to acknowledge it. It takes courage of a certain form to admit that reminders are necessary. The old trick of tying a string around one's finger may be out-of-date. However, there come times when it is still effective. I refer to a friend of mine who writes himself postcards. Not because, you understand, he is vain but to keep in mind something that he should do and is almost sure to overlook unless his memory is jogged. If he forgets to look in the mail box, however, he is up against it, he says, and therefore wishes there was some way he could call himself by telephone.

It Happened in Newton

With appropriate apology for tardiness I offer an April Fools' Day story because it involves grown-ups where I have always had an idea that the festival belonged exclusively to juveniles. A bachelor who has a happy home with his sister and her husband was late getting back with his car from a business trip. About 1:30 a. m., April 1st, he drove into the yard of the family residence, stopped his car on the driveway and entered the house. Without delay he waked up his brother-in-law with the request, "Don't you want to come down and see if you can get the door of the garage open."

The brother-in-law, always an obliging chap, roused himself, dressed hastily and scantily and accompanied the other to the garage. "What's the matter with the door?" asked the home-owner as he reached forward to give it a good strong yank. "Nothing that I know of," came the reply, "but this is April Fools' Day."

IT MAKES \$765* LOOK MIGHTY SMALL!

JUST slip into the deep, comfort-angled seat of the stunning new Series 40 Buick SPECIAL and see for yourself what this marvel car has to offer.

The key to its whole phenomenal performance is action—quick, quiet, laborless action—action now!

Press the gas treadle—the response is a powder-flash of answering exuberant power.

Swing the wheel—streaming along or parking, it handles with fingertip lightness.

Tiptoe the gentlest pressure on the hydraulic brakes and this thrilling travelmate slows smoothly down with the softness of a hand on velvet.

Take a curve in full stride and this beautifully poised car rides even-keeled, level, steady—without roll, side-sway or tire-squeal.

Point the nose at a hill and you go soaring over the crest with an ease and buoyance such as you have never known.

With all its standout features, its tough true-breed Buick quality, its amplitude of room, its dazzling performance, you can have one at the lowest price ever put upon a Buick car! Come in and let us show you how small the figures are.

*\$765
to \$945 are the list prices of the new Buicks at Flint, Mich., subject to change without notice. Standard and special accessories groups on all models at extra cost. All series groups on all models at standard equipment.

Poor Box Thief Gets Suspended Jail Sentence

Joseph T. Farrell, 26, of 15 Rockland st., Newton, was caught last Friday afternoon by Inspector Crowley of the Newton police in the act of stealing money from an offertory box at Sacred Heart Church, Newton Centre. Complaints had been made to the Newton police that someone had been robbing the offertory boxes at the church. Shortly after noon on Friday Crowley started his watch at the church and after a couple of hours wait he saw Farrell enter, walk to the sanctuary of the church and kneel in front of the offertory box. While apparently praying, Farrell pried off the front of the offertory box with a screw driver, removed the money that was in the box and replaced the front.

As the policeman started toward Farrell, the latter hastened out of the church and fled along Cypress street. Crowley commandeered a passing automobile and caught Farrell on Braeland avenue. Upon learning the prisoner's identity Crowley found he had been arrested 10 years ago for a similar offence. Farrell was arraigned in the Newton court on Saturday and after his wife had made an appeal for leniency, Judge Allen gave Farrell a year's sentence in Concord prison and then suspended the sentence.

Public Meeting On Nonantum Zoning

There will be a public meeting on Tuesday night, April 14th at 8 o'clock, in Columbus Hall, Nonantum, under the auspices of the Newton Citizens' Club on the subject of rezoning a considerable part of Nonantum from manufacturing to residence zone. This change in zoning has the approval of the Newton Planning Board and is for the purpose of preventing undesirable manufacturing or business enterprises from starting in sections of Nonantum which are developed now as residential districts. The restrictions which would be placed on properties so changed will be explained. When the zoning ordinance was adopted in Newton, in 1922, practically the whole of the Nonantum district was placed in a manufacturing zone.

The Claims and Rules Committee of the Board of Aldermen will hold a public hearing on Thursday evening, April 23rd, at City Hall on the proposed rezoning of Nonantum.

Recent Weddings

VANDERWYK—ROBERTSON

Mr. and Mrs. George D. Robertson of 455 Albemarle rd., Newtonville, announce the marriage of their daughter, Marguerite Catherine, to Henry Richmond VanderWyk, son of Mr. and Mrs. Henry D. VanderWyk of 28 Bulbough park, Newtonville.

SMITH—GIBSON

Mr. and Mrs. W. B. Gibson, of 14 Lewis ter., are announcing the marriage of their daughter, Miss Lois E. Gibson, to Eugene Eaton Smith of Danbury, Conn. Miss Gibson is a graduate of Simmons College, and is Librarian at the F. A. Day Junior High School at Newtonville. Mr. Smith is a graduate of Tufts, and is Sports Editor of the Danbury News-Times.

Recent Engagements

Mr. and Mrs. LeRoy B. Gould of Oxford road, Newton Centre, have announced the engagement of their daughter, Miss Dorothy Winslow Gould, to Donald Hosea Rhoades, son of Rev. and Mrs. Hosea W. Rhoades of Belfast, Maine. Miss Gould is a member of the senior class at Colby College and a member of Chi Omega. Mr. Rhoades is a graduate of Colby College and a member of Kappa Delta Rho. He is now attending the Andover-Newton Theological School where he will complete his course in June.

Mrs. Marion Eddy Lusk of Chestnut street, West Newton, has announced the engagement of her daughter, Miss Georgianna Winslow Dean, to Courtney Holbrook Gendron, son of Mr. and Mrs. Joseph E. Gendron of Calumet road, Winchester, Mass. Miss Dean attended the Eastman School in Washington, D. C., and was graduated from the Garland School in Boston. Mr. Gendron was graduated from Harvard in 1916 and attended the Harvard Business School. He is a member of the Harvard Club and the Winchester Country Club.

Many Underprivileged Helped By Clinics

Under the direction of the Welfare Bureau of Morgan Memorial, there is a free dental and medical clinic. According to reports just now made available, for 1935 there were 2,700 treatments given in the medical clinic, and 500 underprivileged people received dental help. These clinics are open at noon so that people may receive help and not lose time from their jobs.

Trespasser's Joke Causes Scare

A skeleton which had been used for instruction in physiology classes at Mount Ida School in Newton caused a flurry of excitement at Newton police headquarters about 4 a. m. last Friday. Patrolman McCormick found an open door at the basement of the large structure at 119 Bellevue street, formerly used by the school. Entering, he discovered a skeleton in the swimming pool there. He notified headquarters and other policemen soon arrived in a cruising car. When the skeleton was pulled out of the pool it was found to be articulated by wires and the police realized that no murder was responsible for the gruesome object. A search of the building revealed that some vandals had entered the place, taken the skeleton from a closet and thrown it into the pool.

Hurls Blazing Kettle Out Window

Miss Nina McGrath of 340 Linwood ave., Newtonville, showed bravery last Sunday noon when she seized a kettle of burning fat off a stove at that address and threw it out of a window. Mrs. Sarah McKinney was making doughnuts in her kitchen on the third floor of the apartment building when the fat caught fire. Mrs. McKinney, disabled because of a strained ankle, called for help and Miss McGrath rushed upstairs from her home on the second floor of the building. In throwing the kettle out of the window some of the blazing fat dropped onto Miss McGrath's right foot and caused a severe burn.

The blazing kettle fell onto the porch at the rear of the second floor and started a lively blaze. A telephone call brought Ladder 1 and Engines 4 and 8. The fire caused about \$100 damage.

Charged With Drunken Driving

Appolit Bronowicki of 220 River st., Waltham, was arrested at 6:35 Sunday evening by Patrolman Lawrence Murphy after the car he was driving had crashed into the rear of an automobile which Murphy had stopped for speeding. The crash occurred on Walnut st. near Chabot st., Newtonville. The patrolman had stopped John Matthews of Carleton rd., Waban, for speeding. Jane Dupree, 11, of Holly rd., Waban, a passenger in Matthew's car, received a cut on her forehead and bruises on her legs. Bronowicki was arraigned in the Newton court on Monday charged with drunkenness and driving while under the influence of liquor. His case was continued until April 17.

Inspector Goode On Duty Again

Captain Richard Goode, head of the inspectors' division of the Newton police, returned to duty on Sunday after an absence of about 6 months. While investigating a robbery at 105 Waban park, Newton, on Oct. 15th, Goode fell off a rear porch and tore apart the main ligaments at both knees. Painful operations on both knees were necessary and the captain was a patient at St. Elizabeth's Hospital for many weeks. By determined exercising of his injured limbs he has made excellent progress toward recovery.

Lodges

Highland Robekah Lodge, No. 82, I. O. O. F., will hold an Antique Style Show on Wednesday, April 15, at 8 p. m., and a Bazaar from 2:30 to 10 in Odd Fellows' Hall, 1156 Walnut st., Newton Highlands.

M. & B. Gets Oak Hill Franchise

The Newton Aldermen on Monday night voted to grant a permit to the Middlesex & Boston Street Railway to operate busses from Brookline and Dedham streets, Oak Hill along Dedham, Parker and Cypress streets to Newton Centre, and also to operate busses along Beacon st. from Newton Centre to the Boston line. As a result of this action, the Board also voted to grant leave to withdraw to the Service Bus Line of Revere which petitioned several months ago for a franchise to operate busses from Oak Hill to Newton Centre, with the expectation that the line could be continued from Newton Centre to Cleveland Circle beyond the Chestnut Hill reservoir. It was this petition which caused the Aldermen to give the M & B Company the right to operate such a line, if it so desired.

No definite plans have been made regarding the new lines. It has been suggested that the present Waban line be operated along Beacon street to Newton Corner. Instead of to Newton Corner, and on a half hour schedule, and that the Oak Hill line be operated from that village to Newton Corner. Some Oak Hill residents want their line to run to Cleveland Circle, and some Waban residents want that line to continue to Newton Corner. The M & B will have difficulty satisfying all. And the City of Boston has not as yet granted a permit to have the busses run from the Newton line to Cleveland Circle.

Young Vandals Damage House

The large residence at 983 Centre st., Newton Centre, bequeathed by Mrs. C. C. Burr to Trinity Episcopal Church as a rectory, has been damaged, and extensive damage has been done to the garage on the property, apparently by boys. The house has not been occupied for some months. Considerable repairs and renovations had been made on the building. Newton police are investigating in an effort to apprehend the vandals.

WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

Spring Concert,
Annual Meeting
Among Events

Mrs. Everett W. Varney, a member of the Newton Centre Woman's Club who has recently visited many countries along the Mediterranean, will speak on "Andalusia and Other Lands of Romance" at the Club House Monday, on April 13th, at 2:30 p. m. Club members and guests are invited.

The Spring Concert of the Newton Centre Woman's Club Chorus, under the direction of Madame Apolline Blair, will be held at the Club House on Wednesday, April 15th, at 8:15 p. m.

The guest soloists will be Madame Maria Conde, Soprano; and Mr. John Metz, Violinist. Madame Conde and Marion E. Merrill will sing an act from the opera "Norma," by Bellini, with Mrs. Frank W. Merriman as accompanist. Mrs. Ralph Snyder and Miss Marion Greene will be the accompanists for the Chorus.

The Club ticket will admit members, and invitation cards may be procured from Chorus members. The Annual Meeting and Luncheon will be held at the Club House on Friday, April 17th, at 11:30 a. m. A new plan will be tried this year with the business meeting and election in the morning. The luncheon will be at 1:15 p. m., after which the dramatic committee will present a one-act play.

Club members have their attention called to a Special Business Meeting which has been called for 10:30 a. m. to precede the regular session of the Annual Meeting, to transact some necessary business before the Annual Meeting can proceed. Members are urged to attend.

Radio Night Offers
Entertainment

On Monday evening, May 4th, in the Auditorium of the Levi F. Warren Junior High School, Washington Street, West Newton, the West Newton Community Service Glee Club (Station C. S. G. C.) is presenting a star feature Radio Night, each period being sponsored by a different local business concern. There will be entertainment from comedy to opera, to please each individual taste. Mr. Edward E. Whiting, formerly of the Boston Herald, is assisting with his clever witicisms. And the Club has been fortunate in securing other artists of talent.

Marion Kingsbury, director of the Glee Club, has secured Joan Ruth, former Soprano soloist of the Metropolitan Opera Company. Members should not fail to remember the Annual Glee Club Night, and plan to go with their families. They should "red-let" this date and arrange to attend, as, unfortunately, due to lack of space, no further announcements or reminders can be made of this attractive event until just previous to its occurrence.

Juniors Decide
Age Limit

Members of the Junior Women's Clubs of the State unanimously voted at their Annual Spring Convention held last Saturday, in Robbins Memorial Town hall, Arlington, to set the age limit for membership between high school age and 35, and that the married or unmarried status be optional with the individual clubs. Under this ruling, each club may adopt its own preference as to age limit within these boundaries.

The measure was one of the important questions presented to 400 representatives of Junior Clubs from the entire State by the State chairman, Miss Ruth Lothrop of Quincy, who presided at the meeting. It was also voted to divide junior groups into two classifications, those known as Junior departments, having their own officers and one contact member with a Senior club; and those known as Junior Clubs, paying dues either to the State or General Federations of Women's Clubs, with full privileges as committee members and voting delegates.

The Arlington Junior Woman's Club acted as hostesses, the president, Miss Marion E. Youngkin, giving the address of welcome. Mrs. Gordon S. Heath, State vice-chairman, responded. Officials of the State Federation who gave brief addresses included Mrs. Thomas J. Walker, State president; Mrs. Frank P. Bennett, Mrs. John H. Kimball, Mrs. Herbert F. French, and Mrs. A. Chesley York. State chairman of sponsors of Junior Membership, Mrs. Robert B. Parmenter gave the welcome for the Senior Arlington club of which she is president.

Cyrus Dallin, Sculptor, gave the address of the afternoon on "The Indians." Miss Jean Hayden of the State Junior committee introduced Miss Dorothy Ingersoll, who demonstrated the Reading-book for the Blind. Miss Martha P. Wright, of Newton Centre, Junior Music chairman, Miss Frances Letson, Miss Marjorie Enos, and Miss Sylvia Koose were others having a part in the program.

Mrs. Harold M. Scheibe, chairman of the Drama Contest, announced that groups from Junior Clubs have formed a studio workshop which will convene Saturday to choose a play to be presented at the State Federation meeting in Swampscott on Junior Night next month.

Among the groups it is gratifying to note that one is from Newton, the Newton Highlands Juniors.

COMING EVENTS

Apr. 11. State Federation, Radio Broadcast, Station WBZ, 11:30 a. m. Speakers, Mrs. Herbert F. French, fourth vice-president of State Federation; and Mrs. R. F. Boyce, recently president of International Women's Club of Yokohama.

Newton Federation
Board Meeting

The regular monthly meeting of the Executive Board of the Newton Federation of Women's Clubs will be held Friday, April 17th, at 10 a. m., in the Newton Library.

Annual Meetings

Waban Woman's Club

The Annual Meeting of the Waban Woman's Club will be held Monday, April 13th, in the Neighborhood Club House.

Dessert will be served at 1:30 p. m., by Mrs. Frederick Steglick and the Social committee.

The business meeting and election of officers will be held at 2 o'clock, followed by a one-act play, "Gay Ninety," given by the Drama committee, with Mrs. George M. Belcher, Miss Virginia Codman, Mrs. Thomas S. Derr, Miss Frances Hathaway, Mrs. Joseph C. MacDonald, Mrs. Kenneth S. Nugent, and Mrs. Sydney C. Wiggin, in the cast.

Mrs. L. Walter McMillan will sing a group of songs, accompanied by Mrs. Howard G. Musgrave at the piano.

Auburndale Woman's Club

The Abner Wheeler House will be the scene of the Annual Meeting and Luncheon of the Auburndale Woman's Club, on Tuesday, April 14th, at 1 p. m.

Those who cannot attend the luncheon will have an opportunity to vote at the Auburndale Club from 11 to 12:30 o'clock. There will also be voting at the Abner Wheeler House.

Mrs. Ralph A. Balch, chairman of the Hospitality committee, is in charge of the Luncheon; Mrs. Strabo V. Claggett, Transportation; and Mrs. William P. DeWitt, Voting. Mrs. Herman Kreuger, the Day chairman, will present an interesting one-act play.

Cars will leave the Auburndale Club at 12:15 p. m.

West Newton Community Service Club

The Annual Meeting of the Community Service Club of West Newton will take place on Wednesday, April 15th, at the Unitarian Church. Luncheon will be served at 1 o'clock, and the business meeting will follow immediately. There will also be a program of music by Mrs. George N. Abbott and Miss Barbara Tower, and Mrs. Phister Cowin will read a group of poems.

The annual dues for 1936-37 are payable at this meeting.

Mrs. Thomas Cooper, Jr., and Mrs. Edmund H. Kingsbury will be in charge of the luncheon.

Awards In
Flower Contest

Newton gained high place (four in fourteen) in the awards to winners in the Flower Arrangement Contest held Saturday and Sunday at the Greenhouses of Alfred A. Fraser, in Wellesley. Members from Garden Clubs in nine different communities participated in this interesting affair, among them not only the various sections of Newton, but Needham, Dedham, Belmont, Lincoln, Winchendon, and West Roxbury.

In the Class for Formal Easter Arrangement, of the four awards one went to Mrs. Frederick D. Goode, of the Auburndale Garden Club. In the Class for Breakfast-Table Decorated to Please Children, Mrs. Arnold C. Barker, of Newton, and Mrs. Sidney Baylor, of Auburndale, were winners. In the Class for Arrangement of Hall Table, with Mirror Behind, Mrs. Arnold Barker, of Newton, again was a winner.

Garden Club members from Belmont, Wellesley, Needham, Dedham, Lincoln, West Roxbury, and even as far away as Winchendon, were other winners.

The Judges were Mrs. Frederick G. Rising, of the Newton Centre Garden Club; Mrs. Charles S. Grover, of the Auburndale Garden Club; and Mrs. Alison H. Smith, of the Dedham Garden Club.

The Exhibits remained on view until 9 in the evening of last Sunday.

Exhibit of
Handiwork and
Heirlooms

The Neighborhood Club House in Waban was the scene of a very interesting Art Exhibit from 3-6 o'clock last Sunday afternoon.

The four clubs of the village—the Neighborhood Club, the Garden Club, the Improvement Society and the Woman's Club—co-operated in making the affair one that was unusual.

About sixty exhibitors, as well as the children from Angier School, sent in things which they had made themselves, or collected, or that were family heirlooms.

The Reception Room at the right of the entrance was devoted to handmade and hand-woven counterpanes, many of them very old and very rare. Here also were some smaller articles made of linen and woolen.

The room at the left was filled with painted trays, chairs, chests, screens, and other such articles, made by the members of the Woman's Club Art Classes.

The main Auditorium was given over to exhibits of antique pewter, handmade jewelry, Chinese curios, Early English and American silver, models of locomotives, stationary steam engines and ships, Sandwich glass, French glass, pencil sketches, watercolors, etchings, and modelling, wood-carving and pottery, photographs, and shells.

On the porch was the exhibit of the work of the children in Angier School, their hobbies and a terrarium.

The Choir from the Church of the Good Shepherd and the senior and junior Choirs of Union Church sang several selections.

Punch and crackers were served during the afternoon.

Newton Conference
Of World Affairs

Three hundred women filled the Newtonville Club House on Wednesday, April 1st, the occasion being the Conference of World Affairs conducted jointly by the Newton Federation of Women's Clubs and the Newton League of Women Voters.

Mrs. J. Porter Russell, chairman of International Relations for the Newton Federation, opened the Conference at 10:30 a. m., extending a welcome to those present. Miss Alice Stone Blackwell extended greetings. In her talk she compared the frozen ground which caused the recent floods to the coldness of our hearts in relation to international problems.

Kendric N. Marshall, A.B., Instructor in Government at Harvard University, lectured on the "United States and the Far East." He explained in detail "economic imperialism," which eventually results in war; and Japan's desire to become the "workshop of the world"; therefore, the necessity for her to obtain raw material, which she has not accomplished in Manchuria, and consequently is turning to North China.

J. Roscoe Drummond, Executive Editor of the Christian Science Monitor, dealt masterfully and concretely with the freedom of the press, stating that without this freedom constructive peace is impossible and cannot be durable.

Dr. Pittman B. Potter, recently returned from Geneva, and a recognized authority on international affairs, was the afternoon speaker. He recommended the "collective system" for the League of Nations, and said the Italo-Ethiopian war is not a problem between Ethiopia and Italy but a problem between Ethiopia and the League of Nations.

Young People's Church Council at Newtonville

The Young People's Inter-Church Council of the Norumbega District is planning an institute to be held on four consecutive Tuesday nights beginning April 21 through May 12 at the Church of the New Jerusalem in Newtonville. The closing session, including a supper, will be held at the Central Congregational Church in Newtonville on May 16th.

The purpose of the Institute is to provide inspiration and practical ideas for young people's work in the church. Courses will be given in Pageantry, Story Telling, Planning Worship Programs, and Recreational Leadership. There will also be two discussion groups on pertinent subjects for youth of today. All young people desiring to attend may register at 7:15 p. m.

on April 21 at the Church of The New Jerusalem.

Guzzi Asks City To "Buy American"

Alderman Guzzi chided the Newton School Department on Monday night when an appropriation of \$400 was made for plans for the new school at Oak Hill. Guzzi said that in various Newton schools were placards urging pupils to give preference in purchasing merchandise to articles made in the United States. Guzzi said that because of these placards, it seemed inconsistent to have Newton schools furnished with chairs that bear labels showing that they were manufactured in Germany, Czechoslovakia and other foreign countries.

GREEN, SAVIGNANO STAR IN FIRST BALL GAME

Newton High won the first baseball game of the year yesterday at Newtonville, defeating Wellesley High 9-7 in seven innings. Of the three Newton pitchers Jeff Jones used, Phil Green yielded one run in two innings and Jack Herrick one in two, but Jim Tornabene was hit freely for five runs in the fourth and fifth innings. Green hit the first home run of the season, and Ernie Savignano got four hits in four times at bat, one of them a double.

Coach Jones has cut his varsity squad to fifteen players. The catcher's position, so ably filled last year by Philip "Pete" Morrison, is still wide open, and first base will not be definitely occupied for another week yet. Sophomore John Martin was the best catcher both at the plate and behind it in the game yesterday, but McHugh, Emmett and Milner are still in the race, and there is a possibility that Bill Johnstone, now with the intermediates, may be taken up later in the season.

Stan Gruber and Ernie Savignano have the first base battle all to themselves, and Savvy is hitting well enough so that he will start in the outfield if Gruber gets the first base duties. The rest of the infield is occupied by John Marrazzo at second base, Bert Marrazzo, shortstop, and Charles "Red" Callanan, third, with Leonard LeSourd as the extra infielder. Jones rates LeSourd, John Marrazzo and Savignano as his three fastest men.

Phil Green and Guido Castoldi are to be regular outfielders, when one of them isn't pitching, and the other pitchers are Herrick, Tornabene and Rechel. Rechel got a fine two-base hit in the game yesterday, but is a little slow for regular work in the outfield. All in all, the team showed considerable strength yesterday, particularly at the bat, and if the battery problems straighten themselves out, Newton will field a very good ball team. They play the Northeastern freshmen next Friday afternoon at Dickinson Field in a full-length game, admission free.

Two Months For Drunken Driving

Putnam McDowell, 33, of 481 Boylston st., Brookline, was sentenced to serve two months in Middlesex County prison by Judge Quinn in the Newton court on Monday. One month of the sentence was for driving while under the influence of liquor, and one month for driving so as to endanger the safety of the public. He was also fined \$5 for drunkenness. McDowell appealed. McDowell was arrested last week by Patrolman Green after the car he was driving had hit another car on the turnpike at Newton Centre.

Claflin Club Meets In Boston April 17

The Claflin Club of the Newtonville Methodist Church will hold their Annual Meeting at the Boston Y. M. C. A. on Friday evening, April 17, at 6:30 p. m. Dinner will be served by the Y. M. C. A. food shop after which a brief business session will be held. The Nominating Committee, consisting of George Taylor, Chairman, Dean Carl S. Ell, and Carl Swan, will nominate officers for the ensuing year to be elected at this meeting.

The speaker of the evening will be Dr. Robert C. Dexter, Superintendent of the Department of Social Relations, Unitarian Association. He will speak on the subject, "Is Democracy Worth Saving?"

Following the meeting the club members will adjourn to the bowling alleys to demonstrate their skill in getting spares and strikes.

Old Time Minstrel Show At Auburndale Club

Twenty-six "singing slaves" lounging in a setting of an old Southern mansion will form the chorus for the Old-Time Minstrel Show to be given by the Auburndale Club at the club house, 283 Melrose st., at 8 o'clock next Thursday and Friday nights.

The "Old Colonel" of the plantation will replace the usual interlocutor, with the support of six "ebony end-men" in the persons of Clinton B. Elwell, president of the club; Graham Bates, John Behnke, Joel Nichols, Lowell MacNutt and Casimir Harris. The minstrel show will be followed by "Major Bo-Bo's Amateur Hour" in which Auburndale talent will be displayed in more varied lines than ever before. Entries include concert numbers, comedy, dancers, linguists, singers, instrumental soloists, some of whom will hear the "goon."

Lowell MacNutt is directing the minstrel show and Priscilla Fortescue is arranging the radio program. Henry Goodman is business manager and in charge of reservations. Attendance prizes are now on display at Keyes' Drug Store.

Thomas Cleveland Opens Real Estate Office

Thomas V. Cleveland, well known in Newton and Wellesley real estate circles, announces the opening of an office handling the sale of Newton and Wellesley real estate. For the past ten years Mr. Cleveland has been actively engaged in selling and exchanging property in this area, formerly being associated with Mahlon W. Hill and Ralph M. Patterson.

Mr. Cleveland is a graduate of Dartmouth College and is a resident of Newton where he makes his home at 27 Whitney rd., Newtonville.

Immanuel Baptist Church Men's League Meeting

The annual meeting of the Men's League of the Immanuel Baptist Church will be held on Wednesday, April 15, at eight o'clock. "Cruising the Seven Seas," the famous "Dollar Line" talking picture, will be the feature of the evening. This picture shows the life customs and mode of living of the various people of the world. The public is invited.

High School Girls Gymnastic Meet A Big Success

The Gymnastic Meet by the Girls of Newton High School on Friday evening, April 3, was received by a large and enthusiastic audience as the best meet of its kind on record. After selections by the band, and a formal entrance march and salute by several hundred participants, floor exercises began with mimetic and gymnastic exercises, marching, and Danish Singing Movements. Tap dancing by the sophomores, and apparatus drill in box, parallel bars, buck, horse, swing jump, and rings were done by the juniors. Other exhibits included stunts, relay race and games such as volleyball, badminton, field ball, and ping pong.

After specialty numbers in tap dancing by Miss Lucille Burnham, teacher in Physical Education and member of the American Women's Lacrosse

Association team that played in English cities last autumn, the pupils climaxed their program with American Scenes. Sophomores presented Virginia Reel and Polly Wolly Doodle; juniors presented The Bowery; and seniors, the Rhythm Twins and March for Peace, a dance composed by their class.

After the awarding of N's, Shields, and Numerals, the judges, Miss Ruth Page Sweet and Miss Evelyn Wahlen of Bouve Boston School, Miss Marion Maxim of Weeks Junior High, and Mrs. Elna Warren, former teacher in Newton High, awarded the cup to the winners, the Senior Class Group. Class leaders for seniors were Thelma Leonard, Doris Marshall, Frances Creamer, and Jean Snyder. Junior leaders were Evelyn Waddell, Helen Holmes, Helen Spence, and Alice Drury. Sophomore leaders were Juliette Harvey, Ada Merriam, Eleanor Pullman, and Mary Reidy.

All details of the meet were cared for by pupil committees under the faculty advisers, the teachers of physical education for girls.

Car Hits House, Driver Arrested For Drunkenness

Hugh Lattimer, Jr., of 72 Williston rd., Auburndale, was arrested last Saturday night by Patrolman Albert Smith on charges of drunkenness, driving a car while under the influence of liquor, refusing to stop when signalled to do so, and leaving the scene of an accident without revealing his identity. Smith whistled to Lattimer to stop when the latter drove along Pearl st. near Jackson rd. at high speed. A moment later the car alleged to have been driven by Lattimer crashed into the house at 238 Pearl st. Shrubs were broken and the porch of the house damaged. The patrolman caught Lattimer on a nearby street. In court on Monday Dennis Cronin, Lattimer's attorney, asked for a continuance on the question of issuance of complaints.

FOR FULL MOTOR PROTECTION

Say
"OK-Drain"
— FILL WITH
CONOCO
GERM PROCESSED
MOTOR OIL

Modern cars must have oil with extra oiliness

THE development since 1931 of motors of 80 to 180 horsepower has brought about correspondingly increased bearing pressures and crankcase temperatures. Motor manufacturers have turned to new alloy metals of extra strength and durability to meet these new conditions.

For full protection of such motors, you must have oil with enough extra oiliness and film strength to get safe lubrication under extreme pressure and heat.

Yet motor oils generally have no more oiliness and film strength now than they had ten years ago. Some oils have less, because over-refining to eliminate carbon and sludge has robbed them of oiliness and film strength.

There is one exception—Conoco Germ Processed Motor Oil. It, too, is free from carbon

and sludge troubles, as its users know after millions of trouble-free miles of driving. But more important, Almen and Timken machine tests prove it has more oiliness and 2 to 4 times the film strength of any straight mineral oil! That added oiliness and film strength protect your motor under all conditions.

Germ Processing—adding concentrated oily essence to highly-refined oil—gives other valuable advantages. Because Germ Processed Oil penetrates and combines with metal surfaces, a "Hidden Quart" stays up in your motor and cuts down starting-period wear. Germ Processed Oil gives longer mileage with greater motor protection, as proved by the famous Indianapolis Destruction Test.

Say "O.K.—Drain"—fill with Conoco Germ Processed Motor Oil and get full motor protection!

Jamieson Elected Alderman From Ward Six

(Continued from Page 1)

that partisan politics should not decide the matter.

Alderman Goddard read a letter from Arklay Richards in which the latter announced his withdrawal from the contest and endorsed Jamieson. Alderman Guzzi seconded Proctor's nomination. He said he has known Proctor for 7 years and does not know Jamieson. Alderman Atkins asked Cronin to consider that if Alderman Floyd should resign, would not Cronin and Alderman Brocklesby, the other two aldermen from Ward 4, be given the privilege of naming Floyd's successor. Cronin replied that he had been waiting for this question. He answered Atkins by saying that by any stretch of his imagination he could not believe that the Board of Aldermen, as it is now constituted, would permit Brocklesby and himself to name Floyd's successor. Cronin said that because of this condition, he believed he was justified in nominating Proctor whom he considers to be best qualified to succeed Keller, and who would probably be elected by the voters of Ward 6 were a regular election held.

A vote by ballot was then taken on the election. Jamieson received 17 votes and Proctor 3.

CHRISTIAN SCIENCE

"Are Sin, Disease, and Death Real?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ Scientist, on Sunday, April 12. The Golden Text is: "All flesh shall see the salvation of God" (Luke 3:6). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Is any among you afflicted? let him pray. . . . And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him" (James 5:13, 15). The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The prayer of faith shall save the sick," says the Scripture. What is this healing prayer? A mere request that God will heal the sick has no power to gain more of the divine presence than is always at hand. . . . The prayer that reforms the sinner and heals the sick is an absolute faith that all things are possible to God—a spiritual understanding of Him, an unselfed love. . . . Prayer, watching, and working, combined with self-immolation, are God's gracious means for accomplishing whatever has been successfully done for the Christianization and health of mankind" (pp. 12, 1).

The History of Beginnings

The First Phonograph

IT WAS BACK IN 1877 THAT OUR GREAT AMERICAN INVENTOR ACCIDENTALLY DISCOVERED THE PRINCIPLE OF THE TALKING MACHINE WHILE STRIVING TO PERFECT AN AUTOMATIC METHOD FOR RE-CORDING TELEGRAPH MESSAGES. A DISK OF PAPER ON THE REVOLVING PLATEN PRODUCED THE SOUNDS THAT LED A GREAT MIND TOWARD FURTHER PHONETIC DISCOVERIES

New inventions—new discoveries—new opportunities . . . be prepared to take advantage of them, with cash on hand. Depositing regularly in this strong Bank builds your Opportunity Fund.

What Price Style?

A NEW YORK association recently estimated that a young girl can dress on \$77.75 annually.

We don't dispute it. Though some agree it can't be done.

We do know, however, the thrifty girl can always be stylish. For she has the money for the things that "catch her eye."

That's why it is smart to bank part of each week's earnings at the Newton Centre Savings Bank.

Gow, who will present an account of the construction of Boulder Dam, illustrated with motion pictures.

—The Hobby Show which was held at the Neighborhood Club house on Sunday afternoon, was a huge success. Many treasures and articles of intrinsic value were displayed. Much home talent was in evidence especially in the Art Class of the Waban Woman's Club. The children's chorus sang and also the village choirs. There was a general air of friendliness and neighborliness throughout and much praise is due to those thoughtful people who gave so many residents of Waban a most enjoyable afternoon.

Recent Deaths

BENJAMIN W. FREDERICKS

Mr. Benjamin W. Fredericks, long prominently identified with the sole leather interests in Boston, passed away April 3 at Longwood Towers, where he and Mrs. Fredericks had resided for the past several years, his previous home having been at 8 Park avenue, Newton. He was born in Muncy, Pennsylvania, 67 years ago.

Mr. Fredericks became associated in 1890 with the tanning and leather business of Kistler, Lesh & Company, becoming a partner in 1902 and continuing as such until the dissolution and division of that firm in 1917 when he became director and Vice-President of the Kistler Leather Company. He relinquished his official positions and activities in business a few years ago to fulfill his desire of being relieved of the details of management.

Mr. Fredericks was well and favorably known on both sides of the Atlantic, having made many business and pleasure trips to Europe. He was an outstanding figure during his activity in the sole leather industry, devoting his time and energy to the advancement of the business with which he was connected.

Mr. Fredericks was a man of sterling character, modest and unassuming and had a host of friends.

He is survived by his wife, Mrs. Gertrude Kistler Fredericks, and two daughters—Mrs. Durham Jones of 8 Park avenue, Newton, and Mrs. Charles H. Myers of 155 Chestnut street, West Newton.

Funeral services were held at the residence of Mr. Myers in West Newton, Monday afternoon at three o'clock. Rev. Ray Eusden officiated. Interment was in Newton Cemetery.

LILLIAN PULLMAN

Mrs. Lillian Pullman of 12 Merton st., Newton, wife of Bernard Pullman, died on April 5. She was born in Albany, New York, and had resided in Newton for 10 years. She was a member of the Guild of the Infant Saviour and the Bellamine Society. Mrs. Pullman is survived by her husband; two daughters, Eleanor and Barbara Pullman; a son, Bernard Pullman, Jr.; three sisters, Mrs. James F. Quine of West Medford, Mrs. Edward J. O'Brien of Newton and Mrs. William Stafford of New York, and two brothers, William Roche of Washington, D. C., and Lester Roche of Hartford. Her funeral service was held on Wednesday morning at Presentation Church, Brighton, and burial was in Holyhood Cemetery.

HANNAH O'NEIL

Mrs. Hannah (Drinan) O'Neil, widow of Patrick O'Neil, died on April 3 at her home, 18 Langley road, Brighton. She was born in Glenville, Cork, Ireland, 89 years ago and for 56 years was a resident of Newton Centre. For the past 10 years she had resided in Brighton. Her funeral service was held on Monday morning at Presentation Church, Oak Square. Interment was in Holyhood Cemetery, Brookline where committal prayers were read by Rev. Charles Maguire of Belmont, a cousin. Mrs. O'Neil is survived by one daughter, Miss Margaret O'Neil.

DR. FRANCIS G. CURTIS

Dr. Francis G. Curtis, for 42 years chairman of the Newton Board of Health, died at his summer home in Ashfield, Mass., on Tuesday night, April 7. He was born in West Newton, N. Y., on Dec. 5, 1857, the son of George W. and Anna (Shaw) Curtis. His father had been a member of the Brook Farm Colony at West Roxbury, was for nearly a generation the editor of Harper's Weekly and was the editor of the "Easy Chair" in Harper's Magazine for almost 40 years. His mother was a sister of Colonel Robert Gould Shaw. Dr. Curtis attended St. Paul's School, Concord, and graduated from Harvard in 1879 and from Columbia Medical School in 1883. In 1887 he moved to West Newton and was one of the early members of the Newton Hospital staff. For many years he rendered gratuitous and valuable service as its superintendent. In 1894 he was appointed chairman of the Board of Health. He retired from that office last August.

During his long term of service, Dr. Curtis contributed much to the advancement of public health and sanitation fields, not alone in Newton but throughout the country. He innovated many changes in this work.

Dr. Curtis' funeral service was held yesterday afternoon at Ashfield. It was attended by the staff of the Newton Hospital. Members of the Club are invited to join this group, and should take sandwiches.

Tickets for the Luncheon preceding the Annual Meeting which will be on April 21st, are on sale by members of the Social committee, of which Mrs. James D. Elliott is chairman. No reservations or cancellations may be made after April 18th.

FLORA M. BABCOCK

Mrs. Flora M. Babcock, widow of Charles F. Babcock, died on April 6 at the home of her daughter, Mrs. A. Warren Armington, 63 Grafton st., Newton Centre. She was in her 83rd year. As a girl Mrs. Babcock resided in Milton and later was a resident of Boston and Brookline. She leaves another daughter, Mrs. Eugene Pettet of Wellesley, and a son, Ernest J. Babcock. Her funeral service was held on Wednesday at her late home, Rev. E. K. Bray, of the Church of the New Jerusalem, Cambridge, officiated.

HARRIETT LUMBERT

Mrs. Harriett Lumbert, widow of the late Rutherford V. Lumbert, formerly of Concord st., passed away at the Newton Hospital on Wednesday, April 8, after an illness of three weeks. Funeral services were held this morning at 9 o'clock at the Perin Memorial Church. Burial was in the family lot in Waldoboro, Maine. Mrs. Lumbert is survived by two daughters, Mrs. Richard Aldrich (Ruth Lumbert), and Emelyn Lumbert of Chicago and four grandchildren.

DELIA LEONARD

Mrs. Della Leonard of 44 Thornton st., Newton, widow of Richard Leonard, died on April 6. She was born in County Mayo, Ireland, and had resided in this city for about 40 years. She is survived by three daughters, Misses Helen, Mary and Agnes Leonard, and a son, Richard Leonard. Her funeral service was held at Our Lady's Church on Wednesday and burial was in Calvary Cemetery, Waltham.

D. A. R. JUNIORS

On Tuesday evening the Junior Groups of the Daughters of the American Revolution held a dinner and conference at the Boston Y. M. C. A. The Old Belfrey Chapter acted as hostess with Miss Helen E. Symonds as chairman. Various speakers told of group activities and of approved southern schools. Among those representing the Junior groups of Greater Boston was Miss Marie Eddy of the Lydia Partridge Whiting Chapter of Newton.

WOMEN'S CLUBS

(Continued from Page 4)

March 31st, at the Auburndale Club. Six professional models, assisted by several Club members, were the centre of interest for over an hour, chic in tailored suits, picturesque in afternoon dresses, and glamorous in evening gowns. Two daughters of members, Miss Edith Follett and Miss Carol Hansen, displayed fashions for the Junior Miss; two other members, Mrs. Carleton P. Bell and Mrs. Harold W. Cole were models for Misses styles. Gay prints, attractive afternoon dresses, tailored suits adorned with beautiful fur scarfs, dressy suits and coats, with and without fur collars, and beautiful gowns for formal and informal wear, were included in the parade of fashions.

Mrs. John I. Heibeck, was Day chairman, assisted by Mrs. Ralph W. Phipps.

Newtonville Woman's Club

The monthly Sewing Day of the Hospital committee will be on Thursday, April 16th, at 11 o'clock, when Mrs. Howard M. Waybright, chairman, will meet her committee at Newton Hospital. Members of the Club are invited to join this group, and should take sandwiches.

Newton Highlands C. L. S. C.

On April 13th the Newton Highlands C. L. S. C. will meet with Mrs. Emory Clark, of 128 Allerton road. Mrs. Edward G. Swift will have for her subject "Radio". Mrs. Hiram Miller and Mrs. Mark Ward will present Current Events.

On March 30th, at the home of Mrs. Sanford Thompson, Mrs. Mary Pike entertained the Club delightfully with an afternoon of "Modern Poetry," giving many readings from some of the well-known poets.

Social Science Club

The next meeting of the Social Science Club will be held in the Parlors of Channing Church on Wednesday, April 15th, at 10 a. m.

The hostesses will be Mrs. F. Marsena Butts and Mrs. Edward J. Sawyer.

Auburndale Review Club

Mrs. Guy M. Winslow was hostess for the Review Club meeting Tuesday, April 7th. Mrs. H. U. Hutchinson gave a fine review of the "Life of Isabella Stewart Gardner," by Carter. Mrs. R. H. Rogers presented the "Life of Dickens," by Leacock, telling not only of his personal life but of his writings. Besides his "Christmas Carol," which is known the world over, David Copperfield, Pickwick Papers, Martin Chuzzlewit, and Tale of Two Cities she stated are the books most widely read.

Miss Elizabeth Dike gave a very pleasing account of L. B. Stowe's "Saints, Sinners, and Beechers." Mrs. Nelson Freeman reviewed in an interesting way "Memories of a Happy Life," by Bishop Lawrence.

The meeting closed with two Scotch Songs, "My Ain Folk" and "My Ladie," sung by Miss Christie with Miss Davies at the piano. These two young students from Lasell gave a pleasing finish to the last program for the year.

The Annual Meeting will be held on WEDNESDAY, April 22nd, at the Abner Wheeler House, in Framingham.

Legal Notices

CITY OF NEWTON MASSACHUSETTS

NOTICE TO CONTRACTORS

Sealed proposals for constructing new and repairing old coal-tar concrete sidewalks and driveways in Newton, Mass., during the year 1936, will be received at the office of the Street Commissioner City Hall, 100 Commonwealth Ave., Newton Centre, Mass., until 10 A.M. April 16th, 1936, at which place and time they will be publicly opened and read.

All proposals must be sealed proposals, made in duplicate upon blank forms furnished by said Commissioner, one proposal to be deposited with the Commissioner must be accompanied by a certified check upon a national bank or trust company in the Commonwealth of Massachusetts for the sum of One Thousand Dollars payable to and to become the property of the City of Newton if the proposal is accepted and the bidder neglects or refuses to comply with the terms of the proposal. One proposal (without check), must be filed by the bidder in the office of the Controller of Accounts of Newton, prior to the time set for opening bids. (See Ordinances of the City of Newton Chapter 2, Section 21, as amended.)

A sufficient bond for the faithful performance of the contract in the penal sum of the contract price will be required.

Specifications and terms of contract can be obtained at the office of said Commissioner.

Attention is called to the fact that minimum wage rates for this project are established in accordance with Chapter 461, Acts of 1935, and are set forth in the contract documents. Copy of said rate schedule may be obtained without cost upon application.

The Commissioner reserves the right to reject either, any, or all proposals, or to accept any proposal or any part of any proposal and to award the contract as he may deem to be for the best interests of the City of Newton.

CHARLES A. MAHONEY,
Street Commissioner.

April 10, 1936.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by MALCOLM GREEN and GEORGE B. GREEN his wife of Newton in the County of Middlesex and Commonwealth of Massachusetts to the HOME SAVINGS BANK, located at Boston in the County of Suffolk and said Commonwealth, dated November 26, 1924 recorded with Middlesex South District Deeds, Book 4794, page 263, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at public auction on the mortgaged premises, being the premises hereinafter described, on SATURDAY, the 9th day of May, 1936, at forty-five minutes after ten o'clock and the forenoon, all and singular the premises conveyed by said mortgage with all improvements that may be thereon and described in said mortgage as follows, viz:—

"A certain parcel of land containing 6830 square feet with the buildings thereon situated on the Western side of Woodward Street a short distance North of Boylston Street in that part of said Newton called Newton Highlands and shown on E. S. Smilie's plan dated September 1924 and recorded with Middlesex South District Deeds at the end of Book 4781, and said parcel is bounded and described as follows: Beginning at the intersection of Woodward Street, one hundred ninety-eight (198) feet; SOUTHERLY by land marked on said plan 'Murphy' one hundred twenty-five (125) feet;

WESTERLY by land marked 'Cozens' on said plan by the Easterly end of a five foot passageway, two and 40/100 (2.40) feet;

SOUTHERLY again by land of said Cozens by the middle of said five foot passageway one hundred forty-one (141) feet;

WESTERLY by the middle of a forty foot strip marked 'sewer easement' on said plan, one hundred forty-seven (147.00) feet; and

NORTHERLY by land now or late of Dickerman, about two hundred sixty-six (266.30) feet; together with rights in said five foot passageway and that portion of the granted premises lying within the limits of said passageway is subject to the rights of others lawfully entitled therein, and with all other rights, easements, privileges and appurtenances to the granted premises belonging.

Being the same premises conveyed to us as tenants by the entirety by William J. Cozens and another by deed dated October 25, 1924 and recorded with Middlesex South District Deeds, Book 4781, page 115, and they are subject to such rights as the City of Newton may have in said strip marked 'sewer easement'.

The building on the granted premises is now numbered 38 Woodward Street.

Said premises will be sold subject also to any and all unpaid taxes, tax titles and other municipal liens and assessments, if any there be and to said Zoning Ordinances of the City of Newton, so far as applicable. Terms of sale: \$1,000 in cash or certified check to be paid by the purchaser at time and place of sale. Balance in cash or certified check in or within ten days at the banking rooms of said Mortgagee, 75 Tremont Street, Boston.

For further particulars inquire of said Home Savings Bank.

Rotary Club

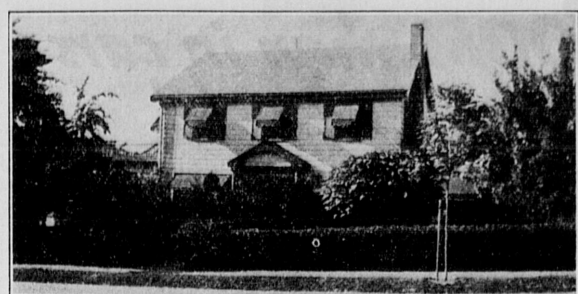

On Monday, Dr. Fred M. Lowe, one of the Old Guard of the Club, regaled the members with what he had listed as "Fatter, Light and Heavy." Very deftly he presented a series of observations and stories; the observations presenting some common-sense ideas on current conditions, and the stories some historical material—when they concerned Harvard or Yale—or just plain fun—when they depicted the trials and tribulations of our colored brethren. His subject matter ranged from the stern realities of Army Day, Highway Safety and the New Deal through the rivalries of Harvard and Yale to the emotions of Patriotism and Motherhood and he showed true artistry in handling such a variety of topics so skillfully that his stories and anecdotes served but as foils to set off the more serious items for real consideration.

ALL NEWTON MUSIC SCHOOL

The Kovitz Trio of the All Newton Music School, composed of Anna Kovitz, violin; Norma Olson, cello, and Dorothy Kovitz, piano, played at a Lenten Musicale at the Church of the Messiah in Auburndale on Friday evening, March 27th.
A trio composed of All Newton School faculty members, Mary Pucciarelli Scipione, violin, Ruth Masters, cello, and Lillian West, piano, were among those who contributed their services for the Flood Relief Concert held at the Newton High School Auditorium on Sunday afternoon, March 29th.
Miss Anna Kovitz, violinist, and graduate of the All Newton Music School, played in the Longy School Orchestra at their concert at Saunders Theatre in Cambridge on Sunday afternoon, March 29th, when "King David" by Honegger was sung.

LASELL JUNIOR COLLEGE

The assembly speakers for the week are Mr. Walter H. Belcher on "Historical and Geographical Significance of Candy," Mr. Lloyd Bemis on "Washington—The Capital City," and Dr. L. O. Hartman, editor of the Zion's Herald.
Afternoon trips are scheduled for the history classes to the Isabella Gardner Museum and for the psychology classes to the Fernald School.

— ADVERTISE IN THE NEWTON GRAPHIC —

Mayor has made no recommendation, and if it is within the power of the Board to discuss such a matter? Bartlett replied that in accordance with Chapter 44 of the State Statutes the Aldermen have such power. If the Mayor does not take action within 7 days, the Board of Aldermen by a two-thirds vote can make such an appropriation. Alderman Akins said that Mr. Ellis has stated he is an advisor to the Mayor. Akins commented that the Mayor should have the right to pick his own advisor. Alderman Cronin said that the city does not need a Director of Public Works to make plans for the city. Cronin said we have a legally authorized Planning Board for such a purpose. He said that the Mayor and 1934 Board of Aldermen were lame in creating the new office without obtaining authority from the Legislature to change the City Charter so that the new office would have a legal status.

Cronin asked City Solicitor Bartlett if the Aldermen have the right to retain Ellis in office, the right to set up a Public Works Department, and the right to make appropriations to pay the director and other employees of such a department? Bartlett answered the Board of Aldermen cannot retain Ellis if the Mayor desires to discharge the Director; the Aldermen have the right to make an appropriation for the department. Then the Mayor can appoint a new director, if he so desires, subject to confirmation by the Board. Bartlett said the office of Director of Public Works was legally created. Cronin asked Bartlett if the Mayor refuses to reappoint Ellis, can the Aldermen abolish the office by action taken at one meeting? Bartlett answered that he doubts it. Cronin quoted Section 32 of Chapter 44 of the General Laws which states that a city council cannot increase any budget item over a Mayor's recommendation, nor add any item thereto. Section 33 of the same chapter states (as Bartlett said) that a city council by a two-thirds vote can appropriate a budget item even though the Mayor does not recommend it. Cronin said the two sections are contradictory. He also said the Aldermen should get the Public Works Department legally authorized before taking further action.

Aldermen Break With Mayor

(Continued from page 1)

have been reorganized along more efficient lines, methods and costs have been explored and much planning done. The citizens in general have recognized an increased efficiency in the Public Works Departments. The City owes the Director of Public Works a debt of gratitude for his work in rehabilitating and reconstructing the Water System, done while he was Water Commissioner. "The City of Newton has a number of department heads of a grade not ordinarily found in municipal work. Is this action on the part of the Executive the beginning of a policy whereby efficient work is to be penalized and these men weeded out one by one?"

"With these conditions in mind, on March 3, the Public Works Committee passed the following motion: 'Moved that it is the sense of the Public Works Committee that the cooperation between the departments of Streets, Water, and Engineering as effected by the office of Public Works Director is in the public interest, that the Commissioner of Public Works is necessary to the public interest and should be maintained; that the Commissioner should be a trained engineer, that Mr. Ellis is such a trained engineer, and that we respectfully petition the Finance Committee to urge His Honor the Mayor to recommend a budget sufficient to maintain this department and the Commissioner.'

"Following the request of the Public Works Committee, His Honor the Mayor was waited upon by two members of the Finance Committee, namely, the President of the Board and the Chairman of the Committee. Presentation was made to the Mayor much as has been given here, but in more detail and request was made for recommendation. The Mayor made answers in effect as follows: 1. The City Charter should be amended. The answer to this is that we now have a legal ordinance which fulfills all requirements. 2. Any one could have done the Water Job. The answer to this is that the job was not done under Mayor Childs' former Administration and was not done under Mayor Weeks' Administration until he brought the present Director of Public Works to Newton and made him Water Commissioner.

The latter part of last week, the time for the presentation of the Budget being near, the Mayor was asked if he could now give an answer and he replied he had not made up his mind. Tonight we have a communication from His Honor addressed to the Board of Aldermen stating that he has no further recommendation regarding the Office of the Public Works Director. Therefore, for the Finance Committee, I offer the following request for the consideration of the Board: "that the sum of \$10,140 be reinserted in the budget to continue this office (director of Public Works) for the current year."

Some minutes after Alderman Bowen had commenced his speech relative to the matter of the Director of Public Works, Alderman Temperley raised a point of order. He asked City Solicitor Bartlett, through the chair, if Bowen could discuss something for which no order was in the budget? President Floyd said that Bowen had a recommendation to make later in his speech. Following the conclusion of Bowen's remarks, Alderman Hutchinson said that during his first year on the Board he had observed Mr. Ellis' work as Water Commissioner and he was impressed by the thoroughness and vision Ellis had displayed. Hutchinson said he has taken great interest in municipal research and it is recognized by authorities that a Public Works Commissioner contributes to efficiency and economy. He said that such an office in this city had been created after careful planning by a business man of ability (Mayor Weeks), after he had consulted with other business men of ability, and after profound thinking had been given to this matter. Alderman Goddard agreed with Bowen and Hutchinson that the office should be retained. He said the city has an increasing problem in business and engineering and that we should have long range planning which can't be provided by department heads.

Alderman Temperley asked City Solicitor Bartlett if the Board of Aldermen can create a recommendation for a budget appropriation when the

Alderman Brocklesby said that he does not like to see anyone lose his position, but when he was elected he stated he would co-operate with the Mayor. Brocklesby said the Board should save the salary of the office when it is not needed. Alderman Guzzi said the Director of Public Works office duplicates the activities of department heads and interferes with these officials who are supposed to know their duties. Guzzi stated that good planning was not shown by the director the past winter when traffic was allowed to get tied up as a result of a heavy snowstorm. He said that several months ago the city bought 2 tractor plows for sidewalks and a type recommended by the Street Commissioner. These plows, he said, had worked efficiently. The city also bought 8 plows of a type recommended by the Director. These had not proved practical. Guzzi commented that Ellis did a good job as Water Commissioner, but anyone could have done likewise if they had as much money to spend as had Ellis.

Alderman Cronin asked the City Solicitor if he would construe that the office of Director of Public Works is abolished by the Mayor making no recommendation for its continuance? Bartlett answered that the office is not abolished as it was created by the Board of Aldermen. Alderman Temperley asked Bartlett if Mayor Weeks had not established a precedent when he abolished the office of City Messenger and if that action were legal. Bartlett answered that he must have advised Mayor Weeks the action was legal. He said Lucian Davis was only acting City Messenger; that during the many years Davis held office he had only been acting City Messenger.

Alderman Brocklesby asked President Floyd if he had not approached Mayor Childs in behalf of Director Ellis. Floyd said he was glad this subject was asked. He said he had visited the Mayor together with the committee, that no politics was involved. He said the Mayor had been asked what he intended to do, and the Mayor had promised the committee that he would let them know what action he would take, but that he had not done so. The Mayor was asked a second time, and his reply was that he would take action until this (Monday) night. Alderman Akins said that during the last mayoralty campaign it had been asserted by his opponents that Mayor Childs did not possess executive ability. Akins said the people of Newton gave Childs their mandate, and that the Mayor does not need advice.

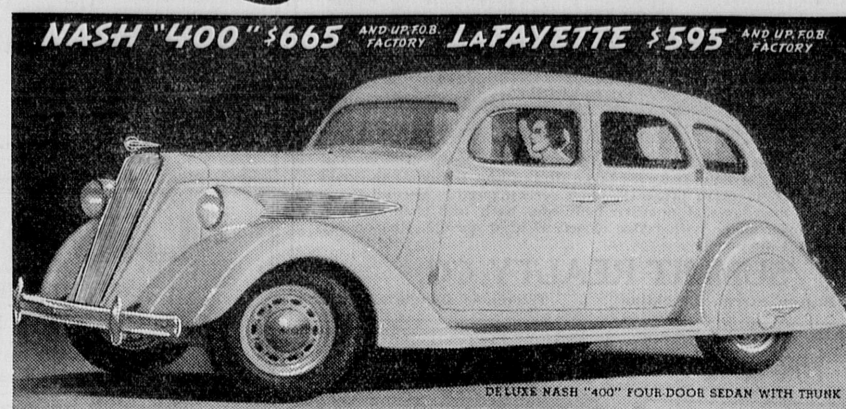

A vote was then taken on the motion made by Alderman Bowen requesting the Mayor to recommend as a budget appropriation the sum estimated by Director Ellis, \$10,140. The Aldermen who voted in favor of the motion were Barwise, Bowen, Colby, Floyd, Goddard, Hill, Hutchinson, Inches, Lyon, McCabe, McKay, Melcher, Rawson, Schipper, Walker. Those who voted against the motion were Akins, Brocklesby, Cronin, Guzzi, Temperley. Alderman Bowen then moved reconsideration of the motion with the hope it would not prevail. His motion was carried.

Baying Hounds Owner Not Guilty

(Continued from page 1)

by. Patrolmen Murphy and Cunningham testified that on that night they had captured one of the hounds which were keeping the Oak Hill folks awake, and the dog wore a collar bearing Duggan's name. Thomas Ryan, counsel for Duggan, raised the point that the attorney for the complainants had not produced an ordinance showing that Newton forbids howling dogs, and the judge agreed with him. Conn and Gregory then stated they would proceed against Duggan under a State statute.

MORE ROOM than in cars costing twice as much!

The minute you get inside a Nash "400" or LaFayette you can see how MUCH more room they give you! Three big people ride in either seat with room to spare. And there's more headroom and legroom than you'll find in most cars costing two and three times as much!

More room; larger, double-acting hydraulic brakes; the world's first completely seamless all-steel body! See the Nash "400" and the LaFayette at the nearest Nash-LaFayette showroom. The Nash Motors Company, Kenosha, Wis.

CITY OF NEWTON MASSACHUSETTS

NOTICE TO CONTRACTORS

Sealed proposals for constructing new and repairing old cement concrete curbing, walks, steps and driveways in the City of Newton, during the year 1936, will be received at the office of the Street Commissioner, City Hall, 1000 Commonwealth Ave., Newton Centre, Mass., until 11 A.M., April 16th, 1936, at which place and time they will be publicly opened and read.

All proposals must be sealed proposals, made in duplicate upon blank forms furnished by said Commissioner, one proposal to be deposited with the Commissioner must be accompanied by a certified check upon a national bank or trust company in the Commonwealth of Massachusetts for the sum of Two Thousand Dollars payable to and to become the property of the City of Newton if the proposal is accepted and the bidder neglects or refuses to comply with the terms of the proposal. One proposal (without check), must be filed by the bidder in the office of the Comptroller of Accounts of Newton, prior to the time set for opening bids. (See Ordinances of the City of Newton Chapter 2, Section 21, as amended.)

A sufficient bond for the faithful performance of the contract in the penal sum of the contract price will be required.

Specifications and terms of contract can be obtained at the office of said Commissioner. Attention is called to the fact that minimum wage rates for this project are established in accordance with Chapter 461, Acts of 1935, and are set forth in the contract documents. Copy of said rate schedule may be obtained without cost upon application.

The Commissioner reserves the right to reject either, any, or all proposals, or to accept any proposal or any part of any proposal and to award the contract as he may deem to be for the best interests of the City of Newton.

CHARLES A. MAHONEY, Street Commissioner.

April 10, 1936.

CITY OF NEWTON

thereon and that Monday the 4th day of May 1936, at 7:00 o'clock in the afternoon, at the City Hall in said City of Newton, before the Committee on Claims and Rules of the Board of Aldermen, he and the same is hereby assigned as the time and place for hearing all parties interested therein. It is further

ORDERED, That two weeks previous to said date of hearing, due notice of said intention and of said hearing be given to the owners of real estate directly affected by the change, real estate opposite to and abutting on such property and all the real estate which in its opinion may be injuriously affected thereby, and that notice of the same be posted in the vicinity of the proposed change and that further notice be given by publication in the Newton Graphic on April 10th, 1936, under the provisions of Chapter 269 of the Acts of the General Court of 1933.

Recommendation accompanying Order of Hearing for Modification of District Boundary Lines shown below:

73792 Planning Board, recommending changing real estate from Private Residence to Single Residence District, Section 65 Block 9 Lots 2 and 2A, and Section 65 Block 9 Lot 2A, as amended.

Notice is hereby given by the Planning Board that it will hold a public hearing on the proposed amendments to the Zoning Ordinance of the City of Newton described in the foregoing notice and at the same time and place, under the provisions of Chapter 269 of the Acts of the General Court of 1933.

Attest:
ERNEST H. HARVEY, Clerk, Planning Board.

THE NEWTON GRAPHIC

Vol. LXIV—No. 33

THE NEWTON GRAPHIC (Newton, Mass.) FRIDAY, APRIL 17, 1936

Ten Pages

Single Copy 5c; \$2.50 per Year

Postpones Decision 6 Months On Topsy Driving Case

Joseph Melody of Newell rd., Auburndale, was arraigned in the Newton court yesterday charged with drunkenness and driving an automobile while under the influence of liquor. Patrolman Lawrence Murphy testified that on April 1st at 6:55 p.m., a car driven by Melody hit a parked car on Lexington st., Auburndale, near Orris rd. Shortly after Melody was arrested by Murphy and Patrolman Cornelius Dwyer. Both policemen testified that Melody was drunk, and their testimony was corroborated by Lieut. Edward Moan who was in charge of police headquarters when the defendant was booked.

The case was tried before Judge Patrick Duane of Waltham, who occasionally sits at sessions of the Newton court. Judge Duane found Melody not guilty of drunkenness. He announced that he would continue the charge of driving under the influence of liquor until the 10th of next October.

School Children Attend Session Newton Court

Last Friday morning a group of 30 pupils of the F. A. Day Junior High School attended the session of the Newton district court under the guidance of Principal Russell Burkhard. Among the objects of the pupils' visit was to acquaint them with the workings of law enforcement and the unpleasant results which follow violations of automobile and traffic laws. Judge Lloyd Allen presided at the court session, fined some of those charged with offenses, and extended clemency to the remainder: Maurice McAdam, 19 Cloelia ter., Newtonville, was fined \$5 for speeding. So was Robert Fairbairn of Wellesley. Others charged with speeding included—Margaret Esson, 41 Somerset rd., West Newton; Robert Nichols, 316 Woodward st., Waban; Richard Butternut, Brighton; Edward Swanson, 59 Gay st., Newtonville; John Sullivan, 31 Bird st., Cambridge. The judge placed all these cases on file.

Scouter's Keys Awarded Three Newton Men

Word has been received by Acting Scout Executive W. R. Speirs of the Norumbega Council of Boy Scouts of America that three of the outstanding scoutmasters in the Council will be awarded their Scouter's Key. This Key is awarded to men who have taken certain training courses and have given five years of service as a scoutmaster to a Boy Scout Troop. John M. Bierer of Waban, Ralph B. Emery of Newton Highlands and E. C. Hilliard of Auburndale are the first to earn this high award in Norumbega Council. All three completed their training at the Scouters' Institute that was conducted this winter under the leadership of William V. M. Fawcett and his training committee.

On May 6th at the Maugus Club in Wellesley Hills at the annual meeting of Norumbega Council the keys will be presented by A. Leslie Harwood, Jr., President of the Council. Mr. S. J. Wilson, the Director of Volunteer Training and the Camp Chief of the International famous Gilwell Training course, will be present as guest speaker and as the personal representative of Baden Powell, Chief Scout of the world.

Community Forum Elects Officers

The Newton Community Forum held a meeting on Monday night at Newton High School. The officers who served during the past year were re-elected: Kirtley F. Mather was chosen president; Walter M. Taylor, secretary-treasurer and the executive committee includes Mrs. Francis J. Flagg, Mrs. Waldo C. Peebles, Dr. William T. O'Halloran, Julius E. Warren.

Committee chairmen include—Finance, Frederick B. Eastman; publicity, Leonard A. Monzert; music, Dr. Ralph MacLean; ushers, Mrs. Ellis Spear, Jr.; printing, E. Graham Bates; speakers, Mrs. Ruth Fuller; nominations, Russell Burkhard.

It was voted to hold eight meetings the coming season, starting on Sunday afternoon, November 8, and concluding on February 21. Shorter musical programs will be given than last season, and 700 season tickets will be sold to sponsors. A tentative list of speakers and subjects was submitted to the members of the forum who attended the meeting.

Eugene Fanning, 94, Gives Address at Upper Falls Church

Supt. of Baptist Church Sunday School 20 Years

Mr. Eugene Fanning, superintendent of the Second Baptist Church, Newton Upper Falls, gave a very interesting talk on Easter Sunday evening preceding a pageant, "The Light in the Window," which was presented at 7 p. m. by the Christian Endeavor Society before a large congregation.

Mr. Fanning spoke from the subject, "The Great Highway of Life." He described this highway as the road that leads from earth to Heaven with guidestones each ten years which he likened to the traffic guidestones of

Aldermen Vote To Retain Director of Public Works Office; Mayor Is Opposed

Board Asks Mayor To Meet With Them Next Tuesday To Discuss This Matter

A special meeting of the Newton Board of Aldermen was held last night and this morning to take action on the budget appropriations for this year. The meeting started a few minutes after 8 o'clock and continued until about 2:15 this morning. The amounts appropriated totalled \$4,847,033.63. These did not include \$10,140 which the Finance Committee recommended for the continuation of the Director of Public Works office, and which the Board by a vote of 15 to 5 carried. Neither did it include \$286,276.56 for the expenses of the Water Department. This amount which was appropriated, will be financed by water revenue.

Alderman Bowen explained to the members in detail about each item in the long lists of the budget where any changes had been made from the amounts recommended by Mayor Childs. The Finance Committee recommended an increase from \$375 which it had first set as the sum for Memorial Day expenses to \$500 because additional units will parade this year and more music will be required. The Mayor had asked for \$500. The committee turned down a recommendation of the Mayor's for \$100 to pay expenses of the Veterans Council because it might lead to similar requests from other organizations. Mr. Bowen commented that the Finance Committee endeavored to make the budget acceptable to the people of Newton who must pay the taxes. He said there is not much improvement in the economic situation, so far as it applied to revenues which will be received by the city the coming year. WPA and Welfare expenses will be greater than last year. Administrative expenses of the WPA which were paid by the Federal Government last year, must now be paid by the city. These will total at least \$13,551 and appropriations for WPA project materials on playgrounds total \$31,046.51.

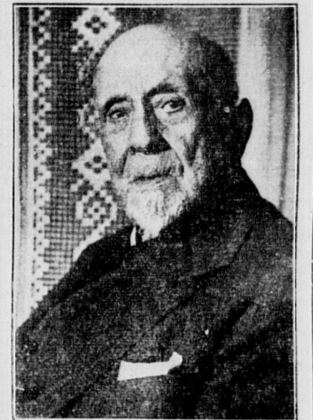

Alderman Bowen said the picture facing the city's financial obligations is a dark one and that the Finance Committee may be looking on the dark side. Because of the situation the committee recommended only a few increases in salaries but if things come out better than expected, the committee would be willing later in the year to grant more increases.

Alderman Temperley took issue with the Finance Committee over the cutting of the Mayor's recommendation for \$800 to give free immunization for Newton dogs against rabies. A long argument followed on this small item, but Temperley won out and the item was appropriated.

When the budget items for the Director of Public Works office were reached Alderman Bowen stated that the Public Works and Finance Committees had not been actuated by politics in disagreeing with the Mayor on this matter. He said the Aldermen should meet with the Mayor as a committee of the whole on next Tuesday night and confer on this matter. He also moved that the Board appropriate \$10,140 for the continuation of the Director of Public Works office. Alderman Temperley said that if the motion were carried, no conference with the Mayor would be necessary. Alderman Cronin said the Finance Committee should have conferred with the Mayor and not ask the latter to meet the Board as a whole. Alderman Floyd replied that Alderman Bowen and he had suggested to the Mayor when they conferred with him on the matter, that he meet with the Board as a committee of the whole, and the Mayor had stated that he would be glad to do so.

Alderman Atkins said he is convinced that the majority of the Board desire to co-operate with the Mayor and

EUGENE FANNING

modern travel. Each guidestone was found at the end of the ten year period, making ten guidestones to guide us upon our journey. The trials and pleasures of this journey were described as the detours and by-paths to the great reception we will receive when we reach the end of Life's highway.

Mr. Fanning has been the active superintendent of the Second Baptist Church for the past twenty-four years accepting this position at the age of seventy years which he is still actively filling. Mr. Fanning was born in Jewett City, Conn., coming to Upper Falls with his family at the age of 10 years. He has always attended the 2nd Baptist Church.

The first school he attended is the property remodeled and owned by Mrs. S. Ebel which is now occupied by stores.

Install Officers Of Newton Elks

The new officers of Newton Lodge of Elks were installed Monday night at Elks Hall, Newton. David Greer was installed Exalted Ruler; Robert Driscoll, Leading Knight; Douglas Furbush, Loyal Knight; John L. Grant, Lecturing Knight; William U. Fogwill, trustee; Thomas Coppinger, Secretary; Walter Kern, Treasurer; Matthew Hurley, Tiler; Edward Dalton, Esquire; John Priest, Inner Guard; Bernard Hatfield, Chaplain; George King, Organist. Harold Field, P.E.R. of Brookline Lodge was installing officer and John King, P.E.R. of Brookline was his Esquire. Each was presented with a desk set as a gift. Among the speakers at the affair were Mayor E. O. Childs, Thomas Brady of Brookline and Hugh Boyd.

Another Woman-Designed, Woman-Supervised, Brodrick-Built Home

The unusual features and fine construction so typical of all Brodrick-built homes combine with the natural rustic beauty of the famous Cliff Estates to add distinction to this beautiful new home with Elizabethan charm. Crowning a gentle slope and framed by a landscaped terrace, the timber-strapped gables and chimney modeled on an ancient pattern emphasize the fluent lines of the English manor.

Woman-designed and supervised, as were the four Brodrick-built homes completed and sold during the past three months, this one has massive stone fireplaces in the living room, oak paneled library, master's suite and basement recreation room. The kitchen gleams with Monel metal; the 2 bathrooms are ultra modern with Vitrolite panelling and Neo-angle tubs and the unusual color effects throughout the house prove the genius of a master of interior decoration.

There's a penthouse "dormitory" at the top of the house with bunks which solve the hospitality problem for habitual week-enders who like to tarry in such a home. There are 2 maid's rooms, a 2-car garage, open porch, General Electric Oil Furnace, rock wool insulation.

WASTE AND EXTRAVAGANCE

Under the leadership of Speaker Saltonstall the members of the legislature are considering possible reductions in the \$78,000,000 State budget recommended by Governor Curley. The action of the lower branch of the General Court yesterday in refusing to postpone action until next week was indicative of the attitude of the Republican members and of a group of Democratic members dissatisfied with present conditions for one reason or another. A week or two ago Governor Curley was criticizing the legislature for holding up passage of the budget and there seemed little reason for the arguments advanced for postponement by his spokesmen on the floor of the House. The House of Representatives accordingly went on to consider the budget items with considerable success in making various reductions. Last night Governor Curley issued a statement charging that politics was being played and expressed his hope that the Senate would take a different attitude. Speaker Saltonstall replied that if politics was being played it came from the Governor's office and that members of the Legislature, Republicans and Democrats alike, were carrying out their sworn duty to the people of the state. The attitude of the lower branch of the legislature is the most encouraging sign that taxpayers of the state have had for many months. A continuation on these lines means the elimination of waste and extravagance in the conduct of state affairs.

VOLUNTEER SERVICE

Announcement has been made at local Boy Scout headquarters of the awarding of Scoutmaster keys to three Newton men who have served the youth of the community in which they live for a number of years. Citizens of Newton should feel proud that these men have devoted their time and energy in order to lead boys efficiently. These men are to be further congratulated because of the fact that these are the first keys that have ever been awarded in the Norumbega Council. Although this distinction comes to but three men and to these three by reason of additional training they have undertaken, let us not forget that there are some four hundred other men who are taking more or less active part in Boy Scout work on a voluntary service basis. Volunteer service of this kind brings its own reward and results in the development of character and good citizenship.

THE FIRST SHOT

The observance of the beginning of the American Revolution is again at hand. Few are concerned with the claim that the "first shot" in that conflict was not fired at Lexington, as we have been taught to believe for many years. The Congressman at Washington who stirred up the controversy over the throwing of a silver dollar across the Potomac river is seeking further publicity in the matter of Massachusetts history. It makes no difference to us whether the first shot was fired at Lexington, Portsmouth or Podunk. There will ever remain Paul Revere's thrilling ride, the gallant stand of the Yankee farmers against the Redcoats at Concord Bridge, and many other historic memories of April 19th which can never be taken away and which make the day one of the most memorable in the history of this nation.

CLASSICS OF THE FUTURE

Next week Thursday is the natal day of William Shakespeare, writer of many pieces of literature well known to every school pupil and many adults. The contribution of Shakespeare to the history of civilization and more particularly to the field of arts can hardly be measured. "Hamlet", "Romeo and Juliet", "MacBeth", are but a few of many classics which came from his pen and which have lived down through several centuries. Out of the conglomerate mass of manuscripts that are being penned today it would be most difficult to name those of any one author which will be read and re-read three hundred years from now.

In the shoe business there is a width called AAAA. It looks decidedly unconstitutional.—American Lumberman.

Arrest Cook For Hitting Woman

Peter Plikakas of 161 Main st., Watertown employed at a restaurant at Washington st., Newton was arrested on Saturday by Inspector Feeley and Patrolman Loughlin for assaulting Mrs. Amelia Walsh of Hovey st., Newton, who was employed as a waitress at the restaurant. The woman told the police that when she objected to Plikakas using profanity, he hit her a severe blow in the stomach. Plikakas was arraigned in court on Monday, his case continued until Wednesday. When arrested, he gave his name as Antons, but fingerprints revealed that he had been previously arrested under the other name.

In the Newton court on Wednesday Plikakas was sentenced to serve 3 months in Middlesex County Prison.

Chestnut Hill Imp. Society Meeting

The annual meeting and entertainment of the Chestnut Hill Improvement Society was held on Tuesday night at the Philomathean Club, Commonwealth ave. The clubroom was well filled with members and their families. An entertainment was provided by professional talent. The speakers included Mayor Childs, Senator Arthur W. Hollis, Alderman Paul Goddard.

DANCE RECITAL

Mary Stanley, the well-known Newton teacher of the dance, will give her sixth annual pupils' recital at the Newton High School auditorium on Tuesday evening, April 28th, for the benefit of Newton Hospital Ambulance Fund.

Autists and pedestrians who travel along Centre st. at Newton Corner have been somewhat curious as to the landscaping work which is being done on the property at the corner of Centre and Wesley sts. from which the well-known Uley residence was recently razed. In close proximity to the Eliot Congregational, Immanuel Baptist and Methodist Episcopal churches the manner in which this site is developed is of considerable importance to this neighborhood.

The owner is Dr. H. H. Powers, a retired Cornell professor, who has devoted his time more recently to travel, lectures, writing and study. Perhaps it is best to let Dr. Powers explain his ideas in his own way:

"I acquired this property in 1929 for an ambitious project which, like many such projects, has been indefinitely postponed by the events of the past six years. Meanwhile I have withdrawn from a very busy life and want something to do. This Centre st. property the sightline on the entire street and protected by churches on three sides, is one of the most valuable in Newton. I still hope that my original plan will be carried out, by myself or others. That means a long waiting and meanwhile I must see to it that nothing unworthy is placed upon the property and that it is kept presentable.

"It occurred to me recently that a garden here would be just the thing for me. I know nothing of gardening but I am sure with the encouragement and advice of my neighbors something will come of it. Landscape architects have proffered their services but I have decided to do the job myself. The result will be amateurish and full of mistakes but I want the fun of doing it and correcting my mistakes. Then too I have in mind a beautiful English garden which I always visit when I go to England. It has a river at one end and a beautiful Tudor Gothic canon's residence at the other with one of England's grandest cathedrals across the way, attractions which I cannot duplicate here. But I have the three churches standing guard at as many corners and perhaps Dr. Sawyer will build in Tudor Gothic across the street. So if I cannot duplicate the gardens of England I hope slowly to make something worthy of their inspiration."

It is not only reassuring but gratifying to know that the present owner of the property has a keen interest in community and civic affairs and plans the creation of an English garden which should eventually become one of the most beautiful of many beauty spots in Newton.

Close upon the flood conditions of New England came the destructive and terrifying tornado in the South. At least one Newton person was an eye-witness to the events that transpired last week in Greensboro, North Carolina. Miss Helen Featherston of Richardson st., Newton, is a freshman at the University of North Carolina in Greensboro. Standing at her window she saw a huge black cloud approaching with a thunderous roar, the sky darkened, all the city lights went out, and she did not know what happened. Soon she heard ambulances rushing past the dormitory. Hurrying to the stricken area, which was but a block away, she saw injured and dead being taken from demolished and burning homes. Houses were completely knocked from their foundations, second stories were blown fifty yards or more. People were buried alive in the ruins and were forced to remain until rescue parties worked frantically to save them where possible. Had the path of the storm been a block nearer the school it is conceivable that Miss Featherston might not have been alive today.

Another Newtonite had a thrilling experience last week when the giant airplane crashed in the harbor at Port of Spain, Trinidad, last Saturday. Lloyd B. Osborne of Newtonville, 26-year old Yale graduate in 1932 and son of Lloyd B. Osborne of Newtonville, was copilot of the big amphibian. Gathering speed to rise from the waters of the harbor one of the pontoons on the huge wing struck a motor launch, became uncontrollable, went into a ground loop, and was almost demolished. Osborne fortunately escaped without a scratch.

A recent announcement of the Newton Chapter of the American Red Cross shows a total of \$11,187.08 as Newton's contribution to flood relief work. As was estimated a few weeks ago, \$1200 of this was raised by the benefit concert sponsored by the Rotary and Kiwanis Clubs and the Federation of Women's Clubs.

Officials of the Boston Athletic Association which is conducting the annual Marathon Race on next Monday afternoon have requested the GRAPHIC to ask Newton parents to warn their children not to ride bicycles along the Commonwealth ave. cycles while the race is in progress. Mr. C. Desmond Wadsworth, chairman of the race committee, suggests that if the day of the race is warm, the runners, particularly those who are trailing, would welcome a cup of water.

The Newton Centre Improvement Association announces that Mr. James Kingman, chairman of the Newton Planning Board, will speak at its annual meeting, which will be held in the Woman's Club House on Wednesday, April twenty-ninth. Mr. Kingman's subject will be "Planning in Newton, Past, Present, Future", and he will be prepared, with the help of members of his board, to answer any reasonable questions which will be proposed from the floor afterwards.

Social Minutes

The traditional quiet of this Holiday Week was broken by only a few social activities. Since no dances or gala charity functions are staged at this time, we can devote most of this column to one of the most exciting and largest luncheons on this month's calendar. Tables were jammed in every available corner of the ballroom of the Statler Hotel for the Thrift Luncheon of the Boston Hadassah. There were many who neglected to make reservations and they were found waiting anxiously in line for a seat in any spot. Particularly vivid was the program. A Palestinian atmosphere prevailed during the entire afternoon, enhanced by Palestinian songs and costumes. Evelyn Hattis Fox gave a series of monologues and interpretations of the life of the people building land in the Jewish National Home. Chairman Dr. Bessie Sharenson and her assistant Mrs. Simon Cohen looked extremely chic. Mrs. Abbott J. Epstein attended with Mrs. William Talcoff and Mrs. Donald Ruben. We noted Mrs. Ralph Bass, Mrs. Edward Kirshen, Mrs. M. Katz, and Mrs. C. J. Kaffenburgh. Here and there we saw Mrs. Lewis Goldberg, Mrs. J. Stein, Mrs. Louis Epstein, Mrs. Louis Lowenstein and Mrs. I. Abrams. Also Mrs. H. Michaels, Mrs. A. Babbitt, Mrs. J. Rosen, Mrs. F. S. Ullian and Mrs. A. J. Cohen.

Author—Guest Speaker

Valuable information was revealed in a fascinating talk by Marvin Lowenthal Wednesday evening at the Temple Ohabei Shalom. Delving into his personal experiences and observations during his travels throughout Palestine and Europe, Mr. Lowenthal chose for his subject, "The Jew at the Crossroad" and presented it to the members of the Ames Lodge and Auxiliary of the B'Nai B'rith. Many had been anticipating this talk which proved to be extremely interesting. Mr. Lowenthal is the author of "A World Biography of Montaigne", "A World History of Montaigne", and "A World History of Montaigne". Before the lecture he noticed Mrs. I. Cohen, Mrs. E. Goldman, Mrs. G. Goulston, Mrs. M. Katz, Mrs. L. Feibelman, Mrs. E. Kaufman, Mrs. N. Becker and Mrs. M. London.

Calendar Reads

We hope your calendar has a red circle around April 28th, when an event of outstanding importance will take place at the Coolidge Corner Theater. It will be the benefit show given by the smart setters of the Lambda Phi Beta Sorority with the Ladies' Helping Hand Society reaping the profits. Practically every member is pressed into service and those who join the throng attending will see a perfectly grand moving picture, Charlie Chaplin in "Modern Times". This year Miss Edythe Weiner is chairman and assisting her are Irma Kelsey and Edythe Rosencranz.

The matter of widening and improving Newtonville Square came up before both the Board of Aldermen and Common Council on Monday night. Some 40 residents of Newtonville were present. The petitioners for the improvement were represented by E. H. Pierce, who put some rather embarrassing questions to the other side. Each side was allowed 45 minutes and at the end a half-hour was allowed the petitioners to present testimony in rebuttal. Dr. O. E. Hunt, for the petitioners, opened the hearing with a calm statement of facts. He showed why the square at present is insufficient to accommodate foot passengers and teams. He said the volume of traffic has doubled within the past 10 years, the Ward is growing rapidly and last year 26 houses were built in it, more than in all the other Wards of the city. The square is divided in the center by a watering trough, flagpole and gas lamp which take up 10 feet of the roadway. Dr. Hunt said that last Saturday afternoon he counted the teams passing through the square for an hour and a half, starting at 2:15. The teams numbered 105, or more than one a minute. Sometimes two or three teams stop at the watering trough at one time, making a great obstruction. Carriages are stopped in the square most of the time, and the gates at the B. & A. railroad crossing are closed on an average of 75 times daily, stopping all traffic and causing a jam of teams at the square. Accidents are of frequent occurrence.

Henry F. Ross agreed that the square should be widened. He thought it should be twice as wide. He did not think the cost would exceed \$7000. Austin R. Mitchell and B. C. Bridgman also urged the widening of the square and said that citizens of Ward 2 would be glad to pay for part of the cost.

Rayette Shaw appeared for the remonstrants. He made a very sarcastic speech about the square and the need of widening it. He said it is wider now than nine-tenths of the busiest Boston streets. He thought Newtonville people might worry along with things as they now are. The watering trough need not be in the middle of the street; it could be moved to the side of the road. He said he had never seen a great crowd in the square, 67 feet is wide enough for the street there. He said money which would be spent in widening the square ought to be spent on other streets in Ward 2 which have been in horrible condition for years. He told of the hardships suffered by taxpayers on streets at the northeast part of the Ward, people who pay taxes and have nothing done in improving their streets. Henry F. Ross said that many of those opposing the improvement were not taxpayers or even voters. He said nearly all Newtonville favors the improvement.

60 YEARS AGO

Newton Republican, April 21, 1877

One of the horses attached to Frank Wallingford's hack fell into a deep excavation being made for a water pipe on Washington st. at Newton Corner on Saturday evening. The horse was extricated and was only slightly bruised.

The religious interest at Newton Centre continues. Nearly every evening is occupied by a service at some public place to which all are freely invited. Quite a number of our well-known citizens are enjoying the beginning of what they are frank to confess is a new life to them.

Harris & Company of 111 Kingston st., Boston, manufacture a large line of the handsomest weather vanes in New England. They also have an extensive stock of lightning rods. (Adv.)

James Dorney of Newtonville lost two children within a week by diphtheria. One was a year old and the other four years.

The barque "Annie Elliott" of Boston recently foundered at sea while en route from Baltimore to Boston. One of the crew was lost. Captain David Elliott of Newtonville was one of the owners of the barque which was named for Annie E. Elliott of Newtonville.

50 YEARS AGO

Newton Graphic, April 17, 1886

What might have been a serious fire was discovered Monday night in G. H. Adams' grocery store on Centre st., Newton Corner. A kerosene lamp got on fire, but was extinguished by a policeman.

The matter of widening and improving Newtonville Square came up before both the Board of Aldermen and Common Council on Monday night. Some 40 residents of Newtonville were present. The petitioners for the improvement were represented by E. H. Pierce, who put some rather embarrassing questions to the other side. Each side was allowed 45 minutes and at the end a half-hour was allowed the petitioners to present testimony in rebuttal. Dr. O. E. Hunt, for the petitioners, opened the hearing with a calm statement of facts. He showed why the square at present is insufficient to accommodate foot passengers and teams. He said the volume of traffic has doubled within the past 10 years, the Ward is growing rapidly and last year 26 houses were built in it, more than in all the other Wards of the city. The square is divided in the center by a watering trough, flagpole and gas lamp which take up 10 feet of the roadway. Dr. Hunt said that last Saturday afternoon he counted the teams passing through the square for an hour and a half, starting at 2:15. The teams numbered 105, or more than one a minute. Sometimes two or three teams stop at the watering trough at one time, making a great obstruction. Carriages are stopped in the square most of the time, and the gates at the B. & A. railroad crossing are closed on an average of 75 times daily, stopping all traffic and causing a jam of teams at the square. Accidents are of frequent occurrence.

Henry F. Ross agreed that the square should be widened. He thought it should be twice as wide. He did not think the cost would exceed \$7000. Austin R. Mitchell and B. C. Bridgman also urged the widening of the square and said that citizens of Ward 2 would be glad to pay for part of the cost.

Rayette Shaw appeared for the remonstrants. He made a very sarcastic speech about the square and the need of widening it. He said it is wider now than nine-tenths of the busiest Boston streets. He thought Newtonville people might worry along with things as they now are. The watering trough need not be in the middle of the street; it could be moved to the side of the road. He said he had never seen a great crowd in the square, 67 feet is wide enough for the street there. He said money which would be spent in widening the square ought to be spent on other streets in Ward 2 which have been in horrible condition for years. He told of the hardships suffered by taxpayers on streets at the northeast part of the Ward, people who pay taxes and have nothing done in improving their streets. Henry F. Ross said that many of those opposing the improvement were not taxpayers or even voters. He said nearly all Newtonville favors the improvement.

Powers' Paragraphs

One day about 10 years ago as we were driving our old Model T Ford along Hammond st., Chestnut Hill one of the tires went flat. As we started the task of replacing the flat tire with the spare, a friendly little boy came out of a yard across the street and courteously offered to get his family chauffeur to assist us. Impressed by this unusual and unaffected act of good fellowship, we asked the youngster to tell us his name. He identified himself as Randolph Tucker, Jr. His father had served as a member of the Newton Board of Aldermen and his mother was a daughter of Colonel Edward L. House. He did not, however, tell us these details. We did not forget the kindly act of the little Tucker boy and so we read with regret the other day of his tragic death in Southern California. Since his graduation from Dummer Academy in 1933 he had been engaged in mining work in Mexico. Obtaining a three weeks' vacation, he was motoring to visit his parents who were in California, when his car collided with an oil tank truck. An explosion and fire resulted and he was killed. Randolph Tucker, Jr. lived only 21 years, but because of his neighborly nature he got considerable out of life in that short career, and gave something to others.

The devastating floods of last month were faced bravely by thousands of New England residents who lost their property and endured privations. Multitudes of other New Englanders displayed a fine spirit in rallying to the aid of the flood victims. Public utility companies and other business concerns extended their best efforts to cooperate. Most individuals and corporations in New England performed with credit during the flood period and in the days following. Unfortunately there were a few exceptions. The flood cut off transportation over railroads and many highways. For a few days the milk supply from Northern New England to the Greater Boston area was cut off or greatly retarded.

Most of the milk companies met the situation most commendably. Allegedly, a couple did not. During a couple of days at the height of the flood and while the milk supply was impeded, complaints were made to health authorities in Greater Boston of milk delivered to some families or purchased at certain stores. Complaints were made by people who received milk that was peculiar in appearance and taste. This "milk" had no cream line, a sediment gathered at the bottom of bottles and it had a sort of chalky taste. Samples were analyzed by health officials and found to contain casein, butter fats and water. Allegedly the milk in question was synthetic and had apparently been manufactured from powdered skim milk, butterfats and water. State Health Department officials laid the evidence before the Attorney General.

Alderman Bowen was correct in this contention. There is no question but that there are many hundreds of unlicensed dogs running loose in Newton. For many years the law which requires every dog to wear a collar bearing its owners name and address and a license tag, has been a dead law in Newton and most other cities. It has not been enforced by the police. We do not object to free immunization of dogs against rabies. But, we believe the safety of the public would be much more protected if a dog officer were appointed in Newton whose duty would be to corral all dogs running loose in this city without wearing a collar which has a license tag attached to it and the owner's name and address inscribed thereon. The increase in license fees would probably more than pay for the dog officer's salary.

ONE THING AND ANOTHER

By L. D. G. BENTLEY

Dosing Time

These are the days when we hear much of the potency of "a good spring tonic." The trouble is to find just the right one. On the assumption that the body needs new vigor some people will recommend a home-made preparation, the ingredients of which may be obtained partly at the grocer's and partly at the drug store. Others confidently recommend some proprietary compound more palatable and expensive. Physical exercise, complete rest, massage and a change of diet all have their advocates.

I prefer the folks who feel they need no nostrum and who seem to carry-on of their own momentum. This does include the self-starters, such as the man who wants to talk politics and nothing else, the man who can barely wait to get outdoors for golf, fishing, swimming or something, the individual who high-pressures you to buy anything from razor blades to airplanes and the woman who is eager for "nice weather" in order she may have the house torn upside down as part of the spring cleaning program. They need no spring tonic. What they should absorb is a potion that will show them down.

Undeserved Contempt

Although not an amateur gardener I have received my share of printed matter dealing with the subject with which the mails are filled at this season. Peaceful as such documents invariably appear I flared up when I read an article on the best way of exterminating dandelions. This hostile attitude towards one of nature's sturdiest if not choicest botanical gifts is too severe.

In spite of the terribly harsh things said and written I insist that the dandelion has some fleeting beauty and some medical powers and was used, during that period of our Nation's history when certain beverages were denied by law, as a wine and also with foaming yeast. If employed, as alleged, to adulterate coffee the dandelion is not to blame for it cannot help itself.

Those of us who enjoy honey should bear in mind that commercial beekeepers find dandelions of immense value in the spring, for, as is pointed out in your own encyclopedia, they furnish large quantities of nectar and pollen when most needed by bees for rearing their brood.

Were it not for the limitations of space I might easily continue for the defence. Nevertheless, I pause with a word of advice. If dandelions dis-

appear's office and yesterday this evidence was presented to the Suffolk County grand jury. The milk company involved is one of the largest in New England.

The Newton Board of Health also received complaints regarding milk purchased in certain stores of one corporation which has units in this city. Samples of milk purchased in these stores were analyzed and the milk was found to be allegedly manufactured. The local health officials intend to take proper action on this matter. Synthetic milk has little or no nutritious value, and would be injurious to the health of babies. Any milk company which delivers such alleged milk to customers, or supplies it to stores assumedly as real milk, should be severely prosecuted. If criminal action is taken against the companies allegedly involved, full publicity should be given by the press.

The Newton Board of Aldermen last night and early this morning took action on the annual budget. Despite the large amount of discussion involved in the consideration of the budget and the passing of appropriations totalling about \$5,000,000, the Board took nearly a half-hour to argue over an item of \$800 for the immunizing of dogs in this city against rabies. The City Veterinary and the Mayor had recommended this amount. The Finance Committee of the Aldermen cut it out. They took the stand that less than 50% of the dogs in the city have been brought to be immunized the past few years, and so this activity is of doubtful value. Alderman Temperley led the fight to have the item restored, and was successful. In the course of his remarks against the expenditure, Alderman Bowen, chairman of the Finance Committee, stated that there are many unlicensed dogs in Newton, that these animals were not brought to be immunized, although they need such preventive treatment more than do the licensed and better cared for dogs.

Alderman Bowen was correct in this contention. There is no question but that there are many hundreds of unlicensed dogs running loose in Newton. For many years the law which requires every dog to wear a collar bearing its owners name and address and a license tag, has been a dead law in Newton and most other cities. It has not been enforced by the police. We do not object to free immunization of dogs against rabies. But, we believe the safety of the public would be much more protected if a dog officer were appointed in Newton whose duty would be to corral all dogs running loose in this city without wearing a collar which has a license tag attached to it and the owner's name and address inscribed thereon. The increase in license fees would probably more than pay for the dog officer's salary.

Patriots' Day Thought

Loud discussion as to who fired it proves that the echo is still resounding from the "shot heard round the world."

Sight-seeing Dimmed

It interested me to learn that there are still a few old-fashioned people who find a train or street car journey something of a diversion when they gaze out of the window at the country or city through which they are passing. That does not mean so much of itself except that, with many automobiles, the joy or pleasure, or whatever it may be called, of train or car riding is minimized or has no appeal whatever. Nevertheless, I listened to what a friend had to say about her experience and dare repeat, although it may hurt the feelings of the Boston Elevated. She was formerly a resident of Newton where her children went to school and where she had many friends. "Coming out from Boston on the electric," said she, "I thought I would see how everything looked and whether there had been many changes. But I was disappointed. The windows in the trolley car were so covered with dirt I might as well have been in a fog."

One Way to Put It

Since I heard a broadcast of the races at Aintree in which the British announcer, speaking from the grand stand, described the weather as "definitely grim," I have often thought that his selection of words was most encouraging. "Definitely grim" tells us in two words, instead of several sentences, of overcast skies that threaten rain, with no prospect of clearing. As my imagination swept across the broad Atlantic I smiled, half-expecting to hear the added assurance, "But we don't mind, old chap, we're quite all right." Indeed, when he told of the gay crowd, the notable in attendance and other bright spots I almost forgot the weather. It was such a cheerful way of accepting the inevitable. I wonder if that isn't a splendid idea. Instead of grumbling, as we sometimes do, "What a rotten day" and "When will it ever clear-up," why not adopt the phrase "definitely grim," adding, as I am sure would be thoroughly British, "Think nothing of it."

Y. M. C. A.

Wrestling

The Newton Y. M. C. A. has entered Walter Gainer in the Olympic National Wrestling Tryouts to be held at Lehigh University, Bethlehem, Pennsylvania, this Thursday, Friday and Saturday. This is the final meet from which a team will be selected to represent the United States in the Olympic Wrestling Championships to be held this summer in Berlin, Germany.

Gainer, a second year law course student at Boston University and a member of the football team there, has wrestled for two years at the Newton "Y". At the "Y" he has received the benefit of the coaching of Dr. Fred E. Simm, who has developed five championship teams in the past seven years.

By winning the 191-lb. class championship in the New England District Olympic Tryouts held in Providence, Gainer was made eligible to compete at Lehigh University. He is also Y. M. C. A. Two-State heavyweight champion for 1936, and New England A. A. U. 191-lb. class champion in 1935.

Debating Club

At a recent meeting of the Y. M. C. A. Debating Club, Stuart Neal was chosen president of the Club for 1936, and Clarence O. Bedient, Secretary. The subject under discussion was the question "Resolved that the Repeal of the 18th Amendment has been Beneficial." Messrs. Stuart Neal and Charles G. Miller took the affirmative, and Messrs. John Finelli and A. C. Zinck, the negative.

Round Table Club

The Round Table Club, composed of members of the Public Speaking Classes, held their last meeting of the season at the Hotel Puritan, Boston, on Tuesday, April 14th. The following members were present: Messrs. Alexander C. Zinck, John S. Chant, Dr. Philip D. Woodbridge, Thomas Finnigan, Dr. Alfred E. King, David Finnigan, Lawrence J. Winston, Edward M. Rowe, Dr. Thomas Burns, and Walter S. Bruton.

The officers for next year were duly elected and installed—the following men taking office: President, John Chant; vice-president, Dr. Philip D. Woodbridge; secretary-treasurer, Walter S. Bruton.

Tri-Hi Club

The Newton Tri-Hi Club will sponsor an educational trip to New York during the spring vacation. Under the leadership of the Club Adviser, Clyde G. Hess, assisted by Miss Doris Lovell of the Second Church, twenty-three girls will leave on the Eastern Steamship Line next Monday evening, returning on Friday morning.

They will be the guests of Mr. Cameron Beck of the New York Stock Exchange, and will visit the following places: Battery Park, Aquarium, Staten Island—past the Statue of Liberty and New York Harbor, Riverside Drive, Grant's Tomb, Cathedral of St. John the Divine, Columbia University, and Riverside Church and Carillon. The trip also will include shows at the Hippodrome and Radio City Music Hall, Tours of RCA Building, Empire State, and Rockefeller Center, Prospect Park in Brooklyn, The Subway and Elevated, Times Square and the Theatre District. Shopping at Macy's and Wanamaker's, and many other items of interest too numerous to mention.

Annual Meeting

The 59th Annual Meeting and Banquet of the Newton Young Men's Christian Association will be held at the Y. M. C. A. on Monday evening, May 4th. Mr. Eldred M. Peterson, chairman, and members of the Social Committee are making plans for a very delightful meeting.

Subscribe to the Graphic

Rotary Club

The speaker at the Monday luncheon of the Rotary Club was Miss Charlotte Raymond, who has been co-operating for three years on nutrition work with various social agencies in Newton and who is nationally recognized through her writings on the subject.

While food has always been recognized as an element in well-being, it remained for the Hoover White House Conference to stimulate an interest in Nutrition as, perhaps, the most important of the three major factors in the well-being of any individual. The other two elements are Housing and Mental Hygiene. This same conference led to the discovery that about one-third of the people of the United States are lacking in the proper minimum of food. Very unfortunately for all concerned malnutrition and under-nutrition do not produce effects that are immediately startling as do scarlet fever and tuberculosis and hence the damage is wrought without any one becoming much alarmed until too late.

Here in Newton, Miss Raymond is spreading her efforts out through four agencies at present: the Out-patient department of the Newton Hospital through direct service, the Newton Welfare Bureau, the District Nursing Association, and the Welfare department of the city through lectures and consultations with the staffs and nurses. Very recently she has come into the activities of the Health department, again working largely through the school nurses and principally on nutrition as a factor in the care of teeth.

This latter work with the Health department should eventually be reflected in an improvement in the condition of the teeth of Newton children. A survey of the schools last fall showed that nearly fifty percent of the children are suffering from some more or less serious dental defect which should be remedied and which might have been prevented by adequate measures some time in the past. Experience in a mid-western city over a twenty year span indicated that preventive educational work of this character was far more effective than the remedial work of the dental clinic after the damage had been done.

Republican Rally At Brookline

A Republican pre-primary rally will be held next Tuesday evening at Whittemore Hall, Coolidge Corner, under the auspices of the Brookline Community Club. Rep. Philip G. Bowker of Brookline is chairman of the Rally Committee which has arranged a program of speakers of candidates for the nominations for various state offices. Speaker Leverett Saltonstall and Robert T. Bushnell, both of Newton, and candidates for Governor, will speak as will former Mayor Sinclair Weeks of Newton, candidate for U. S. Senator. Among the other speakers will be Rep. Henry Cabot Lodge, Jr., and ex-State Senator James F. Cavanaugh, candidates for U. S. Senator; Dist. Attorney Warren L. Bishop and ex-Atty General Joseph E. Warner, candidates for Governor; Governor's Councilor Winfield A. Schuster, Sen. William H. McSweeney, and Hon. F. W. L. Miles, candidates for Lieutenant Governor; Secretary of State Frederic W. Cook, Essex S. Abbott, Clarence A. Barnes, and Judge Frederic A. Crafts, candidates for Attorney General; Oscar U. Dionne, candidate for State Treasurer, and Rep. William A. Hastings, candidate for State Auditor.

Miss Chandonnet, French teacher, took several pupils to the Warren School on Monday, April 13, to witness a French play presented by some pupils of that school. The next meeting of the Massachusetts League of Junior High School Publications is to be held at the Weeks School on Friday, May 8. On Monday, April 12, the student officers of the league met in the Weeks Library with Dr. Franklin P. Hawkes, principal of Junior West High School of Arlington and chairman of the league's faculty advisory board, and with Mr. Peterson, advisor to the Weeks Junior World Staff, to plan out the program for the May meeting. On Tuesday, April 14, Mr. Pohlman took a group of boys on an inspection tour of the Newton Trade School to acquaint them with the many possibilities and opportunities offered there. The display cabinets this week carry an exhibit of copies of the work of the French artist, Jean Francois Millet. This exhibit was provided through the art department.

Landlord Has Tenant Arrested

George Zeigler employed as a butler at 1011 Centre st., Newton Centre, was in the Newton court on Monday charged with larceny of property and cash from John B. Samuda of Beacon place, Newton Centre. Zeigler formerly rented a room from Samuda and latterly had used it for storage of furniture and personal property. According to Samuda his tenant was behind in his rent, so he placed a lock on the door of the room. Zeigler, who claimed he had paid the rent to April 11, went to Samuda's house last Saturday, broke the lock on the door and removed his belongings. Samuda claims Zeigler, in addition to his own property took some belonging to the complainant. Henry Meekin of Derby street, West Newton, unwittingly became involved in the charges because he assisted Zeigler in removing the articles taken. The case was continued until April 22.

Charged With Drunken Driving

Mario Gilberti of 48 Winship st., Brighton, was arrested early Sunday morning by Patrolmen Slavin and Smith charged with driving a car while under the influence of liquor. He was arraigned in the Newton court on Monday and his case continued until April 23.

LUCY JACKSON CHAPTER, D. A. R.

Mrs. Ernest F. Dow conducted the opening exercises at the meeting held Monday, April 13. A quintet under the leadership of Mrs. Ernest L. Nichols and composed of Mrs. Nichols, Mrs. Franklin W. Cowell, Mrs. Allan E. Brickett, Mrs. William E. Bell and Mrs. T. M. Reed, sang. The Regent, Mrs. J. Walter Allen, reported that quarter parties were becoming popular and have been given by Mrs. Clarence W. Williams, Mrs. Edward O. Woodward, Mrs. George L. Davis, Mrs. J. Frank Dunneavy and Mrs. J. Holcombe Brown will entertain at her home April 22 at 2 p. m. Mrs. John P. Holmes announced the rummage sale which will be held May 1. Mrs. A. D. Salinger reminded the members of the holiday "paint boxes" and asked that they be brought to the next meeting. The Registrar, Mrs. W. D. Thompson, reported that a list had been sent to Washington of members of the Chapter who are willing that their genealogical records should be used by those seeking to obtain family data.

Mrs. Friend's "patch apron" invited contributions of money to be tucked under the patches. Mrs. D. S. Pope, Jr., recommended highly the D. A. R. magazine, which now ranks well and is going ahead all the time. In memory of Mrs. J. S. Cordingley, a gift has been made to the Student Loan Fund. Mention was made of gifts to the Chapter, among them a copy of a painting by Trumbull of Washington at Trenton, which hangs in the City Hall of Charleston, S. C. Mrs. A. D. Salinger was the donor. Others who contributed were Mrs. Ernest F. Dow and Mrs. Arthur P. Dana.

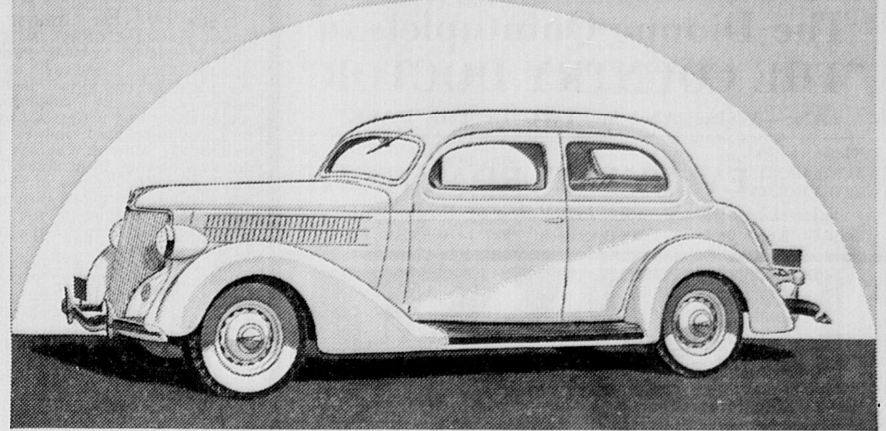

The Regent, Mrs. J. Walter Allen, gave an account of the State meeting at the Statler. This popular gathering of D. A. R. was attended by 688 members. Mrs. George R. McElowney told of the reception and banquet. Miss Emily F. Jordan referred to the neglect and improper disposal of worn-out flags. These should be burned privately and not allowed to remain on graves after they are defaced. It was voted to send a request to the Newton Cemetery to remove such flags from graves. Miss Jordan commended the action of the Woolworth Co. in banning from their sales the toy pistols, used too freely by small children.

Mrs. George L. Pierce, State Chairman of Membership, urged the formation of Junior Groups to bridge the gap between the G. A. R. and the D. A. R., and to offset declining membership. These groups had been started and were proving successful.

At the urgent request of Mrs. Allen, Miss Nella Pearson gave an account of the share of her family in establishing the Memorial at Valley Forge. Her brother, Arthur E. Pearson, was very influential in the early beginnings of this patriotic enterprise, in promoting an interest in making Valley Forge an American shrine, the Westminister of America, as it has been called. He co-operated with Rev. W. Herbert Burk, whose vision it was to so memorialize our heroic soldiers. The Major-General's Screen, the President's Pew, the Thaddeus Thompson and John Benjamin tablets, and the New Hampshire Bay were donated by the Pearson family, whose ancestry includes a patriot of Valley Forge and others eminent in history.

Mrs. Charles E. Learned of St. Paul was a guest of the Chapter and brought greetings from Minnesota as State Vice-Regent of the D. A. R. Mrs. W. D. Thompson was hostess chairman of the social hour, and Miss Lucy E. Allen and Miss Florence Towner presided at the table.

Ford - FOR ECONOMY

"The Ford V-8 uses less fuel and oil for the power it gives than any other car we have ever made AND ITS UP-KEEP COST IS THE LOWEST"

ENTHUSIASTIC sales talk often begins and ends with gasoline mileage. Some salesmen would like you to believe it is the whole story of automobile economy. But drivers ought to know better. For, the fact is, it's way down the list.

The big items of car economy are low first cost, low up-keep cost and low depreciation. Savings here can make a great deal of difference in cost per mile. Gasoline mileage is more of a talking point than an economy factor.

Check up and you will find that the difference between 17 and 19 miles a

gallon is less than \$10 for a whole year's average driving (8400 miles at 18 cents a gallon). Here are the big items that make the Ford the most economical car: More value for every dollar you pay. Lower cost for repairs and service. Long life. Slow depreciation.

Quality means economy and the 1936 Ford V-8 gives you more real quality than any other low-price car. No other car under \$1645 has a V-8 engine. No other low-price car has Center-Poise Riding, safe, sure mechanical brakes and Safety Glass all around at no extra cost.

\$25 A MONTH WITH USUAL LOW DOWN-PAYMENT, BUYS ANY NEW FORD V-8 CAR ON NEW U.C.C. 1/2% PER MONTH FINANCE PLANS.

Autoists Fined For Speeding

Among autoists fined \$5 on Wednesday in the Newton court for speeding were: George Fredette, Framingham; Arthur Patterson, Wellesley; Oreste Fabrizio, Marlboro.

Yesterday in the Newton court Earle Wood of 20 Duffield rd., Waban was fined \$5 for speeding. A similar fine was levied on Joseph Holmes of Brighton. Speeding charges against Harriet Brown of 184 Windsor rd., Waban and Joseph Roche of Natick were placed on file. George Black of 32 Leonard ave., Newtonville was also charged with speeding. The case against him was dismissed. The cases were tried before Judge W. Lloyd Allen.

NEWTON ARCHERS IN QUARTERLY SHOOT

The Newton Archers will hold their first quarterly shoot of the season at the Newton Centre playground on Monday, April 20th. The shoot is open to all archers. Registration and target assignment will be at 9:30 a. m. followed by Columbia Round for ladies, American Round for men and an American Round for juniors at the morning session. In the afternoon the American Round handicap cup contest will open the program followed by a second junior round. At four o'clock prizes will be awarded including the Carazua Clark Cup for the Columbia round, Leigh M. Nisbet Arrow for the best season American round, the Cummings handicap cup for members of the Newton Archers, the Mariner Junior handicap cup for junior members only, and the visitors' handicap trophy for visitors. Awards will also be made for the first three places in the day's total, high

Newton Highlights

Newton High's baseball team will be at home to the Northeastern University freshmen this afternoon at Dickinson Field, weather permitting. Coach Jeff Jones may start a sophomore battery with Phil Green pitching and John Martin behind the bat. Newton defeated Wellesley High, 9-7, a week ago in their first game. Next week is vacation week, and two more games are billed. Newton will play the Harvard junior varsity at Cambridge on Friday, and Saturday afternoon at 3 p. m. will meet the Newton Independents at Dickinson Field.

The golfing Hunters at Newtonville are in the news again. Captain Bob Hunter of the Harvard golf team, the former state junior champion, has completed arrangements whereby Gene Sarazen will give golf instruction to members of the Harvard golf team, and subsequently to teams in any New England colleges that are interested. Dorothy Hunter Whittemore, sister of the Harvard ace, was the medalist at Trapelo Tuesday in the first women's tournament of the season, turning in an 86 for her old course.

Captain Milt Green is the best of the four Harvard hurdlers who will compete in the shuttle relay at the University of Pennsylvania relay carnival next week in Philadelphia. And speaking of relay carnivals, Newton may take over the well-known Fitchburg relays this year, now that the oddly-shaped Fitchburg cinder track is hopelessly buried under mud deposited by the flood. The proper date for the event comes on the day set for commencement exercises at Newton, so it will have to be scheduled on some other day. Bob Morrill of

Newtonville, one of the Newton High polo players, has recovered from the effects of a collision during a game six weeks ago, and is back in the saddle again. He will be riding master next summer at Camp Pinnacle, Lyme, N. H. Newton will have an entry in the Old Colony Tennis League this season in the Hunnewell Club of Newton. Malcolm Clarke and Henry Jones will form the nucleus of a strong team. Malcolm T. Hill of Waban, Boston tennis professional, formerly ranked nationally in doubles, will be visiting coach at Exeter Academy this spring. Two weeks ago he spent a chilly afternoon on the F. A. Day School courts in Newtonville showing the Newton High tennis candidates some of the finer points. Extensive changes in the layout of the tennis courts at Newton High school, one of the most popular summer playgrounds in the city, will not be undertaken for another year. Several petitions were circulated last month in the belief that macadam courts were going to be substituted for the present clay courts, but it is understood that when the present courts are moved, there will be at least five clay courts to replace them, as well as two or three hard courts.

Cadet John C. Brame, son of Col. and Mrs. H. A. Brame of 10 Dartmouth st., West Newton, has been awarded an athletic merit medal at Manlius School, where he is a student.

Jackson Skillings, star goalie of the Brown hockey team, has been elected captain for next year. This honor gives the Newton Centre junior two captains, as he is at present captain of the varsity tennis team.

George T. Bennett of Newton Upper Falls is a member of the Northeastern University varsity baseball squad. He is an outfielder, although while at Newton High a few years ago he played at third base.

Our Lady's High
Pupils Present
Annual PlayCohan's "Forty-Five Minutes
From Broadway"

Pupils of Our Lady's High School presented George M. Cohan's popular musical comedy "Forty-Five Minutes From Broadway" on Tuesday night at the school auditorium before a capacity audience. The young actors and actresses performed very creditably and showed careful training by Miss S. Theresa McCarthy who teaches them dramatics and dancing, and the Sisters of Saint Joseph who give the pupils their musical instruction. The pupils were assisted in the production by the Shubert Theatre orchestra.

The cast of characters included the following: Leo Riley, Peter Pasquale, James Tobin, Paul O'Brien, Myrtle Cavanaugh, Russell Harney, Bernard Mullin, Robert Gallagher, Francis Corrigan, John Carmody, William Delaney, Joseph Delaney, William Timmins, Edward Bryson, Catherine Burke, Elizabeth McCarthy, Alice MacDonald, Rose Perdue, Edith Moore, Katherine Fallon, Margaret Gallagher, Margaret Geegan, Margaret Magee, Margaret McDade, Mary McNamara, Marie Lane.

Members of the ensemble were: Class of 1937—Louis Cedrone, Paul Cannon, Rita Campbell, Joseph Cronin, Doris Demmons, Francis Doherty, Mary Flaherty, Donald Fleming, Gladys Gaudreau, Esther Geegan, Janet Haller, Mary Kavanagh, Mary Keane, Mario Marino, Bernard McCaffrey, Rita McCaffrey, Francis Morris, Catherine Morrison, Edward Murphy, Pauline Pierce, Kevin Stokes, Georgina Whalen.

Class of 1938—John Bryson, Catherine Callahan, William Cannon, Edward Clark, Catherine Donahue, Bernard Farragher, Joseph Geegan, Mary Garry, Helene Geegan, Lawrence Gentile, Carmen Iadonasi, John Kenna, Margaret Mahoney, Gerard Matthews, Jean McDonald, Catherine York, Margaret McPherson, Wilhelmina O'Brien, Edward O'Brien, Gordon O'Brien, Maurice O'Connell, Evelyn Stewart, Rose Timmins, Alice Yeager.

Class of 1939—Mary Baccari, Sheila Barton, Anna Benoit, Lois Blake, Robert Bryson, Daniel Cardarelli, Ruth Cavanaugh, Dorothy Cedrone, Andrew Corrigan, James Cousineau, Edna Fitzgerald, Mary Fitzpatrick, John Garvin, Carmela Gentile, Lillian Gerity, Rita Goodwin, Margaret Greathead, Dolores Kennedy, Francis Lind, Adeline Lombardi, Rita McArdle, Florence MacDonald, Christine McNelis, Maureen Maguire, Patricia McCaffrey, Albert Moore, George Morrissey, John Murphy, Mary Nielsen, Ethel O'Brien, William O'Brien, Mildred Regan, Norman Riley, Mary Roberts.

Following the performance, those participating enjoyed a sumptuous banquet which was provided by Rev. John Sheridan, pastor of Our Lady's Church, and dancing followed.

Dionne Quintuplets at
Paramount Theatre

The first five star picture, with the greatest front page personalities in the world glorifying a dramatic story as extraordinary as their fame, the Paramount Theatre presents the Dionne Quintuplets in their first full length feature, "The Country Doctor," which comes starting Sunday for four days.

Adapted from an original story by Charles E. Blake, Chicago newspaper man "The Country Doctor" finds its drama in the life-and-death conflict that a physician eternally wages in the Canadian wilds in his unaided work. It is a story with romance, brightly alive with delightful humorous touches fresh with the antics, the crooning and the play of the world's most famous babies.

Jean Hersholt, beloved character star, is the doctor of the picture, who fights pain and ill in a Canadian fur trading post with inadequate equipment. In a sequence that is the high spot of the picture for drama and comedy, the five tiny miracles are brought to the world, and the doctor begins the fight to keep them alive.

On the same program is "Two in the Dark" with Walter Abel and Margaret Grahame.

Starting Thursday will be Jed Prouty and June Lang in "Every Saturday Night" also Lionel Barrymore and Maureen O'Sullivan in "Voice of Bugle Ann." Coming Sunday, April 26th—Fred Astaire and Ginger Rogers in "Follow the Fleet."

NEW HOUSE IN OAK HILL

VILLAGE SOLD

John T. Burns & Sons, Inc., report that final papers have passed in the conveyance of the brick Garrison colonial nine-room house located at 279 Greenwood St. in the popular and desirable Oak Hill Village district in Newton. The property, delightfully located on a spacious lot of 15,000 square feet, contains nine rooms, three baths, basement playroom, and is fitted with every modern appointment. Attached to the house is a two-car garage, and the property being new is not yet assessed. It is valued at \$16,000. Clark Realty Trust were the builders and grantors, and John Maloney of Newton purchases for occupancy.

Burns & Sons also report having sold in the West Newton district the new English cottage type seven-room home located at 25 Princess rd. With the house there is a garage and 7,000 square feet of land, and the total assessment is \$7,900. Joseph Morrison was the grantor, and John P. Madden purchases for a home.

John T. Burns & Sons, Inc., report that final papers have been passed in the conveyance of the single frame ten-room home located at 33 Central ave., Newtonville, for the Newton Savings Bank to Elizabeth A. Ray. With the house there is a garage and 11,000 square feet of land, and the total assessed value is \$8,300. Mrs. Ray purchases for occupancy.

Strike By Workers
On Oak Hill Sewer

Work on the excavating of the new sewer between Charlemont and Oak Hill has been impeded for the past week by the strike of expert tunnel workers who were employed on the job. The low bidder on this contract was Vincent Barletta of Roslindale. Much of the excavating is through rock and men experienced in mining must be employed. As the contract is under a PWA grant, 90% of those employed must be obtained through the National Reemployment Service Bureau. Those so obtained are taken from relief lists, when possible, and then from men not on relief. It is alleged that Barletta did not conform to union conditions and so the expert miners, who were union men, were called off the job. There is a controversy between union officials, Barletta, the Reemployment Service and certain WPA officials as to whether or not a strike actually exists. It is certain, however, that the union miners quit, and the excavating work has not been progressing according to schedule.

Two Persons
Bitten By Dogs

A dog owned by Justin McCarthy of 100 Randlett Park, West Newton, bit Alice Haley of that address on Saturday. The dog was examined by the city veterinarian and ordered restrained while under observation.

A dog owned by Henry Goodenough of 17 Charlotte rd., Newton Centre, was ordered restrained by the police on Saturday after William Sage of Turlington rd. had complained that the animal had bitten him.

Judge Easy With
Drunken Driver

William Burke, Buena Vista rd., Natick, was found guilty in the Newton court last Friday of driving a car while under the influence of liquor. He was fined \$50 by Judge Lynch. The fine was suspended when Burke told the judge that because of being found guilty he would lose his driving license, and thus lose his job. A charge of drunkenness against Burke was placed on file.

Our Lady H. S.

Debating News

On Wednesday, April 1, were held the Diocesan Debates between Our Lady's High School of Newton, and the Cathedral High School of Boston. Each school was represented away and at home by an affirmative or negative team. The decisions at both places were rendered in favor of Our Lady's—unanimously at Cathedral, and 2 to 1 at home. Especially honored were the members of the affirmative team to have as a judge, the Rev. D. F. Ryan, S.J., former Dean of Fordham Law School, whose criticisms were greatly valued by the members of both teams at Cathedral.

The question was, "Resolved that the Several States Should Enact Legislation Providing for a Complete System of Medical Care Available to All Citizens at Public Expense." The work of the debaters and their coach, Miss S. Theresa McCarthy, is an excellent example of the fine school spirit that prevails at Our Lady's High School.

The members of the Debating Team are:

Affirmative—John Kenna '38, Gordon O'Brien '38, Edward Callahan '37, Joseph O'Grady '36, Alternate.

Negative—J. Francis Doherty '37, Edmund Rogers '37, G. Gall Nefenger '36, Bernard McCaffrey '37, Alternate.

The final debate of the season will

be held on April 15th with the representatives of St. Mary's of Brookline.

Our Lady's Affirmative team will again

debate away; the Negative remaining at home.

Athletics

The Sophomores defeated the Freshmen 7-4 in an interclass game last Friday afternoon. In the ninth inning a Freshman rally was quelled when John Bryson struck out two men to retire the side. Infielders Cannon, Clark, and O'Brien and pitcher Deagle starred for the Sophomores while Danny Cardarelli excelled for the Fresh.

Newton H. S.

Harold Evans, graduate of Newton High School and now a student at Dartmouth College, addressed two English classes in Room 218 on Monday, April 6. Mr. Evans told of his exciting adventures and experiences during a recent sojourn in England, where he traveled extensively and engaged in automobile racing. The best part of the trip, however, was going over on a seventy-foot sloop last September, sailing from Marblehead to Halifax and then there were twenty-two days of open sea to Falmouth. He was the guest of the captain-owner, Mr. Ralph Pollard, noted English traveler and author.

Mr. B. Floyd Rinker gave the address at the National Honor Society

assembly of Wellesley High School on April 2. His subject was "Boys and Girls in English Schools."

Car Hits Child

At Newton Centre

Tony Giorgio, 5, of 33 Beecher terrace, Newton Centre was hit about 8 a. m. Tuesday on Langley rd. by a truck driven by Annibale Vozzella of Roslindale. The child, who was injured, was taken to the Newton Hospital by the driver. Vozzella reported that the boy suddenly ran off the sidewalk and in front of the truck.

—35 days' cruise on Anchor Line Steamers visiting Ireland, Scotland, Norway, Denmark, England. Leaves New York July 18; costs only \$420 third class, \$485 tourist. For further information inquire of Newton Steamship Agency, 11 Centre ave., Newton. Phone Newton North 4501.

—Among the homes to be opened on Monday, April 27, for the Benefit Bridge parties in aid of the Mother's Rest Association in Newton are those of Mrs. Richard D. Walker, Mrs. J. W. Gerrity, Mrs. Smith Peterson, Mrs. Maurice Dennison and Mrs. Clarence C. Colby. After the parties Mrs. Grosvenor B. Calkins is opening her home for tea.

—The Golden Text is: "The preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God" (I Corinthians 1: 18).

—Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new. And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation" (II Corinthians 5: 17, 18).

The Lesson-Sermon also includes the following passages from the

test.

"Germ Processing" according to Mr. Young, involves the addition of a small percentage of a patented concentrate of oiliness factors discovered after years of research during which over 1000 different combinations of matter were studied.

This addition to already fine oil imparts properties not embodied in petroleum, makes the oil more slippery, of greater load carrying capacity and by lowering the surface tension permits it to penetrate metal surfaces.

These properties are exclusive to Conoco Germ Processing Motor Oil is used in a car about one quart will go up into the vital working parts and never drain back to the crankcase even when the car stands idle for long periods of time. It was on this "Hidden Germ" that the motor ran during the test.

It seems that the first time Conoco Germ Processing Motor Oil is used in a car about one quart will go up into the vital working parts and never drain back to the crankcase even when the car stands idle for long periods of time. It was on this "Hidden Germ" that the motor ran during the test.

It seems that the first time Conoco Germ Processing Motor Oil is used in a car about one quart will go up into the vital working parts and never drain back to the crankcase even when the car stands idle for long periods of time. It was on this "Hidden Germ" that the motor ran during the test.

Johnson vs. Washington

BACK on Washington's birthday, Walter Johnson, who opened many a baseball season in our nation's capital, threw a dollar across the Rappahannock just to prove the Father of our Country could make a dollar travel a long ways.

How far can you make a dollar go?

You can be sure you'll never "fall short" if you bank part of each dollar at the Newton Centre Savings Bank.

Recent Deaths

ALBERT F. BEMIS

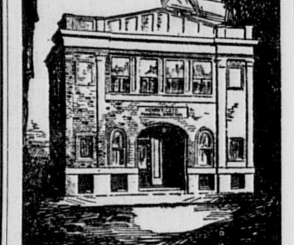

Albert F. Bemis of 40 Old Orchard rd., Chestnut Hill, died on April 11 at Phoenix, Arizona. On April 4, Mr. Bemis fell while at Grand Canyon and his heart, weakened by the high altitude, gave out. His body was cremated and the ashes were taken to Colorado Springs, to the home of his sister, Mrs. F. M. Taylor, where a funeral service was held on Wednesday.

Albert F. Bemis was born in Boston, 65 years ago. He was educated in Newton schools, Colorado College and Mass. Inst. of Technology. He became associated with the Bemis Bag Company, served as its president for years and later as a director. He was also a director of the Atlantic Gypsum Company and had formerly been associated with the Boot Mills at Lowell, and a director of the Second National Bank. From 1911 to 1914 he was a member of the Newton Board of Aldermen. He was interested in industrial housing and was regarded as an authority on housing problems. He contributed large sums toward the rebuilding of Lincoln Cathedral in England, which was reopened in 1932. Mr. Bemis had been president of the National Assn. of Cotton Manufacturers, a member of the American Academy of Political and Social Science and the National Industrial Conference Board.

He is survived by his widow, Mrs. Faith Gregg Bemis; seven children, Farwell G. Bemis of Brookline, Mrs. Faith Meem of Santa Fe, Allan C. Bemis of Wayland, Mrs. Charles G. Thompson of New York, Judson, John R., and Miss Marjorie Bemis of Chestnut Hill, and two sisters, Mrs. F. M. Taylor of Colorado Springs, and Mrs. R. H. Parsons of Seattle.

ISABELLE T. WARD

Isabelle T. Ward, daughter of Anthony and Mary (Sweeney) Ward of Ballymore, County Donegal, Ireland, died on Easter Sunday morning following a brief illness. Her funeral service was held on Wednesday at Our Lady's Church, Newton, where a solemn requiem mass was celebrated. Burial was in Calvary Cemetery, Waltham. Miss Ward is survived by her parents, two sisters and two brothers who reside in Ireland, and by two sisters who reside in this country, Mrs. Edward Peterson of Watertown, and Mrs. Edmund Sullivan of Brighton.

For the past seven years Miss Ward had been a faithful member of the household of Mr. and Mrs. C. Ray Cabot of Newtonville, where she was employed.

MARY McLUCAS

Mrs. Mary (O'Brien) McLucas, widow of Frank W. McLucas, died suddenly of heart failure on April 11 at her home, 32 Union st., Watertown. She was born in Newton 52 years ago, the daughter of Mrs. Hanora (Scannell) O'Brien, and the late Patrick H. O'Brien. She was a member of Middlesex Court, M. C. O. F. Mrs. McLucas is survived by two daughters, Norine and Louise McLucas; two sons, Willard and Henry McLucas; her mother; four sisters, Mrs. Frank McDonough of New Jersey, Mrs. J. Austin Corcoran of Cambridge, Mrs. Richard Daley of Waltham and Mrs. Edward J. Kelley of Cambridge; and a brother, George M. O'Brien of New York. Her funeral service was held on Tuesday at St. Patrick's Church, Watertown. Burial was in Calvary Cemetery, Waltham.

HARRY F. EAMES

Harry F. Eames of 84 Atwood ave., Newtonville, died on April 12. He was born in Framingham 49 years ago. Mr. Eames had been engaged in the wholesale provision business. He was a member of Bethesda Lodge of Masons, Royal Arcanum; and Faneuil Men's Club. He is survived by his widow, Mrs. Elsie (Porter) Eames; two sons, Robert P. and Bernard Eames; a daughter, Harriett L. Eames; and a brother, John E. of New York City. His funeral service was held on Tuesday at St. John's Church, Newtonville. Burial was in Edgemoor Cemetery, Framingham.

ANNIE M. POND

Miss Annie M. Pond, for many years a resident of Auburndale, died on April 6, at Brattleboro, Vermont. She taught school over a long period of years at the North End in Boston. Her funeral was postponed until her brother arrived from California. The service was held last Monday at Newton Cemetery Chapel. Rev. Harold E. Hall, of the Church of the Messiah officiated. Miss Pond is survived by two sisters, Mrs. Herbert Adams of Brooklyn; a brother, Quincy Pond, and a sister-in-law, Mrs. J. Fred Pond of Harwichport.

DELIA MITCHELL

Mrs. Delia Mitchell of 10 Chapel st., Norantum, died on April 10. She was born in Galway, Ireland, 76 years ago, and had resided in Newton for 60 years. She is survived by her husband, Edward Mitchell; three sons, Edward, Thomas and Anthony Mitchell, all of Newton; a daughter, Mrs. Charles York of Newtonville, and 17 grandchildren. Her funeral service was held on Monday at Our Lady's Church and burial was in Calvary Cemetery, Waltham.

Miss Leighton was graduated from Colby College in 1933 where she was a member of Alpha Delta Pi Sorority. She has been studying at the Boston University School of Education and is a special assistant at the Underwood School in Newton. Mr. Thomas was prepared for college at Higgins Classical Institute and was graduated from Colby College in 1933 where he was a member of Delta Upsilon Fraternity and the Varsity Club. At present he is a teacher at Higgins Classical Institute, in Charleston, Maine.

STEARNS SCHOOL CENTRE

The Brownies of the Stearns School Centre entertained their mothers at a party on Tuesday. The mothers observed three girls go through the gates to become Brownies while five members of the pack received golden bars. The three who became Brownies were Esther Negrotti, Mary McKinnon and Jean Moran while Edna Boudrot, Irene Boudrot, Teresa Crosby, Theresa Battista and Anita Carlson received their golden bars.

On Friday of this week the Rainbow Club will present two one-act plays, "Six Cups of Chocolate" is coached by Miss Janet Hale of Newton. The members of the cast include the Misses Eleanor Salvucci, Dorothy Delaney, Ruth Sadler, Angelina Bibbo, Lillian Nardone and Loretta Antonelli. Those taking part in the production "The Business Meeting" include the Misses Josephine Salucci, Lillian DeRubeis, Olinda Nardone, Angelina Bibbo, Beatrice Nardone, Margaret Sadler and Donald Colligan, Robert Nardone, Christy Fufu, Alfred Mazzilli, and Daniel DeRubeis. Miss Olga Nardone will entertain with tap dancing during the evening.

SARAH HULL CHAPTER, D. R.

On Wednesday, April 8th, Mrs. Francis Murdoch of Centre st. entertained the members and guests of the Sarah Hull Chapter, Daughters of the Revolution. The business meeting was called to order by the regent, Mrs. Daniel M. Goodridge, and following the pledge to the flag the reports of officers and committee chairman were read and approved. This being the last meeting of the season appropriations were made for the various philanthropies.

Generous sums were voted the Veterans at Rutland to the Red Cross for flood relief to the Pine Mountain School in Kentucky, to the John A. Andrews' Home in Newtonville and to the work of the National Society among the Mountain whites.

The chapter had as guests the state regent, Miss Mabel Bearse and the First Vice President General of the National Society, Miss Grace I. Gay. Mrs. Goodridge introduced the speaker of the afternoon Mr. Louis Joseph of the well known Louis Joseph Studios. Mr. Joseph chose as his subject, "Old Silver" and with many pieces of English, Irish and Paul Revere silver illustrated his very interesting and instructive talk. In the very attractive dining room refreshments were served with Mrs. Maude Gleason and Mrs. Mary Bushwell as pourers.

The hostesses for the afternoon were Mrs. Charles W. Wright, Mrs. George Agry, Mrs. J. Henry Bacon, Mrs. William F. Bacon, and Miss Emma F. Barker.

ALL NEWTON MUSIC SCHOOL
A meeting of the Board of Directors of the All Newton Music School will be held at the home of Mrs. William L. Garrison, Jr., 65 Sterling st., West Newton on Wednesday evening, April 15th. Routine business will be transacted and plans will be made for the 25th or Silver Jubilee anniversary of the School.

Miss Norma Olson, student of the All Newton Music School will be the 'cello soloist at the concert of the Newton Symphony Orchestra at the Newton High School Assembly Hall on Friday evening, April 17th. The spring vacation of the Music School which coincides with the public school vacation, begins on April 18th and continues until April 27th.

ANNUAL MEETING NEWTONVILLE IMPROVEMENT ASS'N APR. 27
Monday evening, April 27, at the Newtonville Woman's Club, Washington park, the Newtonville Improvement Association will hold its annual meeting. Reports will be made covering the activities for the year. Library trustees for the new year will be elected. Mayor Edwin O. Childs will be a speaker, and the public is cordially invited.

Newton District Nursing Ass'n.

In the effort to train for public health nursing the two student nurses from Newton Hospital who assist the regular staff nurses of the Newton District Nursing Association, Miss Hilga S. Nelson, the Executive Director, has arranged to have demonstrations each morning at the District Nursing Headquarters. In addition to the demonstrations, talks are given on nutrition and on general welfare work by executives in other agencies in the city. The work is carefully supervised by Miss Nelson.

This was but one of the activities reported at the regular monthly meeting of the Newton District Nursing Association on April 13. During the month the nurses made 1796 visits, to 788 patients; 246 patients attended the 15 clinics.

A considerable portion of the meeting was devoted to the reports of four members of the Statistics Committee, of which Mrs. Albert S. Hutchinson, of Newton Highlands, is chairman. These reports included one on the detailed cost of the use of the four automobiles owned by the Association; one on a study of the health conditions of the nation today as compared with those of 1911, and with those of 1921, one, given by Mrs. Arnold, the president, on the work of the Newton Association, as compared with its work before the depression; and one on the general trends of health association work, based in part on reports of the New York Health Association.

The immunization clinics are continuing through this month, giving preventive treatment for diphtheria and for smallpox. Miss Nelson wishes mothers of small children to know of the opportunity of having the vaccination for smallpox done at the time of the third injection of the diphtheria toxoid. The places and dates of the clinics are as follows:

West Newton Library	April 21
Twombly House	April 22
Stearns School	April 23
Bowen School	April 22

at the time of the regular conferences.

FASHION SHOW AT WELLESLEY PLAYHOUSE

A parade of attractive models in fashion's most becoming gowns will reward one for attending the afternoon and evening performances at the Community Playhouse, Wellesley Hills, on Tuesday, April 28.

The models, specially prominent in the Wellesleys, Newtons, Worcester and Wellesley College, include the following: Jerry Wisbach, Mrs. H. Piper, Louise Balch, Perry Harrison, Marjorie Collins, Nan Bowdoin, Rosalie Van Everen, Marjorie Wight, Elaine Hamlin, Mrs. H. A. Lavallee, Constance Somers, Mrs. Charles Chamberlain, Barbara Clark, Dorothy Higgins.

Lighting effects will be arranged by Mr. C. Hassler Capron of Newton Centre, and Mr. Louis Hafermehl will preside at the piano.

Louise Van Everen will companion the models with brief descriptive notes of advance spring and summer fashions. The program will include Bette Davis' prize picture "Dangerous."

NEWTON CHAPTER, ORDER OF DEMOLAY

On Saturday evening, April 11, Newton Chapter held its annual Parents' Night Banquet, at which time nearly 200 Demolays, parents and friends were present. Paul I. Buck, the Master Councilor, was master of ceremonies, and after Dad Frank M. Simmons spoke, the entertainment was furnished by the Newton Chapter Glee Band, and Miss Jeanne Budding. Monday morning, April 20th, the Newton Chapter Patrol will march in the Patriot's Day Parade in Lexington as the guests of Battle Green Chapter.

Legal Notices

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by EDWARD T. DORAN and MARGARET DORAN, husband and wife, as tenants by the entirety, to the REVERE TRUST COMPANY, dated December 17, 1930, and recorded with Middlesex South District Deeds, Book 523, Page 508, of which mortgage the undersigned is the present holder by virtue of an assignment from said Revere Trust Company to it, dated December 9, 1933, and recorded with said Deeds, Book 572, Page 2, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at Public Auction, at ten o'clock, A.M., on the twelfth day of May, A.D., 1936, on the premises, all and singular the premises described in said mortgage, to wit: "A certain parcel of land with the buildings thereon situated in that part of Newton called Waban, in Middlesex County, said Commonwealth, bounded and described as follows: 'Easterly by Chestnut Street sixty (60) feet; Northerly by a part of Lot 9 as shown on a plan hereinafter described, seventy seven and 13/100 (77.13) feet; Westerly by the remaining part of Lot 10 on said plan sixty (60) feet; and Southerly by a part of Lot 11 as shown on said plan seventy six and 51/100 (76.51) feet.'"

Being a part of Lot 10 as shown on a plan entitled "Plan of Land in Newton," dated August, 1923, Dana F. Perkins, C.E. recorded with Middlesex South District Deeds, in Plan Book 31, Plan 30." Said premises will be sold subject to all unpaid taxes, tax titles, municipal liens and assessments, if any there be. TERMS OF SALE: \$500.00 will be required to be paid in cash by the purchaser at the time of sale and the balance in ten (10) days from the day of sale at twelve o'clock noon at the office of the Revere Mortgage Loan Company, 12 Norfolk Street, Cambridge, Massachusetts. Other terms to be announced at the sale. REVERE MORTGAGE LOAN COMPANY By Harold T. Erie, President (Present holder of said mortgage).

MORTGAGEE'S SALE OF REAL ESTATE

Pursuant to the power of sale contained in a certain mortgage deed given by Bonelli-Adams Co., a corporation duly established by law in Massachusetts, to the Institution for Savings in Roxbury and its vicinity, a corporation duly established by law in Boston, Suffolk County, Massachusetts, dated December 20, 1922, recorded with Middlesex South District Deeds, Book 4579, Page 121, for breach of the conditions of said mortgage deed and for the purpose of foreclosing the same, will be sold at public auction, on the premises hereinafter described, on TUESDAY, the twelfth day of May, A.D., 1936, at TWELVE O'CLOCK NOON, all and singular the premises conveyed by said mortgage deed, therein set forth as follows:

"All that land with the buildings thereon situated in that part of Newton, Middlesex County, Massachusetts, called West Newton, shown as Lot 67 on a plan by Ernest G. Rowell, Civil Engineer, of 'Wauwinet' land, dated September 19, 1922 and recorded in the Middlesex South District Registry of Deeds, Plan Book 313, Plan 4, and according to said plan containing 8748 square feet and bounded and described as follows: 'SOUTHWESTERLY on Colbert Road, eighty-two and 78/100 (82.78) feet; NORTHWESTERLY on Lot 66, one hundred twenty-one and 11/100 (121.21) feet; NORTHEASTERLY on Lot 84, one hundred and seven and 52/100 (107.52) feet; and SOUTHEASTERLY on Lot 57, seventy-one and 69/100 (71.69) feet. TOGETHER with all heating, lighting and plumbing fixtures and fittings, ranges and all other fixtures which are or may hereafter be attached to or belong to said premises, and the grants, covenants that no such property has been or will hereafter be purchased on conditional contract of sale."

Said premises will be sold subject to any tax sales, unpaid taxes or other municipal liens or assessments whatsoever. TERMS: The purchaser will be required to pay the sum of five hundred dollars (\$500.00) in cash or by certified check at the time of sale, and the balance in cash or by certified check within fifteen (15) days thereafter on delivery of the deed, other terms to be announced at the sale.

WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

Officers Elected And Year's Work Summarized

The Waban Woman's Club held its Annual Meeting last Monday afternoon in the Neighborhood Club House, closing its fortieth year.

Dessert was served informally at 1:30 p. m. The business meeting and election of officers followed. Mrs. Arthur W. Davis, recording secretary, read an interesting report covering the work of the Club as presented by the various committee chairmen and consolidated into one report.

The Club had a full membership, with a waiting list of twenty. Twelve meetings have been held, with an average attendance of 166. Three special activities of the year have been the Philanthropic Bridge held on December 9th, which netted \$460.00; the Knitwear Show and Ford Sale on March 23rd, which added \$145.63 to the Charity Fund; and the Arts and Hobbies Exhibition on April 5th. This Exhibit was attended by more than 1,000 people and was greatly enjoyed, as well as proving to all what a great number of clever neighbors they have.

The Christmas Seal campaign, Mrs. R. Jackson Crane, chairman, netted \$575.35. The Literature committee sponsored three lectures on Current Books, given by Dr. Miriam F. Skirball, and attended by about eighty people. The Civics committee has served at the Hospital Thrift Shop on the third Wednesday of each month, and also served the Christmas Eve Supper to the thirty postmen who were struggling with the Christmas mail at the Waban office.

The Education committee has served as a clearing house in educational matters between home and school, and has also sponsored a series of talks on Measurement of Ability and Educational Guidance, given by Mr. C. E. Drake, Director of Research and Guidance in the Newton Public Schools.

The Music committee arranged for the excellent Musicals on the opening day of the Club year and later sponsored a series of fine "Lectures on Symphony," by Mr. George H. L. Smith, with an average attendance of sixty-five.

The important bills pending before the Massachusetts State Legislature have been presented to the Club by the chairman or members of the Legislative committee, from time to time. They also reported that 92 per cent of the Club members voted at the November election.

The Art committee has been continuing the Classes in Painting under the direction of Mrs. Esterbrook, and also sponsored a series of four lectures in "Home Decoration," by Mrs. Elsie Chamberlin.

The Drama committee has held six group meetings at which the "History of the Theatre" has been studied, and a short play was given at the home of Mrs. Herbert Cotton, of Collins road, which was enjoyed by about sixty Club members.

The treasurer's report showed that \$985.00 was given to various charities, including \$400.00 to the Community Chest.

The Club Scholarship of \$200.00 was awarded to Miss Barbara Cheney, who plans to enter Bradford Junior College in the fall.

The following officers were elected for the year 1936-1937: President, Mrs. Herbert W. Smith; first vice-president, Mrs. George M. Belcher; second vice-president, Mrs. John T. Croghan; recording secretary, Mrs. Ernest A. Hale; corresponding secretary, Mrs. Pauline H. Putnam; treasurer, Mrs. Russell Burnett; assistant treasurer, Mrs. Ralph Evans; director (for three years), Mrs. Edward H. Woods; and Nominating committee, Mrs. Roy E. Argersinger, Mrs. Robert W. Moore, Jr., and Mrs. Wilson G. Smillie.

The business meeting was followed by the singing of a group of songs by Mrs. L. Walter McMillan, accompanied by Mrs. S. Musgrave.

As a fitting climax to a delightful afternoon, the Drama committee presented the lively one-act play "Gay Ninety," which depicted "Grandma," 90 years young, driving her own automobile, taking her first airplane ride, and otherwise enjoying the things her young grand-daughter did, thereby shocking her own old friends.

The play was cleverly done by the following: Mrs. George M. Belcher, Miss Virginia Codman, Mrs. Thomas S. Derr, Miss Frances Hathaway, Mrs. Joseph C. MacDonald, Mrs. Kenneth S. Nugent, and Mrs. Sydney C. Wiggin.

Auburndale Woman's Club

The Auburndale Woman's Club closed a most successful and happy year with its Annual Meeting, held Tuesday, April 14th, at the Abner Wheeler House, Framingham. About 150 members and guests attended the luncheon which was held on the terrace of this interesting old house.

After the very delicious luncheon, a one-act play, "A Woman's Privilege," was presented. This was a clever portrayal of a busy clubwoman, who thought for a few fleeting moments that she should give up her numerous activities and have time to "invite her soul." Fortunately, she discovered just in time how drab and uninteresting a woman becomes without outside interests.

The Club members who took part were Mrs. John E. Wheelock, Mrs. George N. Slegars, Mrs. Joseph A. Otis, Mrs. Strabo V. Cloggett, Mrs. James J. Feerick, Mrs. John H. Harding, and Mrs. Edmund L. Wilson. The play was directed by Mrs. Herman Krueger, chairman of the Day.

COMING EVENTS

Apr. 18. State Federation, Radio Broadcast, Station WBZ, 11:30 a. m. Speaker, Mrs. Grace Conklin, poet, and member of the faculty of Smith College.

Apr. 20. Auburndale Woman's Club, Garden Club.

Apr. 21. West Newton Women's Educational Club, Garden Club, Annual Meeting.

Apr. 21. Newtonville Woman's Club, Annual Meeting.

Apr. 22. Social Science Club, Annual Meeting.

Apr. 22. Auburndale Review Club, Annual Meeting.

Apr. 22. Newton Centre Woman's Club, Literature Study Group.

Apr. 23. Newtonville Garden Club, Annual Meeting.

Apr. 24. West Newton Women's Educational Club, Annual Meeting.

Apr. 27. Newton Community Club, International Study Class.

Apr. 27-May 1. General Federation, Council Meeting, at Miami, Florida.

After the entertainment, the Annual Reports of all the committees were read and accepted. Mrs. Ernest F. Drew, of the Nominating committee, read the results of the balloting which had taken place both at the Auburndale Club House and at the Abner Wheeler House, previous to the luncheon. All the officers of the past year were re-elected for a second term: President, Mrs. Edward B. Gray; first vice-president, Mrs. James Dunlop; second vice-president, Mrs. Herbert Farrier; recording secretary in place of Mrs. Joseph Appelt, who has already served her two terms; Mrs. George W. Armstrong; corresponding secretary, Mrs. Frederick Y. Briscoe; and treasurer, Miss Anne Bunker.

The new directors for 1936-1937 are Mrs. Charles A. Brown and Mrs. Henry F. Keefer. It is interesting to note that Mrs. Brown was one of the founders and the first president of the Auburndale Woman's Club.

The new members of the Nominating committee are Mrs. Theodore W. Dearborn, Mrs. Sylvanus Smith, and Mrs. Arthur L. Shaw.

A motion was also passed to send a letter of thanks to Mrs. Walter S. Wells, in recognition of her two outstanding "Activity" programs during the year. The president, Mrs. Gray, also thanked Mrs. John I. Heibek for her splendid work as Program chairman.

Mrs. Ralph A. Balch, chairman of the Hospitality committee, and Mrs. Ashley L. Wright, vice-chairman, were in charge of the arrangements for the day.

Annual Meetings

Auburndale Review Club

The Auburndale Review Club will hold its Annual Meeting at the Abner Wheeler House in Framingham on Wednesday, April 22nd, at 11 a. m. Members should note the change in date from the usual day, Tuesday, to Wednesday.

Newtonville Woman's Club

April 21st is the date for the Annual Meeting and Luncheon of the Newtonville Woman's Club. The time for balloting for the new officers and directors will be from 12 noon to 12:45 and from 2 to 2:15 o'clock in the afternoon.

Annual dues for 1936-1937 may be paid to the treasurer at this meeting.

The Social committee, of which Mrs. James D. Elmhurst is chairman, has arranged the luncheon which will be served by a caterer, and has set April 18th as the last date for reservations or cancellations.

After the business of the Annual Meeting, which will open at 2:30, the entertainment will consist of a one-act play entitled "Elizabeth's Young Man," to be given under the direction of Mrs. Edwin P. McGill, chairman of the Drama committee, and of selections by the Glee Club, accompanied and directed by Mr. William Ellis Weston.

The Annual Meeting will be a particularly happy occasion this year. A special committee has been formed and plans are nearly ready so that an announcement will be made soon of the date for a celebration, probably in May, when the mortgage will be burned.

Newton Community Club

The Annual Meeting of the Newton Community Club will take place at Channing Church, on Thursday, April 23rd.

The business meeting and election of officers will be held at 11 a. m. Luncheon will be served at 12:30, followed by a lecture by Marion Lyndon, entitled "Clothes For This Season."

Mrs. Lyndon, a graduate of Smith College, has also received degrees from Harvard, and Simmons. She has served as executive and stylist of Department Stores, on the Staff of the Boston Herald as Society and Fashion Editor, and is now stylist for the R. H. Stearns Company. She will bring an assistant, who will model the correct styles for spring and summer, and modes for every type will be shown. Her timely topic will also include information on how to solve the problem of making a wardrobe fit today's pocketbook.

Mrs. Edward O. Loring announces a Trip to the Bird Sanctuary at Sharon, if enough interest is shown by Club members, the date to be set later. Any interest should call Mrs. Loring, Newton North 6312.

The next meeting of the International Study Class will be held at the home of the committee chairman, Mrs. LeRoy P. Guion, 159 Oakleigh road, Newton, on April 27th, at 10 a. m. Mrs. Harold Higgins, a member of the Club, will talk on "Russia and Italy."

West Newton Women's Educational Club

The Annual Meeting of the West Newton Women's Educational Club will be held on Friday, April 24th, at 12:30 p. m., at the Brae Burn Country Club, West Newton.

Mrs. Carl Thomas and her committee: Mrs. Roy A. Stinson, Mrs. B. Webster Anders, Mrs. Francis H. McCrudden, Mrs. Charles E. Gibson, Jr., Mrs. Louis A. Myers, Mrs. Raymond R. Forts, and Mrs. Percival Waters, are in charge of the afternoon's entertainment. Mrs. Myers and Mrs. Gibson are in charge of the sale of tickets for the luncheon. The entertainer will be Miss Esther Bowman of the Leland-Powers School, who will give "Readings and Pianoliques."

The Garden Club of the West Newton Women's Educational Club will hold its Annual Meeting on Tuesday, April 21st, at 12:30 o'clock, at the home of Mrs. Herman R. Place, 167 Neholden road, Waban. Mrs. Ernest A. Dockstead will be the assisting hostess.

Mrs. George A. Sweetser is to be the speaker for the afternoon, and her subject will be "Roses and Rose Gardens."

Mrs. Percival Waters, the chairman of the Garden Club, will be in charge of the program for the day.

The Travel Class of the West Newton Women's Educational Club met at the home of Mrs. G. Howard Frost, 290 Fuller street, West Newton, on Monday, April 13th, Mrs. Arthur M. Tenlon was the hostess and Mrs. Everett L. Upham assisted her. Mrs. Upham read a paper on "Brussels," and Mrs. Malcolm A. Warren read a paper on "The People and Social Customs of Belgium."

Various Events

Social Science Club

The next meeting of the Social Science Club will be held in the Parlors of Channing Church on Wednesday, April 22nd, at 10 a. m.

Miss Doane will speak, her subject "An Intimate Story of Jewels in History, Fables, and Life."

The hostesses will be Mrs. Frank F. Lawson and Mrs. Philip Nichols.

Newton Centre Woman's Club

The last meeting of the Literature Study group of the Newton Centre Woman's Club will be held on Wednesday, April 22nd, at 2:30 p. m., at the home of Mrs. Charles Arbuckle, 46 Cedar street. The subject will be "Post-Freud," Chapter 14, Swinerton. Mrs. Lloyd Allen, Mrs. Thatcher Hollis, Mrs. Leroy Gould, and Mrs. Gardner Walworth will be the leaders for this meeting.

Newtonville Garden Club

The Newtonville Garden Club will hold its meeting at the home of Mrs. Florence Orr, 255 Mill street, Newtonville, on Thursday, April 23rd, at 10 a. m.

Garden Federation slides of "Member's Gardens" will be shown, and Club members will read "Garden Poems," some of which will be original.

Newton Community Club

Members of the Newton Community Club enjoyed a delightful program of music and flowers on Thursday, April 9th. Following the business meeting, the president, Mrs. Alfred Handley, introduced Howard Harrington, Tenor, and Edwin Biltcliffe, Pianist. Mr. Harrington, who possesses an unusually sympathetic voice, ably sang and interpreted three groups of songs. His accompanist, Mr. Biltcliffe, an accomplished concert pianist, also gave two groups of piano solos. The well-selected program, which started with "Ay-Ay-Ay," by Freire, and ended with "L'Amour, Toujours L'Amour," by Friml, covered favorite compositions by many composers of different types of songs and music. Two selections, near the end of the recital, which won much applause were "Miniature," composed by Mr. Biltcliffe, and "Shepherd of Dreams," by Mr. Harrington.

The Music committee, Mrs. Ray E. Eustace, chairman, sponsored the Musical, and the Conservation committee, Mrs. Edward O. Loring, chairman, was in charge of the very attractive Flower Show. The awards in this were as follows:

Class 1. Dining-table Decorations: First, Mrs. Mason H. Stone; second, Mrs. William Duncan Reid; third, Mrs. Arnold Barker.

Class 2. Arrangement of Flowers in Containers: First, Mrs. Joseph Gerrity; second, Mrs. Joseph Gerrity; third, Mrs. Everett E. Kent.

Class 3. Arrangement of Flowering Shrubs: First, Mrs. Louis M. Spear; second and third, Mrs. Joseph Gerrity.

Class 4. Garden Flowers Grown by Exhibitor: First, Mrs. Alfred Handley; second, Mrs. Everett E. Kent; third, Mrs. Joseph Gerrity.

Class 5. Wild Flowers: First, Mrs. George W. Wyman.

An interesting Exhibit of Antiques, which included d'aguerreotypes, lace, jewelry, silver, pewter, and many other articles, was in charge of the Art committee, Mrs. Edgar G. Lehmann, chairman.

Mrs. Malcolm Green, vice-chairman of the International committee of the State Federation, spoke interestingly on a peace movement in which the United States and sixty-one other Nations renounce the use of war as a

Aldermen Vote To Retain Public Works Office

(Continued from page 1)

he moved that the Director of Public Works items be laid on the table until the Board had conferred with the Mayor. After a discussion, it was agreed that it would be more expedient to pass the items in conjunction with the rest of the budget and Akins withdrew his motion. The aldermen who voted to pass the appropriation included—Barwise, McCabe, Hill, Schipper, Bowen, Hutchinson, Floyd, McKay, Walker, Goddard, Jamieson, Inches, Melcher, Rawson and Colby. Those who voted in the negative were—Akins, Cronin, Brockelsby, Guzzi and Temperley. Alderman Lyon was absent.

The Finance Committee had made drastic reductions from the amounts recommended by the Mayor for care and maintenance of schools and other public buildings. Alderman Temperley took exception to these cuts and spoke at length to show that the amount recommended by Public Build-

ings Commissioner Hageman and the Mayor were necessary. His arguments were unavailing and over \$13,000 less was appropriated for this purpose than the Mayor recommended. One of the arguments regarding the Public Buildings Department budget involved an increase in wages for the janitresses at City Hall. The Mayor asked that the wages of these four women be increased from \$14 to \$15 per week. It was brought out that the women had asked for the small raise. The Buildings Commissioner had not approved the Mayor had. Alderman Guzzi said that the Commissioner would not approve this small increase for the janitresses, but asked a \$400 increase for himself. Another long argument was over \$250 to furnish a large room at police headquarters for the captain. When the building was erected a few years ago it included this well lighted corner office for this specific purpose. The room has never been equipped, the captain has to use a poorly lighted office, together with the lieutenants. The Mayor and Public Buildings Committee recommended \$250 to equip the room. The Finance Committee was ultra economic on this matter and disapproved. The Board voted to sustain the committee.

Further details of the budget appropriations will be given in next week's issue of the GRAPHIC.

Cooking School Opens at Newton Corner

The "Kitchen Clinics," sponsored by the Brown Radio & Appliance Corp., opened last Thursday, April 9, at Bay State Hall, Newton Corner, with a large attendance of enthusiastic women of Newton and adjacent towns. Demonstrations in Cookery, Baking, Meal Planning, etc., were given by Kitchen Experts.

A series of lectures and demonstrations will be held on Thursday afternoons at 2 o'clock during the next few weeks. Kitchen problems are discussed and much valuable information for the housewife can be obtained at these novel meetings.

Upon entering the hall each person is given a card to be filled in and left with the attendant at the door. During the meeting the cards are drawn

and many valuable prizes are distributed to the lucky women. Last week's prizes included a Silco Coffee Maker, an Electric Iron, a General Electric Clock, two \$15 merchandise orders, two \$10 orders and four \$5 orders.

For the convenience of readers who plan to attend the next clinic, the GRAPHIC prints below a coupon which may be filled out in advance and left at the door for prize drawings.

Mr. Brown of the Brown Radio & Appliance Corp. stated: "I wish I could impress upon the Newton women that these meetings are being conducted solely for their instruction and entertainment. They are not asked to buy a thing. We are simply rewarded by the interest they show by their attendance, in modern housekeeping methods and practices."

SPECIAL COUPON FOR GRAPHIC READERS

This coupon when filled in with name and address may be left with the attendant at the door of BAY STATE HALL, 378 Centre St., Newton Corner, at the next regular meeting of the

Chestnut Hill Youth Killed In California

Randolph Tucker, Jr., 21, formerly of Hammond street, Chestnut Hill, was killed last Saturday night near El Centro, California, when the car he was driving collided with an oil tank truck. An explosion resulted, the vehicles burst into flames, and the youth was engulfed in the fire. A youthful hitchhiker who had been given a lift by young Tucker was hurled clear of the wreckage and acquainted authorities with the victim's identity.

Randolph Tucker, Jr., was born at Chestnut Hill, the son of Randolph and Mona (House) Tucker. His mother's father was Col. Edward L. House, confidential advisor of President Woodrow Wilson. The youth graduated from Dummer Academy, South Byfield in 1933 and then went to Mexico to engage in mining activities. He had taken three weeks' vacation and was motoring from Mexico to California to join his parents who were on a visit to that State. A memorial service for him will be held this afternoon at 4 in the chapel at Dummer Academy. He is survived by his parents, a sister, Mrs. Hamilton Warren of Boston; and an aunt, Mrs. Gordon Auchincloss.

Eugene Fanning Gives Address

(Continued from page 1)

The Newton High School was not built at that date so Mr. Fanning continued his education at Mr. Hunt's School, the Crystal Academy, which was on Lake avenue, Crystal Lake, Newton Centre. Mr. Fanning is a member of the Board of Trustees of the Newton Centre Savings Bank and the Newton Savings Bank. He was also a member of the Newton Common Council 50 years ago.

The members of the 2nd Baptist Sunday School gave a birthday party in his honor upon his birthday March 17 at which a large cake with 94 candles burning was presented to him and shared by his scholars.

His favorite trip of the year is a journey by auto accompanied by his brother, Mr. Frank Fanning, age 82 years, to their old homelands at Jewett City, Conn., which he enjoyed in September. He is always welcomed by the friends of the Baptist Church in Norwich, Conn., where he gave a talk upon his recent visit.

Mr. Fanning is in perfect health, reads fine print without the aid of glasses, walks without a cane and is always at his place of business at the Fanning Printing Company at 8 a. m. every morning and working the regular shop hours. He resides at 71 High street, Newton Upper Falls.

Scouter's Keys Awarded Three

(Continued from page 1)

stant district commissioner. In 1931 he became Scoutmaster of Troop 5 of Newton Highlands which position he still holds. For a number of years he has assisted the Council as instructor of the oldest troop, scoutmaster of the oldest troop in the Council as the troop will have completed 25 years service at the end of this month.

Mr. Hilliard, affectionately known to the boys in the Council as "Pop" has served as scoutmaster of Troop 2 of Auburndale for 25 years, assuming leadership in 1916 and serving in that capacity since.

Karalekas Freed On Arson Charge

The cases against William Karalekas, Mrs. Florence Karalekas and Mrs. Katharine Karalekas charged with arson in connection with a fire in the fruit market at 1345 Centre st., Newton Centre on the night of February 27, were not pressed last Friday by the district attorney's office at Cambridge. Asst. District Attorney Hugh Boyd was in charge of the cases. The reason given for the not pressing was lack of evidence to show that the three defendants were guilty. The three defendants own and operate the market and the building in which it is conducted. Because of apparently suspicious circumstances in connection with the fire, Chief Randlett of the Newton Fire Department notified the State Fire Marshal's office, Inspector Shumway made complaints.

Federal Housing Clinic At City Hall Wednesday

An Insured Mortgage Clinic will be held in Newton on Wednesday and Thursday, April 22 and 23, under the auspices of the Federal Housing Administration, for all property owners and builders of Newton and vicinity at the Newton City Hall, Commonwealth ave. from 9 A.M. to 5 P.M.

On Wednesday and Thursday, Edward J. Siney, Field Representative of the Federal Housing Administration, Ruppert C. Thompson, General Chairman of the Newton Better Housing Committee, together with a staff of experts from the state headquarters at Boston, will be in attendance to inform the public—home owners, householders desiring new homes, the building industry, and bankers—regarding the details of the Insured Mortgage Plan.

Down Among the D's
It is strange how many of the gloomy words in the English language commence with the letter "d"? For instance, observes a writer in Pearson's Weekly: Depress, disease, demon, dull, doom, dread, dole, damn, dumps, dirt, dark, dragon, drop, despair, defeat, desolate, disaster, devil, dirge, death, dungeon.

WOMEN'S CLUBS

(Continued from Page 7)

means of settling disputes. She read a "People's Mandate" which she asked Club members to sign.

The refreshments were in charge of the Social committee, Mrs. Frank G. Dennison, chairman, and the hostesses were Mrs. David Black, Mrs. George R. Strandberg, and Mrs. Raymond B. Laddo.

Newtonville Woman's Club

All business was postponed at the regular meeting of the Newtonville Woman's Club on April 7th, and the president, Mrs. H. Clayton Pearson, turned the meeting over to Mrs. Randolph S. Merrill, chairman of Music. Mrs. Merrill presented the popular and well-known Yankee Singers of Station WNAC. Mr. Earl Weidner, Pianist and Arranger; Mr. Clifton Johnson, First Tenor; Mrs. George Wheeler, Second Tenor; Mr. Melvin Crowell, Baritone; and Mr. Walter Kidder, Bass.

The following colorful and beautiful program, in which the singers, who were most generous with their encores, were called back to the platform many times, included "Lochinvar," by Hammond, sung by The Quartet; "Lido," by Curran, sung by Mr. Wheeler; "Song of Songs," by Moyet; "Careless Love," by McLeod; "One Alone," by Romberg; all by the Quartet; Piano Solo, by Mr. Weidner, "Grand Waltz Brillante in A-flat," by Chopin; "Old Man River," from "Showboat"; "Hills of Home," by Fox; "Lift Thine Eyes," by Logan, by the Quartet; "The Glory Road," by Wolfe, Mr. Kidder; and Medley of Victor Herbert Favorites, arranged by Earl Weidner, sung by the Quartet.

Tea was served by the Hospitality committee, in the Social Hall, after the concert.

In co-operation with Boston Art Week, Mrs. Frederick W. Ried, chairman of the Art committee, arranged a splendid exhibit of crayon and pen-work from the Newton High, the Horace Mann, the Claffin, and the Frank A. Day schools. This exhibition attracted much interest and a large crowd visited the Gallery. Among some of the exhibits which drew special attention were charcoal drawings from casts, and "Afternoon Gown," inspired by the Egyptian, from the High School.

From the Day School there were beautiful designs of wall-paper, also lovely still life. From the Mann School there were some splendid Japanese pictures beautifully colored; also "The Cliff" at Gay Head, attracted attention. From the Claffin School there were drawings in color by pupils 10 and 11 years of age, which received much praise. "The Covered Wagon," and the "New Bedford Whaler" were among these.

The Gallery was filled with interesting works of art which showed exceptional talent.

In the centre of the room there was an exhibition of old and foreign dolls.

Pav Fines For Not Driving Carefully

Several autoists were fined \$5 each in the Newton court on Monday by Judge Allen for not slowing down at street intersections. Patrolman John F. Foley was the complainant and the location on Washington st. where he apprehended the offenders has been the scene of fatal automobile accidents. Among those fined were: Harry Kingston, 139 Grove st., Watertown; John Shea, 24 Middle st., Newton; John Ham, 872 Watertown st., West Newton. A similar case against Gage Olcott, 119 Gramercy st., Newton, was dismissed. Frank Vincenzo of 280 Adams st., Newton, was fined \$5 for driving by a traffic signal in a direction other than that permitted by the signal.

State Dept. of Education Newton Library, April 22

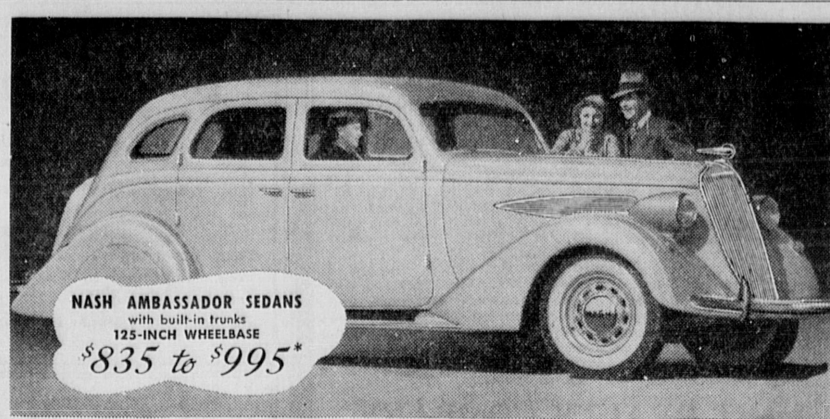

Men and women in Newton and vicinity who would like to obtain complete information about State University Extension correspondence courses are invited to attend a meeting which the State Department of Education will hold in this City Wednesday, April 22, at the Newton Free Library.

This information service is being held throughout the state for the fifth year in order to acquaint more men and women with the extensive opportunities for spare-time study provided by the more than 250 University Extension home study courses. John Clarkson, State supervising instructor, will talk about courses with adults. Interested persons are invited to confer with Mr. Clarkson in the afternoon between 3 and 5 o'clock and in the evening between 6 and 8 o'clock.

The information available will cover a variety of opportunities in a great variety of subjects, ranging from courses of college grade to very elementary subjects. These include academic courses in English composition and literature, short story writing, history, economics, and foreign languages.

In the business field, courses are offered in bookkeeping and accounting, business management, salesmanship, advertising, psychology, commercial art, clerical and stenographic preparation, law, economics, and civil service preparation.

For men interested in engineering training, courses are available in mechanical, electrical, highway and hydraulic, textile, aeronautical, automotive, and structural engineering. Courses in air conditioning, refrigeration and mechanical drawing are also included in this general classification. Men and women who are unable to consult with Mr. Clarkson may obtain further information concerning home study courses by writing to University Extension, State House, Boston.

NASH AMBASSADOR SEDANS
with built-in trunk
125-INCH WHEELBASE
\$835 to \$995*

"ONE OF AMERICA'S MOST DISTINGUISHED MOTOR CARS"

If you hope to get a really fine car for less than \$1,000...

- Ask* {
1. Has it the comfort and luxury of a 125-inch wheelbase?
 2. Has it fine-car engineering throughout?
 3. Is the advertised price the price of the sedan?

• The Nash Ambassador for 1936 is even more beautiful, even more luxurious, even stronger and safer than models formerly priced around \$2,000! Yet these 125-inch wheelbase sedans are now priced from \$835 to \$995 at the factory!

The Nash Ambassador is not a "scaled-down" model in any sense. There has been no "skimping" in upholstery or in fittings. The Ambassador has the famous Nash "Twin-Ignition" engine and all of the vital, long-life engineering features usually found only in the most expensive cars. It gives you the protection of big, double-acting hydraulic brakes, too, and a rugged, all-steel body with steel top!

If your choice of a car in this price class is based on facts alone, you will drive a Nash Ambassador this year! Any Nash-LaFayette dealer will arrange a demonstration for you. The Nash Motors Company, Kenosha, Wisconsin.

AUTOMATIC CRUISING GEAR available at slight extra cost. Reduces engine revolutions $\frac{1}{2}$ at high speeds. Minimizes wear on moving parts. Saves up to 25% in gas; up to 50% in oil!

NASH AMBASSADOR

(at the factory, New Nash "400", Standard and DeLuxe models, \$665 and up. LaFayette, \$595 and up. All prices f.o.b. factory and subject to change without notice. Special equipment extra. Convenient, low monthly payments through NEW 6% C. I. T. BUDGET PLAN)

August Osterlund, Inc.

How the Nash Ambassador compares with its 4 leading competitors

CAR	WHEELBASE	PRICE RANGE
Nash	125 inches	4-DOOR SEDANS*
Cadillac	118-122 "	\$885 to \$995
Chrysler	118-121 "	\$885 to \$1090
Cord	115-121 "	\$875 to \$1045
Dodge	120 "	\$820 to \$935
		\$1115

*WITH TRUNK
CAUTION: An advertised price is often for the smallest coupe in the line—and not for a sedan!

Automobile Accidents

Ruth Stanwood of Great Plain ave., Needham, received a gash on her forehead about 4:30 a. m. Sunday when she fell asleep at the wheel of a car she was driving on Centre st., Newton Centre opposite Sacred Heart Church. The car hit a pole. Mrs. Stanwood was taken to the Newton Hospital by a passing autoist.

Cars driven by Dominic Bartolomei, 36 Dalby st., Nonantum and T. B. Whiteside of Medford collided at Washington and Walnut sts., Newtonville on Saturday afternoon. J. R. Templeton of Medford, riding with Whiteside, reported he received an injury.

A car driven by John Taylor, 18, of 41 Dorset rd., Waban, hit Alba Signore, 19, of 388 Boylston st., Newton Centre on Saturday night as the girl was crossing Beacon st. near Langley rd. Miss Signore was taken to the Newton Hospital for treatment.

Morgan Memorial Gives Free Legal Advice to Poor

A report just made public shows that Morgan Memorial through its Welfare Bureau provided free legal advice to seven hundred individuals in 1935. For many years this well-loved Boston organization—the work of which has been copied in 97 other cities in the United States, and in 15 foreign countries—has given free legal help to thousands of distracted and impoverished people who have had no money.

ZOTOS PERMANENT, THE MACHINELESS WAVE

Madame Anderson, hair and beauty shop, 171 Charlesbank rd., here in Newton, are licensed operators of the new Zotos machineless permanent wave. The hair is simply wound on a curler and wrapped in a pad. It works like magic, producing in a few minutes, without electricity or hot iron, a beautiful and lasting wave.

Madame Anderson has three operators handling Zotos exclusively. She has been a hair specialist at the above address for 30 years.

Mayor Childs and Aldermen Discuss Director Of Public Works Office

Aldermen Praise Director Richard Ellis—Mayor Would Appoint Thos. W. White

Tuesday evening the Board of Aldermen, as committee of the whole, and Mayor Childs met at City Hall and discussed the question of retaining the office of Director of Public Works, and continuing in office the present director, Richard Ellis. The Mayor, in submitting his budget recommendations for 1936 only provided \$3085.42 for the expenses of the office in question, which would cause this office to be discontinued the last of this month. Mr. Ellis' figures for the expenses of the office, including his salary of \$6000, totaled \$10,140. The Finance Committee of the Aldermen made the same recommendation as did Mr. Ellis, and at the preceding meeting of the Aldermen the Board voted 15 to 5 to appropriate the \$10,140, thus overriding the Mayor's failure to provide for the continuance of the office.

At the "get together" between the Board and the Mayor on Tuesday evening, President Floyd of the Board and Aldermen Bowen, Hutchinson and Walker praised the services which Mr. Ellis has given to the city since he was appointed Water Commissioner in 1930 and since he was made Director of Public Works in 1934. Mayor Childs reiterated his belief that the office has no legal status and that the Director serves only in the capacity of an advisor to the Mayor. Mr. Childs stated that from investigation he has made since assuming office, it appears to him that the departments which come under the supervision of the Director of Public Works have not all been conducted as economically during the past several years as they should have been. The Mayor told the Aldermen that he expressed his attitude by not recommending an appropriation to continue the office, but since the Aldermen took action to keep this office functioning, he should have the right to select his own advisor. The Mayor said that he believes Thomas W. White would make an efficient Director of Public Works.

One of the Aldermen raised the point that Mr. White is not an engineer. The Mayor replied that the city has a competent City Engineer. Another Alderman asked if Mr. White has had any experience in city planning? The Mayor answered that the city has had an efficient Planning Board for many years. Mayor Childs told the Aldermen that Mr. White has

had unusual experience as a member of city and State governments and that his ability was recognized by several Governors of Massachusetts who appointed him to direct the administrative and personnel divisions of this Commonwealth. The Mayor stated that in his belief, the experience Mr. White gained in these positions qualifies him not only to capably serve in an advisory capacity as Director of Public Works, but also to investigate the conduct of city departments for the past several years, correct conditions which tend toward inefficiency and prevent wasteful methods.

No action was taken by the Board at its meeting following the conference with the Mayor. If Mr. Ellis does not resign, or is not asked to do so by the Mayor, he can be continued in the office. Should the Mayor appoint Mr. White to succeed Mr. Ellis, the former would have to be confirmed by a majority of the Board of Aldermen.

Man's Head Pinned Under Truck Body

Nicolas Battista, 46, of 11 Murphy court, Nonantum, was seriously injured last Friday afternoon when his head was caught under a truck body at Wellesley. Battista was operating a truck which was dumping filling on Emerson st., Wellesley. The hoisting apparatus on the truck stuck and as Battista was freeing it, the gear slipped and the body of the truck lowered, pinning Battista's head. Wellesley police were summoned and extricated the man. He was taken to the Newton Hospital where he was in a serious condition for several days.

Lenient With Harvard Student

Judge Allen was lenient with a Harvard student in the Newton court last Friday. Thomas Jones was charged by Patrolman Eliot with speeding and driving a car without proper lights. The first charge against Jones was placed on file. On the second charge Jones was fined \$5.

Harold Moore Died Suddenly Today

Harold Moore of 222 Church st., Newton, member of the firm of Moore & Moore, hardware merchants at Newton died suddenly of heart failure about 7:30 this morning just after he had entered his place of business. Mr. Moore was the son of Louis E. and Addie (Howard) Moore and in his 52nd year. He had resided in this city since he was a small child. In 1919 with his brother, Walter Moore, he started the hardware business which has since been conducted at Centre and Hall sts., Newton. He was the organizer and first president of the Newton Business Associates, a past president of the Hunnewell Club of Newton, and a past president of the New England Hardware Dealers Association. He was a member of Fraternity Lodge of Masons, Newton Royal Arch Chapter, Gethsemane Commandery, Knights Templar, and Aleppo Temple, Mystic Shrine.

Mr. Moore is survived by his widow, Mrs. Georgia (Winslow) Moore; his parents; two brothers, Dr. Howard Moore and Walter Moore, all of Newton; and six sisters, Mrs. Bessie Pickersgill of Newton Centre, Miss Bertha Moore of Newton, Mrs. Fannie McLellan of Allston, Mrs. Louise Welch of Newton, Mrs. Gladys Deighton of Medford and Miss Helene Moore of Malden.

Warning From Newton Post, A. L.

Newton Post No. 48, American Legion, is holding its annual welfare concert May 7 and 8 at the Newton High School auditorium and this is the only appeal we make to the public for funds each year. The tickets for this concert sell for 50 cents. It has been called to my attention that a telephone campaign is being waged by a veteran's organization outside of Newton asking the citizens of Newton to purchase tickets for a dance to the tickets \$2.00 each. Newton Legionnaires do not sponsor or receive any benefits from this sale and we wish to call this to the attention of the citizens of our city.

CHARLES E. WALKER, Commander Newton Post 48, A. L.

Serious Fire At Newton Highlands

A fire which started in an automobile at the garage operated by Norcross & Lindstrand, 1151 Walnut st., Newton Highlands after 9 o'clock Wednesday morning, caused damage estimated at \$15,000. The flames spread quickly and in a few moments the garage building was a mass of flames. Two alarms brought much of the Newton apparatus and a truck from Needham. Three automobiles in the garage were destroyed and the automobile showroom of George Wrye which adjoins the garage was threatened, as was the filling station in front of the garage operated by Earle Johnson. The latter owns the burned garage. Several workmen in the garage had to make a hasty retreat when the fire broke out.

Newton Charity Horse Show To Be Held May 16

The Newton Charity Horse Show which for three years has been successfully held to benefit the Newton Mayor's Relief and the Y. W. C. A. will take place this year on The Newton Centre Playground on May 16th. The various committees are now being organized and there is to be a meeting next Monday evening at the home of Mr. A. Clarence Walworth to make further plans.

Mr. Allan J. Wilson has again been elected to be the general chairman of the entire show. Others appointed at the meeting were Mr. Willard H. Stevens as secretary; Mrs. Wilson as chairman of the ticket sales; Mr. A. C. Walworth as chairman of the grounds; Mr. Floyd L. Bell as chairman of publicity; Mr. Arthur H. Loversy will again be the show manager; and Mrs. Alden B. Thresher is organizing a committee to sell tickets to benefit the Y. W. C. A. The following have already consented to be members of her committee—Mrs. LeRoy Miner and Mrs. Albert Everts of Newtonville; Mrs. Grosvenor Calkins and Mrs. Stephen Wilson of Newtonville; Mrs. Priscilla Blackett of Chestnut Hill; Mrs. Fred Downer, Miss Martha Weeden, Mrs. Hanson Webster, Mrs. Grant M. Palmer, Jr., Mrs. Merrill P. Delano, Mrs. Oliver Johnson, Mr. and Mrs. Charles Floyd. Among those who will serve on the general show committee, in addition to the officers named above, are Mr. Norman F. Pratt, Mr. Herman Holt, Mr. Hugh Nawn, Mr. Frederick D. Goode, Dr. G. R. Baxter, Mr. Gardner C. Walworth and Miss M. Louise Walworth.

Newton Man Gets Year In Prison

Nicolo Biancardi of Kenrick st., Newton, was sentenced to serve one year in a Federal penitentiary by Judge MacLellan in the Federal District court at Boston on Tuesday. Biancardi was found guilty of operating a huge still which was seized in Lynnfield some months ago. Asst. U. S. Attorney Charles W. Bartlett told the court that Biancardi was one of the most flagrant violators of the liquor laws and asked that the maximum sentence of two years be imposed. According to Bartlett, Federal agents saw Biancardi making liquor deliveries to a drug store even after his trial had been in progress.

Cussing Costs Lemuel \$15

Lemuel McWilliams of 139 Galen st., Watertown was fined \$10 in the Newton court on Tuesday for using profane and indecent language and \$5 for drunkenness. Patrolman Walker testified that he was in a lunchroom at Newton Corner on Saturday night when the defendant entered and ordered a steak. When asked by the counterwoman as to the kind of potatoes he wanted with the steak, the policeman testified that the defendant indulged in lurid language.

Aldermen Make Appropriations

The Board of Aldermen held a meeting on Tuesday night and passed a number of appropriations. These included \$776 to reimburse Inspector Richard Goode of the Newton police for hospital expenses. Goode fell off a porch while investigating a burglary, received serious injuries to both his knees and was a patient at St. Elizabeth's Hospital for many weeks. For a drain in Langdon st., Newton \$1150 was appropriated; for water mains, \$7650; for a drain in Circuit ave., \$815.

The Public Buildings Committee had recommended \$8000 to install fire alarm systems in Newton public schools, but Alderman Temperley, chairman of the committee, dissented, and asked that only \$4000 be appropriated this year for such work. It is estimated that it will cost \$16,000 to equip all the school buildings. A recommendation from the Mayor that \$1000 be appropriated for new equipment for the Trade School was referred to the Committee on Education.

A long discussion took place on the granting of a garage permit to H. H. Powers at 497 Centre st., Newton. Prof. Powers some years ago bought the Utley property and recently had the buildings on it razed. He has also acquired the former Frisbie estate adjoining. He is going to a large expense developing a garden spot on the property. He planned for a 2 car underground garage at the rear corner of the lot near Wesley st. The Aldermen debated over the question of granting a garage permit on a vacant lot. The point was raised that the Utley lot has been joined into one parcel with the Frisbie lot and there is a dwelling on the latter lot. The Board voted to grant the permit.

Receive Bids On Street Supplies

Contracts for construction of cement and tar sidewalks in Newton for the coming year were awarded on Wednesday to O'Malley & Delaney of Waltham for cement walks at a figure of \$13,219; and to Joseph Hayes of Waltham for tar sidewalks at a figure of \$4934. Both were lowest bidders.

Low bids on various types of supplies were as follows:
Broken stone—4 bids—lowest, J. H. McNamara, Inc., and West Roxbury Trap Rock Co., \$13.450.50 each.
Screened gravel—bank gravel—screened sand, 3 bids—Riverside Sand and Gravel Co., lowest, \$49,000.
Loam and sods—2 bids—John A. Janse, low, \$1650.
Portland Cement—3 bids—Construction Service Co., lowest, \$2688.
Hard sewer brick—4 bids—C. H. Spring, Co., lowest \$2688.
Cement brick—3 bids—C. H. Spring Co., lowest, \$328.20.

Vitrified sewer pipe—5 bids—4 bids equal, Eastern Clay Goods Co., Marshall C. Spring Co., Roger Gardner, Construction Service Co.
Cement Concrete Pipe—2 bids—New England Concrete Pipe Corp., low, \$4833.
Reinforced Concrete Pipe—2 bids—New England Concrete Pipe Corp., low, \$4025.
Granite curbing—2 bids—Capital City Co., low, \$3970.
Manhole castings—2 bids—LeBaron Foundry Co., low, \$1800.
Bituminous Concrete Surfacing Type D—9 bids, Mass. Broken Stone Co., lowest, \$21,912.50.
Bituminous Concrete Surfacing Type C—5 bids, M. DeMatteo, lowest, \$5963.

Tax Rate For 1936 Is \$28; An Increase of \$1.20

The Newton Board of Assessors announced yesterday that the tax rate in this city for 1936 is \$28; an increase of \$1.20 over the 1935 tax rate. The rise in the rate is caused by increased State, County and Metropolitan warrants, and the city budget.

During the past year there has been an increase of \$2,000,000 in new buildings in Newton, but this has been offset by revaluations and abatements, so that the net gain in valuation was \$762,050.

The following is the list of warrants, valuations and receipts:

WARRANTS VALUATIONS & TAX RATE—CITY OF NEWTON, 1936	
Warrants	1936
County Tax	\$ 223,648.32

WHO WOULD YOU CHOOSE FOR PRESIDENT?

Next Tuesday the voters will go to the polls to name their choice of delegates to the state and national party conventions and to select the members of the ward committees. This year, however, the voters will have an additional opportunity to express their choice for President of the United States. The Massachusetts Legislature this year enacted a law providing for a space upon the ballot in which the voter may write in his choice for President. Under another provision of law the election officers will count the voters' choices according to the intention of the voter instead of listing separate totals for each varied spelling of the name. Thus the voter should realize the importance of going to the polls next Tuesday. For it is at that time that he will have the opportunity to name his own preference. Although the election of delegates and the elections in the fall are of vital importance the voter later must decide between two candidates. For the sake of good government be sure to cast your vote next Tuesday and to indicate your choice for the Presidency.

THE TAX RATE

The tax rate is to be increased \$1.20 per thousand. It was indicated last fall that an increase was inevitable due to larger state, county and metropolitan warrants. In previous years sums of money were transferred from the excess and deficiency account in order to keep down the tax rate on the theory that this unexpended money belonged to the taxpayers and should be returned to them. One unusual feature of last fall's election campaign was that all candidates recognized that an increase could not be avoided. The city budget is approximately the same as a year previous, throwing the responsibility for the increase upon matters more or less beyond the control of our city officials. The condition further proves the fact that the cost of our state government must be kept down or the local property-tax payers will bear the burden.

ACCIDENT AND HEALTH WEEK

The present week is being observed as Accident and Health Week. According to figures recently released there were 99,000 persons killed in the United States last year. This is one person every six minutes. Accidents alone cost the people of this country nearly three and a half billion dollars in loss of wages and medical expenses. Automobiles killed over one-third of this total with accidents to pedestrians accounting for over ten per cent of the grand total. The need for precaution, prevention, and protection is evident.

A TWENTY-FIFTH ANNIVERSARY

The All-Newton Music School is observing its twenty-fifth anniversary. Newton residents have been invited to make the acquaintance of this school by visiting its sessions on Tuesday or Thursday afternoons or Saturday mornings. The atmosphere of the classrooms and the excellence of the training given can not be illustrated by any newspaper article or community campaign. Only by direct knowledge and contact can the true idea of this organization which has become an institution be obtained.

DAYLIGHT SAVING RETURNS

Daylight saving time returns again on Sunday morning. Sometimes many are confused as to whether or not the clock should be turned back or ahead. For the information of those who are uncertain it should be stated that if you set your clock ahead one hour before retiring Saturday night you will be on time in the morning.

According to a recent news story, hail as large as coconuts fell in Africa. Nothing like this ever happened in Africa until American newspapers stationed correspondents over there.—Grand Rapids Press.

The question in General Hagood's case is whether the War Department expects the army to be standing or lying.—Dallas Morning News.

Living was cheap in the old days. Junior's happiness required a penny stick of licorice instead of gasoline.—Detroit Free Press.

One thing about the horse. Nobody ever had to get behind him and push on extremely cold mornings.—Winston-Salem Journal.

In England the King can make a common man great. Over here it takes a majority of the delegates.—St. Louis Star-Times.

It looks as tho we'll have the unemployed on our hands until we get them on their feet.—Boston Transcript.

Rip Van Winkle slept for 20 years, but, of course, his neighbors didn't have a radio.—Atlanta Constitution.

A man judges a new family by its car; a woman waits till she sees its wash on the line.—Detroit Free Press.

A memorial to the late Judge Elias B. Bishop of Newton Centre is being prepared by a committee of the Bar Association of the City of Boston. The memorial will be received at a sitting of the Superior Court of Massachusetts at the Court House in Boston on Saturday, May 2, at 10 o'clock. Judge Alonzo R. Weed of Newton will preside. Members of the bar and other friends of the late Judge Bishop have been invited to attend.

Two Newton young men are among the members of the Harvard Glee Club selected to sing with the Boston Symphony Orchestra under the conductorship of Dr. Serge Koussevitzky and in association with the Radcliffe Choral Society and five notable soloists at a concert on Sunday and Monday. Henry O. Marcy and F. F. G. Ham Brigham, possessors of fine second tenor voices, are among those who have been rehearsing for more than a year the difficult parts of the choral music, "The Passion According to St. Matthew." This Bach masterpiece is rated by authorities as the greatest creation of its kind among the musical works of all nations, requiring an afternoon and evening to complete each of the performances. In effect it is a musical drama which tells the story of the crucifixion.

The annual Diocesan Convention of Episcopalians in the spring of each year is of interest to many Newton people. The impressive Diocesan Service of Worship next Tuesday at 8 o'clock in Trinity Church, Boston, is the occasion of annual address of Bishop Henry Knox Sherrill and Suffragan Bishop Samuel Gavitt Babcock. Convention delegates have been selected from the parishes of the local Episcopal Churches which include the Church of the Good Shepherd, Waban, Rev. Richard T. Loring, Rector; Grace Church, Newton, Rev. Tage Teisen, Rector; Church of the Messiah, Auburndale, Rev. Harold E. Hallett, Rector; Church of the Redeemer, Chestnut Hill, Rev. John S. Moses, Rector; St. John's Church, Newtonville, Rev. Raymond Lang, Rector; St. Mary's Church, Newton Lower Falls, Rev. Roger W. Bennett, Rector; St. Paul's Church, Newton Highlands, Rev. Charles O. Farrar, Rector, and Trinity Church, Newton Centre, Rev. Edward T. Sullivan, Rector, who is also a member of the Cathedral Chapter. Other local persons attending will be Mr. William A. Gallup, a member of the Diocesan Council and a member of the department of finance; Miss Helen M. Cobb, member of the field department and chairman of the domestic missions under the women's division of the Church Service League; Morgan H. Stafford, vice-president of the Brotherhood of St. Andrews, and Mrs. Archer Davidson, assistant editor of "The Confab," edited by the Church Periodical Club.

News from the various colleges continues to reveal honors earned by local young men and women. At Williams College three honors have been given to Joseph C. Clement, Jr., a freshman. He won the public speaking contest in his class, was elected to the Little Theatre, and was chosen to play the leading role in the spring production of the Cap and Bell's dramatic association. From Mt. Holyoke comes word that two Newton girls will attend the Junior Prom this evening. The Misses Jean Eddy, daughter of Clifford R. Eddy of Putnam street, West Newton, and Caroline Eddy, daughter of Mr. and Mrs. W. H. Raye of Lake avenue, Newton Centre, are members of the junior class there and privileged to attend the Prom which is closed to other college students. Miss Virginia Fletcher, daughter of Mr. and Mrs. G. B. Fletcher of Greylock rd., Newtonville, also a junior was a member of the committee in charge of the banquet preceding the dance. Miss Eddy attended with Nelson Reginald of Amherst and Miss Raye with Gordon Hamblen of South Norwalk, Conn. Miss Louise Allison Kerr, daughter of Mr. and Mrs. George F. Kerr of Woodward street, Newton Highlands, a sophomore at Mt. Holyoke has been elected secretary of the college dramatic club for the coming year. Election of house chairman for residence halls also took place this week with Miss Mary E. Waldron, daughter of Mr. and Mrs. C. W. Waldron of Highland avenue, Newtonville, winning one of these appointments which begin next fall. From Brown the announcement of the Honors program and Dean's List includes the names of Jackson H. Skillings '37 of Newton Centre who won honors for study on history and Charles A. Stein-sieck '37, also of Newton Centre who won honors for study in chemistry.

At Bowdoin the selection of the staff of officers of the Publication Company. Euan G. Davis '37, of Newtonville, was chosen business manager. He is a member of Zeta Psi fraternity and has been on the freshman and junior varsity football and track squads.

Veterans of Daniel G. Barnett Scout Troop No. 9 have arranged a memorial service for all deceased scouts who have passed away since the formation of the troop in 1914. The troop is comprised of former scouts who have retained their association and interest in the work. The service will take place at the Lincoln Park Baptist Church in West Newton on May 10th at 7:45 p. m. Mayor Edwin O. Childs and other prominent persons will speak. Miss Ruth Bearse, radio soloist, will sing. William A. Matthews is chairman of the committee in charge of the service.

SPECIAL MUSICAL SERVICE

On Sunday morning, April 26th, at 10:30 a. m., there will be given a special musical service by the Choir of Immanuel Church of Newton. The church is located on Church st., near Centre, in Newton Corner. This will be the last service under the direction of Agnes Edwards Hatch, as her resignation becomes effective May 1st.

The choir is one of the few "A Cappella" groups in Greater Boston. It has achieved considerable distinction by the excellence of its work. Each year it has given a largely attended afternoon recital, which has aroused much enthusiasm among musicians. The April 26th service will take the place of the annual recital.

The program will follow exactly that of a similar service presented nine years ago at the ending of Mrs. Hatch's first year as director.

The public is cordially invited.

THE SUNDAY EVENING CLUB

The Sunday Evening Club of Central Church, Newtonville, will hold a regular meeting this Sunday at eight o'clock. The speaker is to be Dr. Harlow P. Stetson of Harvard, noted research investigator in astronomy and geophysics. Of particular interest are his experiences in leading several eclipse expeditions to different parts of the world. The title of his subject will be "Man and the Stars."

SARAH HULL CHAPTER, D. R.

As has been the custom for a number of years, at the close of their winter activities, the Sarah Hull Chapter, D. R., of Newton has made a generous cash donation to the Governor John A. Andrew Home on Washington park, Newtonville. The gift is highly appreciated at the home for Civil War widows.

This Week at Your Boys' and Girls' Library

Vernon St., Newton Corner

FIRST EXPERIENCES WITH READING

Even a little child has needs for reading. He is curious about the strange characters he sees under pictures. When he is told that they tell about the picture, he is eager to decipher them for himself. He also needs to be able to find out what various labors, signs, and notices say. Watch a little child in a street car and hear his constant request, "What does it say, Mother?"

Later a child wants to read messages and letters, to find out how to make things, to play games, to solve puzzles. All these needs can be met only if he knows how to read the directions given.

Books satisfy children's love of adventure; their curiosity about animals, people, and inventions; their desire to lose themselves in another environment.

Much can be done to stimulate a child's desire to read by placing attractive reading materials in his environment—From The Teaching of Reading for Better Living—Pennell and Cusack.

The Boys' and Girls' Library, recognizing the value of providing a variety of experiences in simple books for children beginning to read, has added many of the most attractive primers and readers which may be borrowed on either adult or juvenile cards.

Have the Little Children in your home library cards? If not, why not have them become library users at once?

In addition to their own use of the library, you can help them get the most out of reading by borrowing books from our special collection on your own card. We have a wealth of excellent material for parents to read to children in this collection known as the "Mother's Shelf." Here are to be found books that will cultivate a taste for the best so that reading will always be a joyous experience for them.

Do not hesitate to ask for assistance in selecting books when you come to the Boys' and Girls' Library. The following lists are given as helpful suggestions.

Pre Primers

Friends at Play—Leavell.
Tots and Toys—Lewis.
Frollic and Do-Funny—Pennell.
Dick and Jane—Elson-Gray.
Playing with Pets—Pennell.
Easy Book—Ayer.
Let's Play—Buckingham.
Little Book—Hardy.
Playmates—Baker.
Donald and Dorothy—Ringer.
Sally and Billy—Hardy.
Tom's Trip—Smith.

Primers

Ben and Alice—Leavell.
At Home and Away—Smith.
Fact and Story Readers—Suzallo.
Henry and the Garden—Tippett.
Boys and Girls at Work and Play—White.

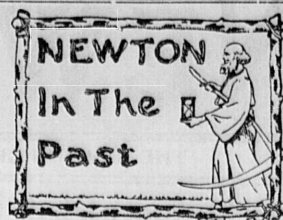

Peter's Family—Hanna.
Terry and Billy—Freeman.
Play Days—Buckingham.
Little Friends at School—Dopp.
Peggy and Peter—Gates.
Friends for Every Day—Baker.

Everyday Fun—Hahn.
At the Farm—Martin.

First Readers

In City and Country—Smith.
Fact and Story Readers—Suzallo.
Stories About Henry—Tippett.
Our Friends at Home and School—White.

Jack and Jane—Freeman.
Busy Days with Little Friends—Dopp.
Friends in Town and Country—Baker.
Playing Together—Buckingham.
Round the Year—Gates.
At Home—Martin.

(Adv.)

Painful rumors of a sad case of suicide were circulated Thursday morning. It was reported that a man had got into G. P. Clark's store at Newton Corner and hung himself. Within a couple of hours over 200 persons were attracted to the scene of the supposed suicide. What appeared to be a body hung in the workshop and none cared to approach it. It was dressed in working clothes and wore a pair of muddy boots. The policeman rushed to the scene when he heard the news, but when he inspected the "remains," he sneaked out the back door. A doctor and undertaker also reached the scene, viewed the body and then withdrew with as long faces as possible. A post mortem examination revealed that the victim's spinal column was a floor plane, an empty nail keg constituted the lower part of the body, and various other articles filled up the suit of clothes. The sell was complete.

A petition of Joseph N. Bacon and 80 other residents of Wards 1 and 7 was presented to the regular meeting of the Common Council on Monday night. It asked that the principal streets in those Wards be sprinkled during the coming summer by the city. The petition was signed by the men of Engine 1 Company of the Fire Department. The petition was referred to the Committee on Fire Department. A petition was received from Assistant Engineer Henry Bixby and other citizens of Ward 3 asking that a bell and striker be placed in the tower at City Hall. An order was passed in its first reading authorizing the Chief Engineer of the Fire Department to sell the hand engine "Catawag," and to purchase two hose wagons at an expense not to exceed \$700.

Professor Alexander Graham Bell will give exhibitions of the telephone at Boston Music Hall early in May.

50 YEARS AGO

Newton Graphic, April 24, 1886

The horses of Steamer No. 1 of the Fire Department have been sold to Timothy Stuart. A pair of horses belonging to the Highway Department will be used on Engine 1 until the new team is bought.

The train advertised to leave Boston at 10 Sunday night will be delayed 40 minutes to accommodate those who wish to attend the oratorio "Elijah," to be given by the Handel and Hadyn Society.

As we go to press the mercury stands at 91 degrees on Boyd street.

All of Rev. J. B. Gould's new and pretty houses on what is to be called Idamont (now Bennington) street are rented.

Monday afternoon Edward Page who resided at the corner of Walnut and Watertown streets, Newtonville fell off his bicycle on Walnut street and broke his left leg. He was carried home and Dr. Hunt reduced the fracture.

The City Council on Monday night passed an order for an additional watering cart in Wards 1 and 7 and appropriated \$50 per month for 6 months from May 1st provided property owners will appropriate a similar amount.

A novel sight that attracted attention on West Newton streets on Tuesday was a man dressed as one of the characters in "The Mikado" and advertising the Mikado Safety Pin which can be purchased at Phillips store.

The Newton Mills at Upper Falls have been sold to parties from New Jersey who on May 1 will begin alterations for the manufacture of silk yarns. Employment will be given to 400 and a new set of machines will supersede the relics of half a century ago. It is hoped this new concern will give employment to all our village people who now are forced into idleness because of the shutdown of all the Upper Falls manufacturing concerns except the U. S. Fireworks Company.

The Board of Health held a meeting on Tuesday evening and voted to appoint a sub-committee consisting of Messrs. Edmonds, Otis and Pettie to take steps to close certain tombs in the old cemetery on Centre street.

Ticket offices at the Newton and Newtonville railroad stations were broken into Tuesday noon. The burglar used a jimmy. At Newton the burglar secured only a counterfeit dollar and half dollar. At Newtonville he obtained nothing as the baggage-master discovered him and gave the alarm. Patrolman Davis traced the burglar to Brighton and caught him. As he was being taken to the lock-up he broke away. The policeman fired several shots and the man stopped. The burglar's name is Ralph Smith.

Powers' Paragraphs

If Ellison (Tarzan) Brown is a red-man we must be color blind. One thing is certain. Ellison is not "yellow." He has plenty of grit.

It is proposed to have the State expend a huge sum to give unemployed men work clearing the Quabbin basin for the new Metropolitan water reservoir up near Enfield. It is also planned to distribute the jobs on a political basis—by Senatorial districts. How the chips will fall when the boys selected by the politicians are chopping down trees up Quabbin way. If you want to revive memories of the Australian wood chopping champions who did their stuff in Keith's vaudeville theatre at Boston 25 years ago, take a trip up to Enfield a few weeks' hence.

The famous Marathon race which the Boston A. A. has sponsored for over 40 years from Ashland, and later Hopkinton, to Boston, has long been associated with April 19th. On that day for over two score years youths, young men, and men not so young have run or jogged as many miles as their endurance permitted over the long route which starts at Hopkinton and ends at the Boston A. A. club house on Exeter st., Boston. The race attracts thousands of spectators each year. Not because it is exciting or thrilling to witness, but largely because of the publicity it receives. This year April 19th fell on a Sunday and the holiday was observed on Monday. As is usual in such a case, the Marathon race was held Monday afternoon.

But, there was another race held along Commonwealth avenue in this city on Sunday afternoon. This was designated as the First Annual Boy's Bicycle Marathon Race. It started at Newton City Hall, proceeded along the avenue to the Boston line at Lake street and thence over Brookline streets to Cambridge where the race ended near Central square in that city. The race was under the auspices of the Jefferson Club of Cambridge, a Democratic political organization. According to publicity matter received from the Jefferson Club "The race was conceived by Billy Coughlan of Brookline who was the Democratic nominee for the Governor's Council in the Third Councillor District at the last State election, with the thought in mind that healthy, outdoor recreational activities for growing boys is the main solution to the ever growing menace of juvenile delinquency."

Mr. William J. Coughlan is a resourceful young man. In this city he was known by very few until he obtained the Democratic nomination for the Governor's Council in 1934. The 3rd Councillor District includes Wards 4, 5, 21 and 22 Boston; Wards 1, 2 and 3 of Cambridge, Brookline in Norfolk County, and a number of cities and towns in Middlesex County, including Cambridge. In 1934 Mr. Coughlan ran as a resident of Brook-

line. It was alleged during the campaign that he was not a resident of that town, but, according to the records of the town he was registered as residing at 40 Babcock st., Brookline. In 1932 he was registered from 1359 Beacon st., Brookline; 1933 not registered in Brookline; in 1935 he was registered from 150 Amory st. and in 1936 from 12 Fay pl., Brookline. In January of this year Mr. Coughlan's residence was given as on Sydney st., Dorchester, but he has been legally registered in Brookline four out of the last five years.

But, to return to the boy's bicycle race which Mr. Coughlan conceived. Apart from the lofty motive for its institution (it being stated that it is to be an annual affair), it was an excellent idea from a political publicity standpoint. Not only did Mr. Coughlan and the Jefferson Club of Cambridge get much free advertising in the newspapers, not only did men active in politics in Boston, Cambridge, Newton and elsewhere donate prizes, but a large sound truck with a battery of loud speakers followed the several hundreds of boy bicyclists along the route last Sunday afternoon and blared forth the information that the race was being conducted by the Jefferson Club of Cambridge.

And as further evidence of the resourcefulness of Mr. Coughlan, he not only obtained a permit for the race over Newton streets on a Sunday afternoon from Mayor Childs, he not only procured the endorsement of the project from active Newton Democrats, but he also got endorsements for this activity of the Jefferson Club of Cambridge from prominent Newton Republicans. Among those in Newton who did not approve of the race were 37 members of the Newton police department. Men who had to work on the night platoons on Saturday night and early Sunday morning, then perform traffic duty along Commonwealth ave. on Sunday afternoon before and during the race, go back to work Sunday night, and then perform additional traffic duty along the avenue during the regular Marathon race on Monday afternoon.

Chief Hughes of the Newton police is to ask the Board of Aldermen to accept that section of the State statutes which permits automobiles to be parked nights in certain designated sections without having parking lights on. Such sections, according to the statute must be unusually well lighted. This confines the parking of unlighted cars to business districts. So, car owners in Newton who have been making a practice of parking cars with out lights on streets in residence sections, need not infer from Chief Hughes action that their violation of the State law in this matter will be countenanced. And this applies particularly to those who use streets as garages and park their cars all night in front of their residences, or in front of some neighbor's house.

ONE THING AND ANOTHER

By L. D. G. BENTLEY

Lucid Explanation

Eager to be recorded in favor of any movement towards the more abundant life it would please me if I were inspired to take off my coat, roll up my sleeves and plunge a spade into the ground on "Arbor and Bird Day," which, in case you've forgotten, is this year observed tomorrow. Such action on my part would be, I'm afraid, no more than a symbol. As a digger or a forerunner I doubt if I could accomplish much. It requires training, not to say muscle and brawn, and these qualities are not possessed by all of us.

At that I think I would make as good a stab at it as the Governors and Mayors do when they set the example for appropriate celebration of the day. It has been my privilege to observe a number of these dignitaries engaged in this official duty. In every instance the hole has been prepared and the sapling made ready by a group of workmen who stand by.

The hardest part of the executive's function, it has always seemed to me, is getting the right pose to suit the newspaper camera men. First it's "Please stand over there. Now put your foot on the shovel and look this way." Then comes the clicking of shutters and once more the photographers command, "Now another, please" and after that they make a third for good measure. When the pictures are made the workmen plant the tree and the job is finished.

I have taken pains to describe the ceremony in detail and to prove my assertion that if an obscure individual like myself could have help, photographs and everything else I would do a large amount of tree planting every Arbor Day.

Friends with Feathers

As to "Bird Day," the other half of the observance, I am even more at loss—in fact helpless. In the winter I strive to feed the birds regularly with seeds and in the summer share my crusts with them. Every day, when I know they will enjoy it, I fill the bird-bath on the lawn. That isn't much, I'll admit. Because, however, of the things that the birds encounter up above—airplanes, kites, smoke nuisances, noxious odors and the like they have my sympathy.

To Forget is Easy

Paradoxical as it may appear I do not expect to walk as much when consistently pleasant weather gets here.

Mystery of the Week

When last Saturday morning I answered the telephone at home a woman's voice inquired, "Is this the bowling alley?" Ordinary mistake and nothing to give a second thought, except—Now for the deep, dark question: isn't the bowling season over and if not who would be rolling 'em down the alley on a Saturday morning?

New Indoor Game

Have you heard of the indoor game offered as an improvement on the scavenger hunt? Strikes me it has an idea and carries a taste of intelligence and not merely a tax on one's acquisitive powers. I must say I don't know by what name it goes and don't believe one is necessary. I can say I think it will offer much genuine amusement and particularly to those who have a liking for dramatics. Moreover, it might easily develop some good amateur actors.

When the people assemble at a party they are divided into groups of six. Each group is given a subject. It may be an historical event like the landing of the Pilgrims, or Pocahontas saving the life of John Smith, or Columbus discovering America or Mickey Mouse, G-men at work or whatnot. There are subjects enough for a thousand years.

Then comes a search for costumes, properties. Each group is allowed an hour and a half to gather up what may be needed, employing the scavenger hunt methods. At the end of that time all return and act out the subject assigned. It makes a mighty good show and a very satisfactory evening's home-made entertainment.

This time—why not

HERE ready and waiting is the Series 40 Buick Special—tagged with the lowest prices in Buick history—easily within your reach.

It offers not just power, but the oil-hushed, mile-eating powder-flash power of the ablest straight-eight engine in the world!

It's smooth—not with the pulpy smoothness of rubber—but with the solid, lasting, lash-free smoothness of precise engineering—the positive torque-tube drive—road-leveling Knee-Action wheels.

It's fast—no heedful man will ever want to travel a highway at the "open" pace of a Special—but its abundant speed is balanced with the smoothest, lightest tiptoe hydraulic brakes you ever put a foot to—and its solid, low-swung, road-hugging bulk spells security that even back-seat drivers sense!

It's a dream to handle. It's a joy to own. It's so rugged you'll wonder what service stations are for and thrifty as you never thought an eight could be.

There's one here ready to show you what it can do. It will cost you, under the new General Motors Installment Plan, only two or three dollars a week more than the lowest price cars. So this time—why not something special—a Buick Special—a car that's right now way out in front?

Lodges

Waban Lodge 156, I. O. O. F., celebrated their 65th anniversary in Odd Fellows Hall, West Newton, on Wednesday evening, April 22nd.

Music and entertainment was furnished by the WPA Orchestra, Waban Lodge will visit Sumner P. Lawrence Rebekah Lodge, Monday evening, April 27th.

YOUNG PEOPLE'S LEAGUE OF THE NEWTON HIGHLANDS CONGREGATIONAL CHURCH

"The Hermit's House" by Claudia Harris, a mystery play in three acts, is being presented by the Young People's League of the Newton Highlands Congregational Church on April 30 and May 1 at 8:15 o'clock.

This performance is given annually at the Congregational Parish House. With the proceeds of the play, delegates are sent to the summer conference at Northfield, and for the last two years helpful contributions have been given for other benevolent purposes.

Mrs. Eloy Benson has undertaken the task of coaching this year and as in previous years has done an excellent job.

The cast this year includes, Anson

Piper, president of the League, Ada Merriam, Priscilla Chapple, Betty Kelley, Elaine Probie, Mary Tudbury, secretary of the League; Herbert Boyle, Walter Wells, Lyman Robinson, William Parmenter, Harvey Isham, treasurer, and Hugh Stevens.

NORUMBEGA DISTRICT COUNCIL OF RELIGIOUS EDUCATION

Forty years ago the Norumbega District Sunday School Association was organized. In recognition of this fact, there will be a 40th Anniversary Dinner and appropriate program on Tuesday evening, May 5, at the Newton Highlands Congregational Church, to which the ministers, church school superintendents and others interested are to be invited.

The guest of honor for this event will be Rev. Frank Jennings, the new Secretary of the Massachusetts Council of Churches, which combines the former Federation of Churches and Massachusetts Council of Religious Education.

There will be other guests who have been active in the State and District work in past years, including Appleton P. Williams, of Newton, who was president of the State Association 32 years ago when the State Convention was held in Newton.

Dr. Herbert W. Gates will speak briefly on "Forty Years of Service,"

and will be followed by others who will talk on their ideas of the future; "The Future as I See It," as a pastor, as a director, as a layman, as a State official.

The Norumbega District serves the towns and cities of Newton, Waltham, Belmont, Watertown, Weston.

NEWTONVILLE TOWNSEND CLUB

On Friday evening the largest meeting yet held at club headquarters, 283 Walnut st., Newtonville, was in the form of a joint meeting, with delegations from Newton Lower Falls, Wellesley and Waltham attending.

The President of the Newtonville Club William Barrett presided, and the main speaker of the evening was Mr. Isaac Rich of Brighton. He gave a very excellent and instructive address, analyzing the various forms suggested for Social Security legislation and contrasting them with features of the Townsend Plan. He was followed by Elmer Davis, president of the Newton Lower Falls Club and Asst. State Manager. Mr. Davis spoke briefly on the constructive progress that the Movement has made in Massachusetts, despite the Congressional investigation.

Mr. Ernest Curtis of Waltham was then introduced. He is a candidate for nomination as representative to Congress from the 9th Congressional District, and is endorsed by

Townsendites in his district. At the end of the speaking program, Mr. Rich entertained the audience with a humorous recitation. It was announced that the next meeting of the club which will be a joint meeting also, will be held on Friday evening, May 1st, and Mr. Alonzo P. Grinnell of Malden will be the main speaker.

DAUGHTERS OF REBEKAH

Sumner P. Lawrence Rebekah Lodge, I. O. O. F., has invited the Noble and Vice Grands of Tennyson, Highland, Deborah, Neholden, Chosen Friends, Brighton, Ida F. Butler, Mary Washington, Hawthorn, Longfellow, Radiant, State Rebekah Lodges, to visit them on Monday evening, April 27. Also the Deputy President and Marshal.

BOSTON COLLEGE COMMUNION

The Boston College Club of Newton will hold its Annual Communion Breakfast next Sunday, April 26, 1936, at the Sacred Heart Church, Centre st., Newton Centre, at the 8:30 Mass. Among the speakers will be Bishop Spellman, the nationally prominent Msgr. Fulton J. Sheen of New York, Fr. J. R. Maxwell, S.J., Dean of Boston College; State Treasurer Charles F. Hurley, and Dr. C. T. O'Connor.

Dramateurs To Present New Comedy

Author of "Grandpa's Elopement" Is Newtonville Man

On Wednesday and Thursday evenings, April 29 and 30, at the New Church Auditorium, Highland Ave., Newtonville, the Newton Dramateurs will present as their third play of the season a comedy entitled, "Grandpa's Elopement." This will be a previous to publication performance of a play by John Wakefield of Prescott st., Newtonville. Mr. Wakefield is a long-time member of the Dramateurs and on numerous occasions has distinguished himself as an amateur actor of more than average talent. The play portrays the life of an ordinary New England family in a pathetic and humorous situation which is finally solved by decisive action by "Grandpa Riddlon," played by Norman Willey. The other members of the cast are Edith Morton as Florence Riddlon, Ruth Perkins as Julia Brant, Dorothy Schupper as Grace Riddlon, Alexander Law as Eliot Riddlon, Allan Bliss as Donald Loring, Howard Voseburg as George Frost, Eleanor Bolster as Teddy Wainwright, George Kengott as Ashburton Dobbs, and Dan Smith as the policeman. Mr. Augustus Wakefield, father of the author, is directing the work of preparation, Mary Wakefield has charge of properties and Mrs. Frank Steele is serving as prompter.

Mr. John Wakefield, the author, is one of the most popular young men of Newtonville, and it is expected that a host of his friends will turn out to see the play.

Newton Health Report for March

The report of the Newton Health Department for March shows that 45 deaths occurred in the city; the death rate for the month was 7.88. Of those who died, 27 were males and 19 females. Pneumonia caused 7 deaths, pulmonary T. B. 1, cancer 5, cerebral hemorrhage 5, heart diseases 13, arteriosclerosis 3, accidental falls 3. Communicable diseases reported during the month included: diphtheria 1, scarlet fever 24, measles 449, German measles 6, mumps 48, chickenpox 15, lobar pneumonia 9.

The department made 123 tests of milk samples during March and 138 tests of Newton water.

Fined \$50 For Drunken Driving

Richard Fowler of Westfield was fined \$50 in the Newton court last Friday by Judge Allen for driving a car while under the influence of liquor. Charges of drunkenness and driving without a license were placed on file. Fowler was arrested on the Worcester turnpike the preceding week by Patrolmen Cunningham and Smith. They found eleven cans of beer in his car. Attorney Donnelly asked Judge Allen to suspend the fine because Fowler's farm had been damaged in the recent floods. The judge declined, but gave Fowler 2 months in which to pay the \$50.

CLAFLIN CLUB

The following officers were reelected at the annual meeting of the Claflin Club of the Newtonville Methodist Church which was held at the Boston Y. M. C. A. on April 17: President, Louis W. Bruegger; Vice-President, Ralph Thomas; Secretary, George Williams; Treasurer, Elmer Colecord. Following the business session, Dr. Robert C. Dexter, superintendent of the Department of Social Relations, American Unitarian Association, delivered an address on the subject "Is Democracy Worth Saving?" The program of the evening included a bowling match between four teams captained by George W. Taylor, Chester Wilson, Henry Webster and Frank Morris.

NEWTON CENTRE NEIGHBORHOOD CLUB

Mrs. Joel Barnes will open her home at 141 Cedar st., Newton Centre on Monday evening, April 27, 1936 for a meeting of the Newton Centre Neighborhood Club, at which Mrs. R. A. Gilman will be hostess. Mrs. Henry Patch is chairman of the supper committee, and will be assisted by Miss Letitia Linsley, Miss Helen Shumway, Miss Mary Harrington, Miss Virginia Dow, Miss Margaret Copeland, Miss Martha Weeden and Mrs. Kenneth Crafts. The supper will be followed by a garden talk.

Social Minutes

Quite the smartest opening of the season was Wednesday evening's premier of "Night of January 16" at the Shubert. Enthusiasm from the beginning ran fever high, and the applauding was endless. Not only were the many distinguished Bostonians in the audience but several of them stood throughout the play as, we understand, there was standing room only for tardy ticket purchasers. This great turn out was for the benefit of that very good charity Anti-Tuberculosis Association. Mrs. Harry I. Mackin, head of the committee, wore a charming gown of black with a collar of black sequins. Mrs. Saphirstein sauntered down the aisle to her seat in a flowing French blue chiffon gown and Mrs. R. Wyenberg topped her costume with a black velvet wrap. Mrs. Sydney Rahnovitz attended with her daughter Helene. Miss Helene was very pretty in a rose tone crepe frock and Mrs. Paul Barabee wore a simple but smart gown of black crepe. Others attending were Mr. and Mrs. B. M. Kulvin, Mr. and Mrs. R. Cohen, Mr. and Mrs. J. B. Klein, Dr. and Mrs. R. Slater, Mr. and Mrs. G. Fineman, Mr. and Mrs. R. Goldstein and Mr. and Mrs. F. Davidson. Also in the audience were Mrs. E. Wiseman and her two daughters Sarah and Rose, Mrs. R. Green, Mrs. B. Smith, Mrs. S. Solomon and Mrs. R. Miller.

Birthday Luncheon

The Women's Scholarship had its 29th birthday Wednesday noon, and what a gala occasion it was—with blue and silver decorations trimming the dining room of the Club Mayfair, every table was filled to capacity. A glimpse or two about the room disclosed Mrs. B. P. Miller, Mrs. E. Seigel, and Mrs. Robert Herzberg. Mrs. Irving Abrams chatted in the lounge with Mrs. H. Nadell. Mrs. Maurice Sapers, president of the Ladies' Helping Hand, was with a party of friends. Among the other members attending were Mrs. H. Saftel, Mrs. P. Mysel, Mrs. L. Michelson, Mrs. L. Sunderlund, Mrs. M. Freedman and Mrs. S. Sidd.

Conference Closes

Sunday noon many members of the B'Nai Brith Junior group gathered at the Hotel Hemingway for the final session of the conference which started April 18. It was opened by Mr. Max Katz, director. The program included a dinner, the election of officers and a talk by Judge David Rose and Miss Fanny Klein of New York who is president of the Council of Women's Auxiliaries, District 1.

Calendar Reads

Next to the actual opening night of the Amos Lodge and B'Nai Brith show, the most excitement among the club's members prevailed the evenings of tryouts which was held about two weeks ago. We will remind you again that this year's show will be staged at the Temple Ohabei Shalom on Harvard st., Brookline on the evening of May 11. There really isn't much information yet about the performance except it will be a musical comedy style and rehearsals are now under way which means that the doings of this show will be one of the pet topics for this column.

Flashes

Assembling Easter flery has been the fascinating diversion for the elite during the past week—Glimpsed Mrs. Henry Cohen selecting a grey box suit with a grey fox.

Mrs. P. L. Phillips was doing a bit of window shopping one recent rainy morning.

Miss Elaine Wyner and her sister Doris enjoying a snack at the Spanish Shop.

Deciding on a swagger suit of tan and brown checks was Mrs. P. Myers.

The new **Towndale Frocks** feature **Trocadero Crepe**

This one is a two-piece model with the nipped-in waist, notched revers and peplum-type jacket that's so smart this season. It's one of a group in this vivacious, new, ripple texture with a chalky surface that gives tone and richness to the deep pastels. They're here in Patou rose, aquatone, Roosevelt blue, Florida coral, Kelly green, navy, silver gray. Sizes 12 to 20.

Julius Warren Gives Details of Junior High Schools

In his report recently submitted to the Newton School Committee, Julius Warren, Superintendent of Newton Schools, devoted much attention to the junior high schools of this city. His recommendations and comments on this branch of Newton's public school system follows:

Newton has reason for pride in its Junior High Schools. They are splendidly organized schools, well housed in modern well equipped buildings and staffed by expert teachers. The Frank Ashley Day Junior High School was organized in December 1922 by Frank F. Carr in Newtonville. The Levi F. Warren Junior High School, serving West Newton, Auburndale and part of Waban, was opened in September 1927. The John Wingate Weeks Junior High School, serving Newton Centre, Newton Highlands, Newton Upper Falls, the southern section of Waban, and all the area south of the Turnpike, was opened in September 1931. The Bigelow Junior High School ceased to serve as an elementary school in September 1932 and became the fourth Junior High School in the city. This building has been entirely remodeled and equipped and today meets the standards of the other Junior High Schools in plan and layout, as well as in its professional staff and curriculum.

The history of the junior high school movement in Newton since the opening of the Frank A. Day Junior High School fourteen years ago has been marked by constant study and experimentation on the part of the school staff, in an attempt to provide the most valuable educational experience possible for the group of early adolescent youth who attend these intermediate schools. Notable achievement has been made in this study as evidenced by our present program of educational guidance, our present opportunities for exploration of pupil interests and capacities, the development of a program aiming to fix those fundamental skills in language, reading, handwriting and arithmetic which are basic to successful achievement in all human activities and the rich program of home room, assembly and club now set up in all our Junior High Schools.

From the time the first Junior High School was organized there has been a constant process of evaluation carried on. Principals and teachers of the Junior and Senior High Schools, groups of citizens, and specialists from the University Schools of Education have participated in studies to determine what the junior high school organization should be. They have considered the aims of the school, the needs of the students, and the program of studies planned to meet those aims and needs. They have attempted as well to weigh values and results in terms of the cost of this program to the community. As a result of this work a program is now being recommended that will reduce significantly the total cost of junior and senior high school education.

This reduction in cost will be brought about primarily through a better organized three-year program of studies which will permit students to make a more efficient intelligent choice of subjects than has been possible up to this time, thereby resulting in the elimination of unnecessary failure and waste,—waste in the educational time of students, and waste in the financial

cost to the public. For when a student is re-taught subjects he has failed to master, there is both educational and financial waste, and when students wisely and hurriedly elect courses, which later prove to have little value for them, then unquestionably there has been needless waste. Therefore, a program which will foster more intelligent, wiser decisions by students and parents will bring about educational and financial economy. This proposed program does this by postponing the time for the selection of specific courses and subjects until students have a more mature judgment and a better knowledge of their own interests and capacities through a longer experience in the exploratory and tryout courses of the Junior High School.

What Is the Junior High School?

1. The Junior High School is an organization designed to answer the needs of boys and girls in their early adolescent years, who through common social interests and through common physiological changes form a natural homogeneous unit in the community. It is composed of the seventh, eighth and ninth grades of a thirteen-year public school system. By this grouping together of boys and girls of common age and with common interests, the Junior High School provides better opportunities for leadership and for practice in citizenship than was the case when the ninth grade was a part of the Senior High School, and the seventh and eighth grades the last two years of the Elementary School.

2. A Junior High School is fundamentally an organization which provides general education and not specialized education. It is concerned primarily with the needs of boys and girls now and only secondarily with the preparation for college or for a life vocation. It is therefore concerned with the following specific jobs:

1. Firmly fixing the mastery of the fundamental skills and tools of knowledge — reading, writing, arithmetic and language.
2. Helping all students to gain the fundamental background concepts and understanding of social life, the sciences and the arts which are necessary to them in continuing their education on higher levels of specialization.
3. Giving as many opportunities as are possible for the exploration of the interests and abilities of boys and girls through wide offerings in many different fields of subject matter.
4. Providing through these many tryouts a basis upon which students, with their parents, will be enabled to make wiser choices in the educational and vocational offerings of their later educational experiences.
5. Giving boys and girls in this sensitive and emotional period of their lives experience in the fine and practical arts which will lead them into a wise choice of creative activities for themselves and the ability to enjoy and possess creative beauty in art, music and literature, of others.
6. Giving boys and girls experience in self-control, student government, the management and carrying out of their own school activities, and strengthening progressively the study skills and habits which will enable them to adjust themselves more easily to the program of self-responsibility and independent action required by the nature of the high school program.
7. Providing a well-balanced and sound terminal program of edu-

cation for those comparatively few students who must leave school at the end of the ninth grade.

8. Throughout this entire program making available a highly skilled, intelligent and sympathetic counseling service for boys and girls which will aid them in their individual educational, social and occupational problems.

Application to Our Program

If we accept these aims of the Junior High School and believe that it should provide a period of general education for all students with emphasis upon exploratory and tryout courses, then we naturally subscribe to the belief that students should postpone their selection of a specific curriculum to be followed in the Senior High School until as late in the Junior High School as it is possible to do so, thus giving the lower school the opportunity for discovering more adequately the interests and capacities of its individual students. All reorganization in recent years has been in this direction.

The first logical steps toward providing a common general education for all students in the Junior High School were taken a few years ago. Until September 1934 general language was offered as a required subject on the seventh grade level to college preparatory groups only, thus making it necessary at the end of the sixth grade for student and parents to select the course to be followed by the student for a period of the next six years or practically until his completion of the Senior High School. In this instance it may be clearly seen, that whereas the exploratory aim had been advanced as one of the chief and most valuable arguments for the organization of the Junior High School, little use of the exploratory function was actually made because students were placed in either the specialized college preparatory division or in some other grouping even before they entered the Junior High School itself. Therefore, in the fall of 1934 the logical step was taken of making general language a required exploratory course for all students. In this way, differentiation of courses for junior high school students was postponed from the end of the sixth grade to the end of the seventh, at which time students and parents had to decide whether or not the student would continue with foreign language study. This was a definite step forward in that it meant that at least one year was being used for definite exploratory purposes by all students.

W. C. T. U.

Raymond C. Koon, Executive Secretary of the Fred H. Seavey Seminary Settlement, Morgan Memorial speaking at the April meeting of the Newton Woman's Christian Temperance Union said:

There can be no compromise with alcohol, it is the root of all the other social evils.

Repeal can undo the progress of 2000 years. It has been an instrument in defeating many of the relief projects of President Roosevelt. One has only to observe the workers on these projects on pay day to realize that a large percentage of the money is spent to purchase liquor.

The president, Mrs. Clara Bird-sall, presided.

The singing of a group of songs by Mrs. Ethel Keach Ferrin was a much appreciated part of the musical program.

Mrs. Marian H. Clark and Mrs. Blanche G. Norris were hostesses.

20th Birthday Of All Newton Music School

Twenty-five years ago Miss Elizabeth Fyffe of West Newton was invited by David Mannes to take an important post in the East Side Settlement School of New York, of which he was director. This was the first of such schools in the country. They now number some 25, of which the All Newton Music School is among the largest.

Miss Fyffe felt that her own city of Newton needed the training and advantages offered by such a school as much as New York did.

The longing for music is one which must find satisfaction, and unfortunately that hunger has sometimes been exploited. There is no license required for the teaching of music, and though the schools which offer training are usually reliable, Miss Fyffe knew of cases where needy pupils paid for shoddy education. She wished to found a school in which every dollar should receive full value, because her desire was to reach children who might not be able to get a sound musical education in any other way. Her wish was then, and the ideal of the school still is, to save and guide talent to full fruition, and also, to help those who, while without a high degree of musical talent, yet love music-making, and find in it a resource.

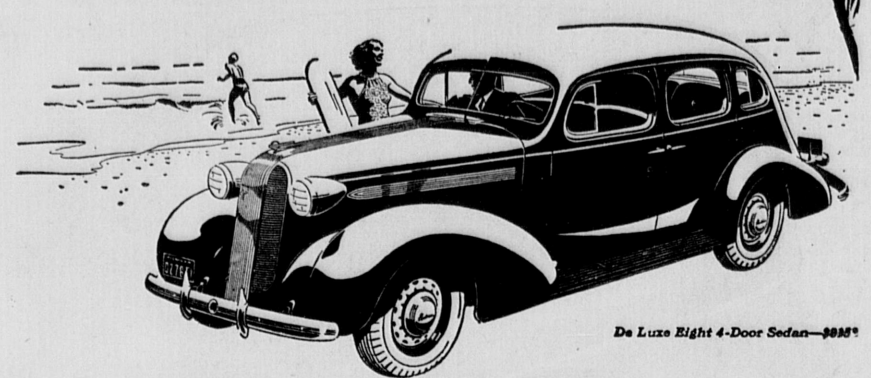

With the help of a group of friends who were as fully convinced as Miss Fyffe herself of this need, the West Newton Music School was founded on April, 1911.

From that time on its development has been steady. It has had the support of such authorities as Dr. Archibald T. Davison of Harvard, Mr. Thomas W. Surette of Concord, Mrs. Elizabeth Sprague Coolidge, donor of the Library and Hall of Music in the Congressional Library, Washington. A large number of Newton residents have given the school continuous financial support. It is now a member of the Newton Community Chest.

The school early gained the cooperation of the Public School authorities, and holds its sessions in two of the Public School buildings; the Pierce School, West Newton, and the Clafin School, Newtonville. Pupils attend the school sessions from every one of the villages of Newton, and these two schools were selected because they are easily reached by bus from any village.

Because all the villages are represented on the roll of students, the name of the school was changed in 1925 to "All Newton Music School."

LASELL JUNIOR COLLEGE

The outstanding event of the week was a concert by the Orphean Club, the college chorus of one hundred and fifty voices, conducted by Mr. George Sawyer Dunham. The assisting artists were Mr. Earle Spicer, baritone, and Mr. Harold Schwab, accompanist. The concert was given at the Auburndale Club House on Wednesday evening, April 22, at 8:15 o'clock.

The speaker at the Tuesday assembly was Dr. Welles A. Ruble of the New England Sanitarium and Hospital on "Handicaps." Today Dr. Herbert V. Neal of Tufts College gave an illustrated lecture on "To Wady Halfa and Back." Dr. Raymond Calkins of Cambridge is the Sunday vesper speaker.

On Monday night the first formal dinner of the members of the Senior Class at their own tables took place in the college dining room with the Faculty as their guests.

AUBURNDALE CO-OPERATIVE BANK

The annual meeting of the shareholders of the Auburndale Co-Operative Bank will be held at the office of the bank at 295 Auburn st., Auburndale, on Wednesday, May 6, 1936, at 7 P. M., to elect seven directors for a term of three years and to transact any business which may properly come before the meeting.

WABAN COMMUNITY GARDEN CLUB

The Waban Community Garden Club is to hold their annual meeting on Monday evening, April 27th, in the lower hall of the Waban Library. At this meeting membership dues are payable. The election of officers for

the ensuing year will take place. There will be a sale of garden plants. The speaker of the evening is to be Mrs. Mary Colburn who is the garden editor of the Boston Herald. All residents of Waban who are interested in the Garden Club are cordially invited to attend.

Our Lady H. S.

Exhibit

A beautiful model of a Shakespearean theater modeled and constructed by Louis J. Cedrone, class of '37, in connection with his study of Shakespeare, has recently been exhibited at the Frank A. Day, Junior High School. The exhibit consists of a building containing an upper and a lower stage. The yard contains miniature benches and a balcony erected for the spectators. Various characters, dressed by Katharine Morrison, also of the class of '37, greatly enhance the artistic model. It has been on display at both the Nonantum Library and the Newton Centre Branch.

Recent Renovations

The Grammar and High Schools reopened on Tuesday morning after the Easter vacation. The class rooms on the third floor of the Grammar School were painted and renovated during the holidays. A change in the afternoon session of the Grammar School went into effect this week. The hours now are from 1:30 to 3:30 rather than from 1 to 3, as formerly. The majority of the pupils now have sufficient time to go home for a hot dinner.

MIDDLESEX COURT WHIST AND BRIDGE

Middlesex Court No. 60, M. C. O. F. of Newton will hold a bridge and whist party at Elk's Hall, 429 Centre street, Newton, on Tuesday evening, April 28, 1936.

Financial Secretary, Thomas F. Bryson, is chairman of the committee in charge assisted by the officers of the Court and the delegates who are to represent the Court at the coming annual session of the high court to be held in the New Ocean House, Swampscott in May.

Our Lady's Alumni Association Clubs.

Various clubs of the Alumni Association of Our Lady's School met this week—the Knitting Club on Monday night, Church Liturgy Club on Tuesday evening, Dramatic Club on Wednesday and the Choral Society on Thursday night. The Athletic Club will meet tonight at Miami Bowling Alleys, Newton.

A general meeting of the Association will be held Friday evening at Our Lady's High School auditorium to discuss details of the arrangements for the first annual communion breakfast of the alumni which will be held on Sunday, May 24. A program of speakers and music is being planned.

Newton Chapter National Honor Society Meets

Pupils From 35 Schools Attend Induction

In honor of the tenth anniversary of the Newton Chapter of the National Honor Society representatives from 35 schools were invited to attend the annual induction ceremony, held Friday, April 17. The principals of the high schools in the following towns received invitations: Arlington, Belmont, Braintree, Bridgewater, Brockton, Brookline, Cambridge, Chelmsford, Concord, Dedham, Dover, Everett, Fall River, Foxboro, Framingham, Hingham, Holliston, Melrose, Milford, Milton, Needham, New Bedford, Norwood, Quincy, Saugus, Sharon, Swampscott, Taunton, Wakefield, Walpole, Waltham, Watertown, Wellesley, Weymouth, Worcester.

The very impressive ceremony planned and rehearsed under the supervision of Miss Edith Rideout, faculty adviser, began in darkness with only a large book reading National Honor Society and the president of the society, Norman Whitney, visible. Then four torches representing Character, Service, Leadership, and Scholarship were lighted in turn. Cornelia Brown, Marvin Perry, William Diman and Natalie Grow presented interpretations of Character, Service, Leadership, and Scholarship as the torches were lighted.

After the new members took the pledge as given by Mr. Paul E. Elicker, the principal, the Newton superintendent of schools, Mr. Julius E. Warren, addressed the assembly. His subject was "Looking Ahead."

The National Honor Society was organized in 1921 and has now grown to over 1650 chapters of the senior organization in the United States alone and nine chapters in the Philippines, four chapters in the Hawaiian Islands, two in Mexico, and one in the American School in Shanghai, China. Besides these there are over two hundred chapters in the National Junior Honor Society, bringing the total to almost 1900 chapters in the United States and possessions.

At the induction last year five per cent. of the junior class became members to form the members for this year. Members of class of 1936 in this group are:

Clarence Corwin Benedict, Eleanor Ruth Bixby, Cornelia Wootton Brown, Barbara Cheney, Admont Gulick Clark, William Alexander Diman, Emma Elizabeth Dorr, Barbara Frances Drake, Alice Newton Drury, Lloyd Joanne Edson, Frederic Wyett Fairfield, Edna Gertrude Fernald, Helen Ford, Laura Elizabeth Gallant, Natalie May Grow, Edward Francis Hennessey, James Warner Holland, Marion Catherine Jankowski, George Foster Kenison, Elizabeth Stevens May, John James McEwan, Jr., Roy Richardson Merchant, Antoinette Hunter Meyer, Marvin Banks Perry, John Norton Reel, Mary Josephine Ryan, Dorothy Marie Scully, Catherine Culver Stone, John Osborne Tomb, Andrew Moss Wales, Elsie Edith Weise, Norman Eveleth Whitney, Jean Tiffany Youngs.

From that group the following officers were elected last fall: President, Norman Whitney; vice-president, Cornelia Brown; secretary, William Diman; treasurer, Roy Merchant. This group has rendered many services to the school, such as ushering on Parents' Night and proctoring in the lunchroom. The new members, who swell the ranks to 15 per cent. of the senior class and five per cent. of the junior class, were chosen by the faculty on the points of character, service, leadership, and scholarship.

The newly chosen members are:

Grade XII—Eleanor Virginia Ainslie, Ruth Sawyer Allen, Daniel James Aquilino, Fred Hurlburt Begole, Polly Neal Brown, Joseph Richard Caruso, Harriet Zoe Church, Harvey John Cibel, Sarah Emily Clark, Lena Marie Colella, Donald Gifford Colony, Harriet Ames Conel, Daniel Lewis Cronin, Esther Elene Currie, William Mason Daniels, Mary Elizabeth Dwyer, Bernice Elkland, Hugh Howard Estes, Eleanor Ruth Farnum, Julia Alice Flagg, Nellie Lydia Frederick, Sara Freedman, Louette Glaser, Ernest Morton Gould, Jr., Ruth King Gould, John Andrew Hageman, Ruth Virginia Hartley, Catharine Schofield Hayes, Katherine Marie Herrington, Janet Selby Hickey, Porter Cornelius Jarell, Evelyn Karol, Florence Rose Lanno, Myron Lewis, Betsy Liming, Doris Mildred Marshall, Elizabeth Skinner, McMillan, Charles Henry Merendahl, Jr., John Henry Monahan, Thomas Robert Parker, Jean Patterson, Robert Morris Peebles, Anson Conant Piper, Robert Wainwright Proten, Margaret Mossman Robbins, Clara Newton Schwab, Douglas Hubbard Sears, Lydia Loe Solimene, Ruth Isabel Spaulding, William Brooks Squier, Cynthia Annetta Steitz, Elizabeth Stephen, Adenetta Beta Stickney, Elizabeth Alida Tobey, Gladys Elizabeth Trull, Carl Erickson Tucker, Joseph William Tuscher, Nancy Bradley Waddell, Lloyd Russell Walker, William Mason Wise, Jr., Burton Mosman Woodward, Samuel Brookfield Wyatt.

Grade XI—Janet Eloise Andersen, Barbara Hale Bancroft, Theodore Ross Barnett, Jeannette Benyon, Frederick Osborne Bliss, Ruth Virginia Carter, Shirley Ruth Cline, Jane Barbara Dealy, Elda Mary Dignati, Francis Christopher Donovan, Bernard Everett Ericson, Marilyn Lucia Fairfax, Dorothy Lenore Goldstein, Gladys Gloria Greenbaum, Elmer Folsom Greenleaf, Malcolm Edward Hardy, Virginia Harrington Hardy, Ann Hitchcock, Martha Ann Lane, Marjorie Etheline Lind, Leon Samuel Lipson, Richard Hallett Lovell, Mitchell Joseph Marcus, Flora Letizia Mariotti, Jane Ruth Mayer, Catherine Teresa McCarthy, Dorothy Frances McLaughlin, Janet Merrill, Robert Thayer Patey, John Mosby Perry, Stuart Campbell Peterson, Robert Thomas Rice, Ann Veronica Sanguinetti, Aurora Elizabeth Sarafian, Evelyn Wilcox Waddell, Jesse Leo Wilson.

HIKEOREE?

Since September, 1935, the Scouts and Scouters of the Norumbega Council, Inc., have been wondering just what kind of an activity a Hikeoree is. On Saturday last, eight teams started out to explore unknown area and all the information that they received was the fact that they were going to hike around fourteen miles and that they would be out for three meals. Where they were going and what they were going to do was a mystery until they opened their Hikeoree instructions that had been prepared by Mr. A. C. Blunt Jr.'s Committee. Mr. Richard F. Schroeder, a member of that Committee had the special assignment of the Hikeoree. The instructions told them to explore the Weston aqueduct from Commonwealth ave. to Nobscot and to make a map of the route over which they covered and make a report concerning the nature of the surrounding country, etc.

After threatening to rain for Saturday morning, the skies cleared up for the afternoon and at 2:00 o'clock the Troops from Newton and Wellesley began to assemble their Hikeoree teams of First Class Scouts at the Weston Bridge on Commonwealth ave. Mr. Samuel P. Allison, the Scout Commissioner, inspected their packs and equipment and off they started. The first night was spent in a wood lot, the property of Mr. C. A. Henderson in Weston. Mr. Henderson had been a war veteran and regaled the Scouts at the camp fire that night with stories of the Spanish American War.

Up at 8:00 o'clock and away to explore the country and to find where the aqueduct comes out from under a hill. Having discovered this, the teams followed this artery of Boston water supply to the small way side station of Nobscot.

The teams that finished successfully were three teams from Troop 2 Wellesley under the leadership of Scoutmaster Henry D. White. One from Wellesley under the leadership of Scoutmaster Frank Piazza, one team from Troop 5 Newton Centre under the leadership of Scoutmaster Ralph Emery, one team from Troop 14 Newton Upper Falls, under the leadership of Scoutmaster George Graf.

Professor Pulling and Dr. Steiger, Mr. Stanley Walden, William Delaney are acting as the judges and they are still working to finish correcting the reports in order that a winner may be announced. The winning team will be hoped that the winning team will be announced before May 6 at the August Club, Wellesley Hills, where the annual meeting of the Council is to be held.

LAWNS

By Frank H. Wilson, Jr., Charles River Country Club, Newton Centre

Organic Matter and Fertilizers

The soil has two functions; one mechanical, the holding of plants in place in it; one physical, the holding of water and plant food in the soil. As grass plants are large, the water, the latter function is of prime importance. The amount of water that a soil will hold depends to a great extent on its organic content or amount of humus present. Humus is vegetable and animal matter decaying in the soil. Humus acts as a sponge, holding water and plant food in solution and prevents its immediate loss into the sub-soil. In the building of a new lawn a plentiful supply of humus may be incorporated into the soil; whereas on old established or poorly constructed lawns the problem is more difficult. It then becomes a problem of building up a lawn from the top by topdressing with screened loam with a good amount of humus mixed through it. Never use humus alone as it forms layers which interfere with the movement of water in the soil. The water holding capacity of a soil may be determined in a general way by filling a five inch pot to within one half inch of the top, with soil. Fill the pot brimming full of water and allow to drain. Measure the amount of water put in the pot and the amount which runs through. This will give you a very good idea of how much plant food is being lost into the sub-soil.

The amount of organic matter in the soil governs the type of fertilizer to be used. In soils of low humus content soluble mineral fertilizers should be avoided and organic fertilizers used. Even in soils well supplied with a fertilizer furnishing the nitrogen partly in a water soluble form, and that part will slowly become available over a period of from five to seven weeks. There are a great many fertilizers on the market suited to a variety of purposes. In the growing of grass for lawn purposes we are concerned with the growing of leaves and the growth of a vigorous root system. Select a fertilizer which contains an abundance of nitrogen, nitrogen promotes leaf growth; a slightly smaller amount of phosphorus, phosphorus promotes root growth, and a small amount of potash, to promote healthy growth.

A great deal of damage can be done to a lawn by the careless application of fertilizers. If a fertilizer spreader is not available and the fertilizer is to be spread by hand care should be taken that the material is applied evenly over the entire lawn. Avoid throwing handfuls of the fertilizer in one spot as this will burn and may, if thick enough, kill the grass. Put the fertilizer on before a rain or water immediately washing the fertilizer off the leaves of the grass. In the early spring before the grass has made a tender growth there is less danger of damage from burn-

THE WEEK IN NEWTON SPORTS

By JACK MORRIS

OUR LADY'S WIN FIRST LEAGUE GAME

Our Lady's defeated St. Clement's 5-2, in a Catholic League baseball game at Dilboy Field, Somerville, last Monday morning. Captain Cliff Choquette of Our Lady's, allowed only 5 hits and struck out 17 batters. St. Clement's secured an early lead by scoring two runs in the fourth inning. Our Lady's trailed until the eighth inning, where they tied it up. In the next inning they scored three runs to win the ball game. Choquette was a trifle wild at times, walking seven St. Clement's batsmen.

Both Vic Stout and Arthur Siegel, sports writers for the Boston Traveler, have predicted that Our Lady's will win the Catholic League Championship. Stout has said that Our Lady's will win, and that only Malden Catholic High School and Mission High School of Roxbury will give any serious opposition.

In striking out 17 batters, Cliff Choquette tied the Catholic League strike-out record made last year. Curiously, this record was set by himself. He is considered one of the best schoolboy pitchers in Greater Boston.

James Tobin finally secured a regular berth, after being used principally as a pinch-hitter last year. Tobin bats left handed. Conditions indicate, however, that he will be benched when Choquette is used in the out-field.

Russell Harney was Our Lady's heaviest hitter last Monday, getting two hits out of three times at bat. Harney was selected as the second best catcher in the Catholic League last year.

Pius Mullen, last year's captain, and one of the smallest first-basemen in the league, garnered two hits out of four times at the bat in the Patriots' Day Tilt. Other hits were made by Paul O'Brien, 1 out of 2; and Robert Gallagher, 2 out of 5. Both Monis and Choquette went hitless.

TENNIS

At its sixteenth annual meeting on April 21, the Newtonville Racquet Club elected as officers: Rodney C. Eaton, president; Winslow C. Auryansen, vice-president; Fred C. Alexander, secretary and Albert D. Auryansen, treasurer; also James D. Bennett (finance committee); Frederick L. Edmonds (Membership Committee); and Norman H. Toas (Grounds Committee), as additional members of the Executive Committee.

This tennis club is an outgrowth of the Newtonville Neighborhood Tennis Club which operated a single court on Central avenue beginning more than a quarter century ago. It now owns courts of the highest grade on Lothrop street near Jennison.

SPORT NOTES

Gerald S. Bennett, son of Mr. and Mrs. Silas Bennett of 17 Duell-st., is a popular member of the sophomore class at Tufts College. He is a member of the varsity outdoor track team and will take care of the discus throwing during the spring schedule. He is also a member of the Gamma Beta Chapter of Alpha Tau Omega, one of the nine national Greek letter fraternities which have chapters at Tufts.

Arthur Hartshorn, son of Mr. and Mrs. Alfred P. Hartshorn, who is attending the Stockbridge Agricultural School in Amherst, has been elected captain of the track team for the coming season.

ing; and if the work is carefully done there need be none at any time. Lawns have two growing periods in a season: the first starting in April and continuing until the end of June; the other starts in September and continues until frost. Lawns should not be forced during the hot months of July and August. Too late feeding in the spring encourages weeds; heavy fall fertilization when the weeds are going by materially thickens the turf and crowds out the weeds. This is particularly true of crab grass. Do not neglect both opportunities to improve your lawn.

Newton Highlights

Bert Marrazzo, shortstop and keyman of Newton High's undefeated baseball team, will be out of the lineup for at least three weeks as the result of a bean-ball pitch by Callahan, Northeastern freshman hurler. It happened in the game between the two teams Friday at Newtonville, which Newton won, 7-5. Marrazzo's jaw was fractured and he lost a few teeth. Coach Jeff Jones has replaced him with Ernie Savignano, football captain, who was a candidate for the first base job.

Newton won another game Wednesday, shutting out Art Wilson's Boston University freshmen, 9-0, on a windy diamond at Riverside. Jack Herrick looked very good on the mound for Newton, allowing two hits only in the four innings he pitched. With Marrazzo on the bench, the infield was composed of Stan Gruber, John Marrazzo, Ernie Savignano and Charles Callahan.

The best news about this year's Newton team is that it is definitely a hitting team, and will make plenty of misery for the rival clubs in the Suburban League. Red Callahan got a double and a home run in the B. U. game and Castoldi hit safely three times. Newton plays at home today against North Quincy, again tomorrow against the Newton Independents, both games at Dickinson Field. The league season opens here next Wednesday with Cambridge Latin, and a second game is scheduled for next Friday at Rindge Tech.

The Newton batting order against North Quincy today, and probably in the league games next week, is as follows: J. Marrazzo, 2b; Savignano, ss; Greene, p or cf; Castoldi, p or lf; Callahan, 3b; Milner, rf; Martin, c; Cormier, rf, or Tormahene, p. On the bench will be Le Sourd, utility infielder; Newcomb, utility outfielder, McHugh, Rechel and Herrick.

Tennis Courts in Condition

Clay courts at Newton High are at last ready for play, and the Newton Centre and Burr Playgrounds courts are due to open tomorrow. Vaughn Pipes, star of the Newton Y. M. C. A. squash racquets team last winter, and one of the best-known tennis players in the state, will play with the Hunnewell Club in the Old Colony League this summer. Ronald Cullen of West Newton goes back Sunday to Severn Academy, Maryland, where he will be a candidate for the tennis team. Ralph Wales, boys' tennis champion of the city playgrounds last summer, is one of two sophomores retained on the Newton High team. Albert P. Everts, Jr., of Newtonville, state junior boys champion, will be one of the instructors in the free tennis school at Longwood covered courts in Chestnut Hill tomorrow morning. Boys and girls from 12 to 17 years old are invited to come and bring along racquets and sneakers.

Track Team Looks Strong

Newton High will have as strong a track team outdoors as they did last winter. Paul Forte is improving all the time in the 100-yard dash, and is going to be capable of an even ten seconds in the century either this season or next, according to his coach. Forte has yet to build up endurance for the longer distance, but Don Enoch pictures him as a certain winner, and the best Newton sprinter since Bob Ewing ran his hundred in 9.9 seconds at Milton Academy in 1929.

Warren Wittens, training during the vacation in New York state, is a champion in low hurdles, the broad jump, and the 440, and may compete in all three. His clocking of 24.45 seconds in the 220-yard lows last year was the fifth fastest recorded in the country by school athletes. Wittens and Ray Huling have both cleared 22 feet in the long jump. Nat Heard will undoubtedly be the class of the shot-putters again. It looks like a banner season.

SPORT NOTES

Anthony W. Sabino, son of Mr. and Mrs. William Sabino of Lowell ave., Newtonville, a freshman at Tufts College, has just been awarded numerals for playing on the Tufts Freshman Basketball Squad.

Big GAS RANGE SALE

NOTHING DOWN

Newton Dramatic Club Spring Party and Dance

The spring party of the Newton Dramatic Club was given in the Newton Centre Women's Club House, Tuesday evening, April 21st. Dancing and cards followed the floor show.

The first number was a one act play "Lady Emily Talks Business," directed by Barbara Crossley and acted by Bertram Moore, Barbara Crossley, E. C. Carleton and Clendenning Smith.

Interpretive dances were rendered by the talented young Waban dancer, Barbara Estes Clark, pupil of Kathryn Pope. Her numbers included the Sea Shell dance and an East Indian Witch dance, the latter in a beautiful cerise and gold costume.

Edgar Swail, in a group of singing monologues, captivated the audience in his own inimitable style.

The spring play of the club is to be "Accent on Youth." It will be presented in the Newton Centre Women's Club on the evening of May 26th.

Annual Spring Frolic At Eliot Church

On April 30th and May 1st, the Annual Spring Frolic, one of the social highlights of the season, will be presented in the Eliot Church Chapel at 7:30 p. m.

The presentation this year will be in the form of a popular radio hour with "Colonel Chicory" and his Amateurs plus the ever-present Gong!

Come one! Come all! Leave the dishes and have your dessert at a front row table where you can enjoy this rollicking amateur show.

Waban

—On Monday, April 27, meetings in aid of the Mother's Rest Association will be held in the Union Church vestry, and in the vestry of the Church of the Good Shepherd. Mrs. Roy Argensinger will be chairman at the Union Church meeting, and Mrs. Ellis L. Gates will be chairman at the other meeting.

FOLLOW THE FLEET AT THE PARAMOUNT THEATRE

"Follow the Fleet" the new Astaire-Rogers picture booked for showing at the Paramount Theatre, Newton, is a terrific musical bombshell, with a complete score by Irving Berlin. The music master doesn't come to the screen himself, but his genius floods it from front to back to provide rhythm for the miraculous feet of Astaire and Rogers and infectious lyrics for their voices.

Fred Astaire sings and dances to "We Saw the Sea" and "I'd Rather Lead a Band." With Miss Rogers he sings and dances to "All My Eggs in One Basket" and "Let's Face the Music and Dance." Miss Rogers has a solo song and dance, "Let Yourself Go," which is reprised with Fred Astaire as the Dance contest.

Randolph Scott, who first crashed the big time with the dancing stars in that musical fantasy of Paris, "Roberta," reaches for new laurels in this show. He neither sings nor dances but delivers red-blooded romantic appeal.

"Follow the Fleet" is an adaptation of two famous plays, "Hit the Deck" and "Shore Leave." New York stage sensation. It is a story of gobs and girls with the fleet's in. It catches the invigorating spirit of the navy, afloat and ashore, dramatizing its high-pitched excitement and gaiety, couching its robust humor, plumbing its romantic depths, and setting the whole dizzy whirl to effervescent music. There is a spectacular climax in which an elaborate style show is staged as incidental to the plot. On the same program is Jane Withers in "Paddy O'Day."

Starting Thursday, April 30, is another four-star program with Freddie Bartholomew in "Little Lord Fauntleroy," with C. Aubrey Smith, Dolores Costello Barrymore and Guy Kibbee. The companion picture will be Gene Raymond in "Love on a Bet."

Next Sunday, May 3, "The Trail of the Lonesome Pine," in beautiful color.

Hudson Terraplane Cars Up To Date

Through the courtesy of Myrton Evans, local dealer in Hudson and Terraplane cars we have had the opportunity of making an interesting automobile test. We have driven three cars, the first was of the vintage of 1926. In spite of its age the car was in surprisingly good condition. The second car was a 1931 model, also in good condition and the third a 1936 Hudson equipped with Electric Hand and all the other late developments to be found on this latest product of this old established builder.

Driving these three cars in rapid succession we have received a vivid impression of the vast strides made by the automobile industry during the past decade. We can skip the matter of appearance. Naturally what is modern and up-to-date appeals to us in this respect, but we are interested in more vital matters.

Probably the thing which struck us first was the vast improvement in riding qualities. This applies particularly to the back seat where in the older cars one expected to be tossed about when the going was rough. Not so in this 1936 model. The term Rhythmic Ride used by this particular manufacturer to describe the effects of the synchronized spring suspension which has completely eliminated rear seat throw, certainly takes on a concrete meaning when you compare the old and new cars.

Of course, from a driving standpoint the Electric Hand, by means of which gears are shifted with a flick of the finger and there is no gearshift lever to take up valuable space in the front compartment, is the most outstanding achievement. This gives driving ease and pleasure far beyond that provided in the car of ten years ago and in fact two years ago.

And the brakes! Really that is the way to measure the progress of automobile design. Even if the cars of ten years ago and five years ago could be restored to the exact condition that they were in when they left the factory line at the time of their manufacture they could not compare with what we have today.

Of course, in the important features of stability on the road at speed, acceleration, top speed and all of those qualities which are combined in that one word, roadability, the progress made in the past decade is made very vivid by the rides in the three cars. The ease of control, clear vision instruments, far better steering, quietness and so on through the long list of developments are all so evident. These things the automobile makers have been claiming are true and we know no better way to prove than to take the test ride that we did in that 1936 Hudson and contrast it with similar rides in cars that we used to think were good.

Newton

—Richard Burkhardt, who is a freshman at Knox College, Galesburg, Illinois, will take part in the college commencement play "Noah."

—On Monday, April 27, Mrs. Grovesor Calkins will serve tea at her home to a committee who will meet for the benefit of the Mother's Rest Association.

—A Service, illustrating the music of worship, Immanuel Baptist Church on Sunday morning, April 26, at 10:30 o'clock will take the place of the usual Choir Recital that has been given in recent years early in May. Music will be sung by Immanuel Choir, Agnes Edwards Hatch, Director, as follows: "Kyrie," Cesar Franck, "Oh, Holy Lord," Dett; "Our Father," Gretschinoff, "One Hundred and Fifty-third Psalm," Cesar Franck, Choir Hymns, "Hail du denn Liebster," "Crusaders Hymn."

DANCE AT NEWTON CENTRE

The Kappa Theta of Brookline and Newton will hold a dance and floor show at the Newton Centre Woman's Club House this Friday evening from 9 until 2.

Newton

—Mrs. C. T. Pierce and son of Sargent park left last Saturday for Washington.

CHRISTIAN SCIENCE

"Probation After Death" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 26.

The Golden Text is: "Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead" (1 Peter 1:3).

Among the citations which comprise the Lesson-Sermon are the following from the Bible: "Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time" (1 Peter 5:6); "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him" (James 1:12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The divine must overcome the human at every point. The Science Jesus taught and lived must triumph over all material beliefs about life, substance, and intelligence, and the multitudinous errors growing from such beliefs. Love must triumph over hate. Truth and Life must seal the victory over error and death, before the thorns can be laid aside for a crown, the benediction follow. 'Well done, good and faithful servant,' and the supremacy of Spirit be demonstrated" (p. 43).

From Silver Plate to Banks

BEFORE there were Savings Banks, wealthy merchants had their surplus silver coins melted and made into articles for the home.

Today, it's just the reverse. People use the Savings Bank not only to save for silverware, but also other articles to make home more comfortable.

Are you banking some of your silver coins for the things you want?

—Mr. Duncan McDonald and family have taken an apartment on Floral place.

Recent Deaths

CORNELIUS J. SPILLANE

Cornelius J. Spillane of 12 Green st., Newton died on April 17. He was born in Roxbury 60 years ago and had resided in Newton for about 20 years. Mr. Spillane had been employed for many years in the City Collector's office in Boston and was one of the most expert and valued employees of that department. He was a member of Mount Pleasant Council, K. of C.; the Fourth Degree Assembly and the Mass. Catholic Order of Foresters. He had been interested in Catholic charitable activities in Greater Boston. His funeral service was held on Tuesday morning at Our Lady's Church and burial was in St. Paul's Cemetery, Arlington. Mr. Spillane is survived by his widow, Mrs. Mary G. Spillane; a brother, Michael Spillane; and two sisters—Misses Anna and Alice Spillane, of Brighton.

ESTHER E. BACON

Esther E. Bacon, widow of the late Myron E. Bacon, passed away at her home on Concord st., on Wednesday, after an illness of one week. Mrs. Bacon was born in Denmark, Maine, 63 years ago and had resided in this city for over 35 years.

Funeral services were held this afternoon at the Odd Fellows' Hall, West Newton, at 2:30. Rev. Edwin J. Fairweather officiated and the Rebekah service was conducted by officers of Tennyson Lodge. Burial was in the Newton Cemetery.

Mrs. Bacon was a past noble grand of the Tennyson Rebekah Lodge and a member of the Eastern Star, and the Ladies' Aid of the Perrin Memorial Church.

BENJAMIN K. BROWN

Benjamin K. Brown of 145 Harvard st., Newtonville died on April 17. He was born in Newton 60 years ago, the son of Mr. and Mrs. Albert G. Brown. He is survived by his widow, Mrs. Louise F. Brown; and two daughters, Misses Elinor and Marjorie Brown. His funeral service was held on Monday, Rev. L. W. Emig officiated. Burial was in Newton Cemetery.

JACOB CADMAN

Jacob Cadman of 13 Brook st., Newton, died on April 20th, at Newton Hospital. He was born in Shemague, New Brunswick, 86 years ago. For 30 years he had been in the employ of C. H. Spring at Newton Lower Falls. He is survived by a son, David Cadman. His funeral service was held Tuesday evening at the Rich Funeral Parlor, Newton. Rev. William Gunter of the Newton M. E. Church officiated. Burial was at Bayfield, N. B., yesterday.

DR. WILLIAM B. COLEY

Dr. William B. Coley died on April 16th at his home, 123 East 53rd st., New York City, in his 75th year. He was the husband of Alice (Lancaster) Coley, formerly of Waverley ave., Newton. His funeral service was held Saturday at the Brick Presbyterian Church, New York City. Dr. Coley was a native of Westport, Conn., and a graduate of Yale University and Harvard Medical School. He had won fame as a surgeon and cancer expert.

GEOGIANNA CAMPBELL

Mrs. Georgianna Campbell of 111 Court st., Newtonville, widow of Hugh Campbell died on April 17. She was born in Caribou River, Nova Scotia, 84 years ago and had resided in Newton for over 20 years. She is survived by two daughters, Mrs. Sadie Brown of Rutland and Mrs. Robertina DeLesdernier of Hartford. Her funeral was held on Sunday at Cate's Funeral Parlor. Burial was in Newton Cemetery.

Sugar Product of India

for Thousands of Years

Sugar cane appears to have originated in India, where it has been cultivated for thousands of years. When Alexander's soldiers invaded that country one of the wonders that they reported back home was the existence of a kind of honey that did not come from bees. But, as too often happened among the ancient Greeks, they merely marveled that such a substance could exist. It never occurred to them to try to transplant the cane into the Mediterranean countries, says a writer in the Chicago Tribune.

From India the cultivation of cane spread to Persia. The Romans during the later days of the empire imported small amounts of crude sugar in the form of dark, sticky lumps. It cost far too much to be used for food and so was prescribed as a medicine for the ills of the very rich.

The Mohammedan conquests carried the cultivation of cane to the eastern Mediterranean countries, where the Egyptians developed the earliest commercial methods of refining. The returning crusaders brought a taste for sugar back with them to Europe during the Twelfth century. From then on a considerable amount of the commodity was imported into European countries from the Near East, although it continued for centuries to be a luxury that only the rich could afford.

During the latter part of the Seventeenth century all of Europe suddenly started to drink tea, coffee, and chocolate. The increased demand for sugar to sweeten these cups led to the transplanting of cane to the New World, particularly to the West Indies. Since then sugar has become increasingly a part of the diet of the common man.

Kiln Drying of Lumber

Less Expensive, Quicker

The untold process of air seasoning of woods has been almost entirely replaced in this country by kiln drying. In the air seasoning process the moisture content of the wood is reduced by exposure to atmospheric conditions. This means that the wood must remain in the lumber yard for many seasons before it is conditioned for manufacture into furniture which will withstand the strain of household use and not warp and shrink with changes in temperature. This is the older method of seasoning wood. It is long and costly.

Just as artificial methods are found more satisfactory in many processes, so kiln drying of woods is more certain, less expensive and quicker. Artificial heat may be applied to the lumber and the moisture content reduced to the exact quantity most desirable for furniture.

The dry kiln is the product of about 30 years' research and experience.

The Stone Stone

In Westminster Abbey there is a beautifully carved chair in which our kings sit when they are crowned. Under the seat of the chair is a big piece of stone. This is the stone on which the kings of Scotland used to be crowned. It was brought to London from Stone, near Perth, back in 1296, when Edward I took an army into Scotland. Many legends are attached to it. One says that it was the stone on which Jacob rested his head when he had the vision of the Angels journeying between heaven and earth.—Pearson's Weekly.

Interesting Churches in London

Throughout the city of London there are many interesting churches, situated in peculiar positions—some sandwiched between large modern business premises and others hidden away in side passages—but most of them date from the Seventeenth century, having been erected since the great fire of London in 1666, which destroyed the old buildings. St. Bartholomew's, Smithfield, near Newgate street, survived the great fire, and is over eight hundred years old.

Smallest Known Animal

The smallest known animal is the pigmy shrew (microsorex hoyi winneman), which weighs 2.9 grams and is native to Europe and Asia, living in the neighborhood of woods and feeding at night on insects, worms and slugs. It is pugnacious and very voracious and produces five to seven naked, blind and toothless young in a litter.

"Sealer" Seals for Painting

The term "sealer," used in connection with painting, refers to a coating formulated to fill the pores of unduly absorbent surfaces, in preparation for painting. By preventing the absorption of oil from the paint they not only reduce the number of coats required, but insure a more uniform appearing and stronger film.

Smooth Seas

A smooth sea never made a skillful mariner, neither do uninterrupted prosperity and success qualify for usefulness and happiness. The storms of adversity, like those of the ocean, rouse the faculties, and excite the invention, prudence, skill and fortitude of the voyager.

Giant Snails

British snails are very small compared with some that live in foreign countries. In Zululand, for instance, there are snails as large as kittens. Some tropical kinds have shells eight inches long, while certain South American species lay eggs as large as those of a pigeon.

Recent Engagements

Mr. and Mrs. Ernest P. Rallsback of Newtonville have announced the engagement of their daughter, Miss Mary Jane Rallsback, to Rev. Edgar Marshall Bell, son of Rev. James Marshall Bell and the late Agnes Nevins Bell, of Sanborn, N. Y.

Miss Rallsback attended Wellesley College for two years and the University of Indiana, graduating there in 1934. She is a member of Kappa Kappa Gamma and Phi Beta Kappa.

Mr. Bell attended Carnegie Institute of Technology, where his fraternity was Delta Tau Delta. He also attended Bethany College at Bethany, West Virginia, where he graduated in 1929. He received his B. D. degree from Yale University Divinity School in 1932. Rev. Bell is pastor of the Greenville Congregational Church in Newich, Connecticut.

The marriage will take place in the Fall.

Mr. and Mrs. Duncan Wright of Chestnut street, Waban, have announced the engagement of their daughter, Miss Margaret Wright, to Winthrop Lane Brown, son of Mrs. Edwin Hacker Brown of Minneapolis, Wisconsin and Milton. Miss Wright is a graduate of the State School and is now attending Miss Sacker's School of Design. Mr. Brown attended the Blake School in Minneapolis, Milton Academy and Harvard University.

Mr. and Mrs. F. P. Batchelder of Peabody gave a family dinner party at The Century Inn in Peabody on Easter Sunday when they announced the engagement of their daughter, Miss Grace E. Batchelder, to Frank A. Batstone, Jr., son of Mr. and Mrs. Frank A. Batstone of 48 Eliot avenue, West Newton. Miss Batchelder, who is a teacher in the Angier School in Waban, graduated from the Peabody High School in 1927 and from the State Teachers' College in Salem in 1930.

Mr. Batstone was a member of the class of 1930 at the Newton High School and of the class of 1934 at the Massachusetts State College. He holds a government position as landscape engineer in Warwick, Mass.

Mr. and Mrs. J. Earle Parker of Metacomet road, Waban, have announced the engagement of their daughter, Miss Elizabeth Burdett Parker, to John Thayer Andrews, son of Mr. and Mrs. Charles A. Andrews of Amherst, and formerly of Waban. Miss Parker received her B. A. degree from Middlebury College in 1930 and her M. A. Degree in 1935. She is now teaching at the East Hartford, Conn., High School. Mr. Andrews was graduated from Amherst College in 1927 and in 1929 received his master's degree in philosophy at Harvard. He is an instructor in philosophy and psychology at Beloit College, Wisconsin, and will next year teach at Middlebury College, Vermont. A Fall wedding is being planned.

Mr. and Mrs. Clarence M. Cony of Augusta, Maine, have announced the engagement of their daughter, Miss Faith C. Cony, to Dr. Vincent T. Lathbury, Jr., son of Dr. and Mrs. V. T. Lathbury, also of Augusta. Miss Cony, who is at present residing in Newton Highlands, is a teacher at the Ralph Waldo Emerson School. She is a graduate of Cony High School and Boston University. Dr. Lathbury graduated from the High School Bowdoin College and Tufts Medical School. He served as an interne at the City Hospital in Worcester and is now a practicing physician in Skowhegan, Maine.

Mr. and Mrs. Maurice Rosenfeld of Brookline have announced the engagement of their daughter, Miss Elizabeth Rosenfeld, to Ernest Brezner, son of Mr. and Mrs. Nathan Brezner, of Mandalay rd., Newton Centre.

Mr. and Mrs. George R. Bacon of West Medford have announced the engagement of their daughter, Miss Alice Virginia Bacon, to Lindsey Hooper, Jr., son of Mr. and Mrs. Lindsey Hooper of 50 Ward street, Newton Centre. Miss Bacon attended LaSalle Junior College and Mr. Hooper attended the Roxbury School in Chelsea, Conn.

Announcement has been made by Mr. and Mrs. Philip J. Marget of Brookline of the engagement of their daughter, Miss Doris Marget, to Edward C. Marget, son of Mrs. C. Marget of Newton. Miss Marget is attending Boston University and Mr. Marget is a graduate of Harvard.

Refuse Reckless Driving Complaint

A hearing was held last Friday before Clerk of Court Gallagher on the issuance of a complaint against J. Arthur Gogan of 76 Palmouth rd., West Newton, on the charge of driving so as to endanger the lives and safety of the public. At 9:45 a. m. on April 24, a car driven by Gogan hit a car operated by Andrew Stewart of Jamaica Plain, opposite 527 Washington st., Newton. Two women passengers in Stewart's car were reported as having received injuries. After hearing the evidence, Mr. Gallagher declined to issue the complaint. Stewart reported that his car was parked when Gogan's car hit it. Gogan testified that Stewart had stopped his car suddenly and this caused the collision.

REAL ESTATE

Doris Carley's office reports the following families have secured the homes they hoped for at a price within their budgets: Property located at 456 Lowell ave., Newtonville leased for J. L. Nesson to Mr. Claude B. Lovewell; property located at No. 4 Ware rd., Auburndale, leased for Helen G. Beamish to John M. Barron.

Recent Weddings

DEWOLFE—CONSIDINE

Miss Catherine Considine, daughter of Mr. and Mrs. Martin Considine of 114 Eastside Parkway, Newtonville, was married to Wallace Lawrence Dewolfe, son of Mr. and Mrs. Harold Dewolfe of 250 California st., Newton, at 4 o'clock on Sunday afternoon, April 19th, at the Church of Our Lady, Newton. The ceremony was performed by Rev. Joseph P. Shea, a cousin of the bride, of Medford.

The bride's gown was of ivory satin and she carried a bouquet of roses and lilies of the valley. Miss Elizabeth Considine, sister of the bride, who was maid of honor, wore flesh colored chiffon and carried tea roses. Mr. Oliver Biama was the best man.

A reception and dinner were held at the Bonnar Atwood Studio in Newtonville following the ceremony, at which a large number of guests were present.

On their return from a wedding trip to Montreal and Quebec, Mr. and Mrs. Dewolfe will reside at 13 Waban st., Newton.

BLAIR—KING

The wedding of Miss Dorothy Isabel King, daughter of Mr. and Mrs. Robert King of Auburndale to Charles Spurlock Blair, son of Mr. and Mrs. Charles S. Blair of Newton, took place on the afternoon of April 17 at the bride's home, 31 Sharon ave., Auburndale. The ceremony was performed by Rev. Mason W. Sharp, pastor of the Centenary Methodist Episcopal Church, Auburndale.

The bride was attended by her sister, Miss Madeline P. King, and the groomsmen was Elmer Blair, brother of the groom.

Mr. Blair is in the employ of the Paramount Home Improvement Corporation of New England, and Mrs. Blair is in the employ of the West Newton Savings Bank.

Following a wedding trip to New York City, they will reside at 51 Florence rd., Waltham, after May 1st.

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Warren F. Varley to the Waltham Co-operative Bank, dated March 26, 1929, recorded with Middlesex South District Deeds, Book 518, Page 361, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at ten minutes past ten o'clock in the forenoon of said day, to-wit: May 20, 1936, on the premises hereinafter described, all and singular the premises conveyed by said mortgage, and therein described substantially as follows, to-wit: "the land in Newton, Middlesex County, Massachusetts, with the buildings thereon, being the easterly half of Lot 14 on a 'Plan of Real Estate situated in Newtonville, belonging to Daniel Lancelotti', dated April 1869, made by Marshall S. Rice, Surveyor, and recorded with Middlesex South District Deeds, Plan Book 16, Plan 59, bounded:

Northeasterly by Nevada Street, forty-five (45) feet;

Southeasterly by Lot numbered 13 on said plan, two hundred (200) feet;

Southeasterly by Lot numbered 17 on said plan, forty-five (45) feet; and

Northeasterly by the remaining portion of said Lot numbered 14 on said plan, two hundred (200) feet;

Containing nine thousand (9000) square feet of land.

Being the same premises conveyed to me by deed of Atlantic Mortgage Trust, Inc., dated December 5, 1927, and recorded with said Deeds, Book 517, Page 258."

Sale will be subject to all unpaid taxes, tax titles and places of sale, balance within fifteen days thereafter; other terms to be announced at the sale.

WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

Officers Elected And Year's Work Summarized

Community Service Club of West Newton

The Community Service Club of West Newton held its Annual Meeting at the Unitarian Church on Wednesday, April 15th, which was preceded by a Luncheon, served by Mrs. Thomas E. Cooper, Jr. and Mrs. Marian Kingsbury. Among the invited guests of honor were Mrs. Katherine P. Cowin, a former president of the Club, and Miss Emma D. Coolidge.

After the luncheon, the Annual Meeting and election of officers took place, the president, Mrs. George S. Fuller, presiding.

The recording secretary, Mrs. Charles N. Gregg, gave a very comprehensive account of the work of the Club during the past year. Among the activities for the benefit of others were the Volunteer Service committee, the Red Cross Motor Corps, and the Sewing Group, and under this heading should be included the sale of Christmas Seals in West Newton, which is under the direction of the Community Service Club, and which this year amounted to \$721.19.

The Club has sponsored Book Classes, led by Mrs. Alice Dixon Bond, and the course on Current Events, given by Mrs. Claude U. Gilson. One group of members has met for French Reading Classes. The Glee Club now has a membership of 22 and under the direction of Mrs. Marian Kingsbury has given pleasure to several organizations in West Newton by singing for them.

The Program committee has furnished a varied program of lectures, monologues, and music, which have given great pleasure to the members.

The treasurer, Mrs. Ethel P. Leach, reported that the Club has given \$245.00 for charities during the last year. A Card Party and two Food Sales have been held, of which the proceeds were \$320.50.

It was announced that a Memorial Scholarship Fund of \$50.00 has been established, with the aim that it will be increased from year to year.

It was with special pleasure that the president announced that during the coming year the lectures on Current Events will be open to all members as part of their Club privileges, and it is hoped that Mrs. Gilson will conduct them.

The following officers were elected for the year 1936-37: President, Mrs. George S. Fuller; vice-presidents, Mrs. W. L. Butcher, Mrs. William M. Wise, Mrs. Holcombe J. Brown, Mrs. Benjamin G. Rae, Mrs. Leslie P. Phinney, and Mrs. Albert C. Blunt, Jr., treasurer, Mrs. Ethel P. Leach; recording secretary, Miss Katherine Esson; corresponding secretary, Mrs. Clarence O. Dales; clerk, Mrs. Clarence S. Madden; auditor, Mrs. Holcombe J. Brown; Federation delegates, Mrs. William E. Crosby, Mrs. Harry S. Baldwin, and Miss Ethel Woodberry; and Nominating committee for 1937, Miss Priscilla Eddy, Mrs. Quincy W. Wales, Mrs. William D. Ireland, Mrs. Robert H. Loomis, and Miss Fanny Gray.

At the close of the business meeting, a short but most appreciated program was given, which included two piano numbers by Miss Barbara Tower; several poems which were written and read by Mrs. Katherine P. Cowin, and a group of songs by Mrs. George N. Abbott, which in a very delightful way brought to a close the most successful season of the West Newton Community Service Club.

Newton Centre Woman's Club

The Executive Board of the Newton Centre Woman's Club held its last meeting on Tuesday morning, April 14th, at the Club House. After the business meeting a Luncheon, in honor of Mrs. George W. Smith, the retiring president, was served by Board members in the Reception Room.

An appropriate gift was presented to Mrs. Smith in behalf of the Board by Mrs. G. Horace Williams, Finance chairman.

A "Fake Board Meeting" was then staged, with Mrs. Howard O. Winslow impersonating Mrs. Smith as president; Mrs. Kirtley Mathers, Douglas B. French, Shaw, treasurer; and the remainder of the Board participating, which was most entertaining.

The Annual Meeting and Luncheon of the Club was held on Friday, April 17th, at the Club House with an unusually large attendance. The committee reports were read in condensed form by the recording secretary, Mrs. Thomas W. Cumner.

The officers and new Executive Board members elected were: President, Mrs. Arthur B. Hitchcock; first vice-president, Mrs. Howard O. Winslow; second vice-president, Mrs. Kirtley F. Mathers; recording secretary, Mrs. A. Harry Hutchinson; corresponding secretary, Mrs. Eleanor B. Widger; treasurer, Mrs. Fred Shaw; assistant treasurer, Mrs. Walter I. Muldon; auditor, Mrs. John W. Duhaime; and directors, Mrs. Douglas B. French, Mrs. Harrison B. Webster, Mrs. Ralph E. Houghton, Mrs. Henry J. Ide, and Mrs. Donald E. Welch.

The luncheon was served in the Recreation Room downstairs. Mrs. John F. Capron, the retiring Twelfth District director, was one of the guests at the table with the past and coming officers and Executive Board members. Other guests were the two girls who were awarded the Jennie C. Harwood Scholarship, Miss Jane Hesselein for 1935-36, and Miss Natalie Grow for 1936-37. They were introduced by Mrs. Hitchcock, and gave short talks. Songs were led by Mrs. Thomas C. Cumner.

COMING EVENTS

Apr. 25, State Federation, Radio Broadcast, Station WBZ, 11:30 a. m. Speaker, Dr. Louise Levorne, chairman of Public Health. Also a Guest Speaker to be presented by Mrs. Bernard S. Sabean, chairman of Motion Pictures.

After the luncheon the Dramatic committee presented two one-act plays, "A Midnight Fantasy", by Katharine T. Hunt; with the cast, Mrs. George H. Waterman and Josephine Tyler, "Bargain Cure", by Bell El. Hott Palmer; with the cast Mrs. Alice Andrews, Mrs. Helen C. P. Noetzel, Mrs. Edith W. Kellar, Mrs. Annie L. Eastman, Mrs. Marion E. Merrill, Mrs. Margaret S. McFee, Mrs. Sibyl Vaughan, and Mrs. Ruth D. Welch.

There were twenty present from the New England Baptist Home as guests of the Club.

Resolutions To Be Presented At Council Meeting

The attitude of nearly 3,000,000 women toward vital matters of national and international policy will be declared through Resolutions voted on by delegates to the Council Meeting of the General Federation of Women's Clubs, to be held in Miami, April 27th through May 1st. These cover appropriations for combating the threat of war; wildlife conservation, through co-operation with State and Federal agencies; the establishment of a National Academy of Public Affairs to educate and train women and men for public service; adoption of Uniform Vehicle code for Highway Safety; Crime prevention and correction measures; and delegates will reaffirm also their stand upon membership of the United States in the League of Nations, and Child Labor amendments to the Constitution.

A whirlwind three days of discussion and planning are promised, with sessions in the evening. Mrs. Roberta Campbell Lawson, president, will preside over all sessions. Two speakers have accepted invitations to participate in the symposium, "What Patriotism Means to Me," on National President's Night, April 30th. They are Mrs. Grace Elmore Gibson, prominent attorney of Tulsa, Oklahoma, and Mr. Luther Harrison of the Daily Oklahoman, Oklahoma City. Mrs. Gibson, who is the first woman ever to sit on the Oklahoma Criminal Court Bench in a case, will speak from the woman's viewpoint, stressing woman's patriotic service up to the present time, and giving glimpses of her place in the civilization of today. Mr. Harrison will discuss "Citizenship Responsibility in Democracy." The viewpoint of youth will be presented by a woman college student whose name has not yet been announced.

Massachusetts State Federation officers, directors, and prominent clubwomen, left Boston yesterday, April 23rd, to attend the Council meeting. Among them were the president of the Federation, Mrs. Thomas J. Walker, who is also the new General Federation director; Mrs. Frank P. Bennett, the retiring General Federation director; Mrs. John H. Kimball, first vice-president of the State Federation, who will represent Mrs. Walker at the Council of State Presidents; Mrs. Herbert F. French, fourth vice-president, and Extension secretary for International Clubs; Mrs. Norman Hastings, president of the West Roxbury Woman's Club, who now heads the General Federation American Home department; Mrs. D. Henry Childs, Third District director; Mrs. Walter H. Woods, Fourth District director; Mrs. Joseph P. Brown, Fourteenth District director; Mrs. J. A. DeHaas, president (Continued on Page 10)

Changes in By-Laws And Other Reports Considered

The monthly meeting of the Executive Board of the Newton Federation of Women's Clubs was held Friday, April 17th, at 10 a. m., in the Newton Library.

After the reports of the secretaries were read and approved, the method of voting at the Annual Meeting on May 4th was discussed.

Mrs. Thomas L. Aiken spoke of the work of the War Veterans committee in the State Federation, and moved that the Newton Federation add a committee of co-operation for War Veterans.

Miss Elizabeth P. Bartlett gave notice of the various bridge parties to be held during the week of April 27th throughout Newton, to benefit the "Mother's Rest."

Mrs. Edgar P. Hay recommended certain changes in the By-Laws and then took the chair while the president, Mrs. J. Earle Parker, explained the reasons for the proposed changes.

April 29th was announced by Mrs. Benjamin D. Miller as the last day to obtain tickets for the Luncheon at Brae Burn on May 4th.

Mrs. Edwin H. Dyer, chairman of Conservation, mentioned the co-operation promised by the Mayor Hon. Edwin O. Childs, for mosquito control.

Mrs. Ernest Cobb, chairman of Motion Pictures, urged that all pressure possible be brought to assist in the passage of the Pottersbill Bill.

Mrs. Parker announced that she would be in Florida for the next two weeks attending the Council Meeting of the General Federation of Women's Clubs to be held in Miami, April 27th to May 1st.

Various Events

Newton Highlands C. L. S. C.

On Monday, April 27th, the Newton Highlands C. L. S. C. will meet with Mrs. Emory Clark, of 138 Allerton road. Mrs. Chester Tudbury will have charge of the afternoon's program, with the subject "Aviation." Mrs. Emory Clark and Mrs. William Leonard will present Current Events.

Newtonville Woman's Club

The last in the series of the six Literature Afternoons sponsored by the Education committee and directed by Mrs. Wallace C. Boyden and Mrs. J. Mace Andrews, will be on Monday, April 27th, at 2:30 o'clock, at the home of Mrs. Boyden, 64 Oakwood road. The leaders for the past few meetings have been past presidents of the Club and on Monday, Mrs. Gorham W. Harris will read a paper on "Desert Lore."

Tea will be served and there will be a social half-hour at the close of the program. All Club members and their friends are invited.

West Newton Women's Educational Club

The West Newton Women's Educational Club held their regular meeting on Friday afternoon, April 17th, in the Second Church.

An "Afternoon of Reminiscences" was presented by the past presidents of the Club, Mrs. John F. Capron, the Twelfth District director, was the guest of honor.

Mrs. Ernest A. Dockstader, Program chairman, introduced Mrs. George St. Amant, who, being the dean of the living past presidents, was in charge of the introductions preceding each "Reminiscence."

Mrs. John Shade Franklin, president of the Club, read the "Highlights" of the terms of the Club leaders from 1880 to 1912-1913, which included Mrs. Electa N. L. Walton, Mrs. Alvah R. Bailey, Mrs. Richard Rowe, Mrs. Henry K. Burrison, Mrs. Alvah T. Clifford, Mrs. Thomas M. Elwell, Mrs. Everett S. Jones, and Mrs. Bernard Early.

Miss Lucy Allen, daughter of Mrs. Chester B. Allen, who with Mrs. Walton was helpful in founding the Club, gave a very fine account of the history of West Newton as it was in the Club's early years.

The past presidents who attended the Club meeting and who gave those present an opportunity to become familiar with the "Highlights" during their time of office were: Mrs. Walter A. Beedle, 1915-1917; Mrs. Harry S. Wells, 1921-1923; Mrs. Joseph A. McDonald, 1923-25; Mrs. John R. McLean, 1925-26; Mrs. Fred M. Blanchard, 1926-1928; Mrs. Joseph A. Otis, 1928-1930; Mrs. Raymond O. Littlefield, 1930-1931; Mrs. Earl D. Brackett, 1931-1933; and Mrs. Edgar P. Hay, 1933-1935.

The Club was indebted to Mrs. John R. McLean, historian of the Club, for assembling most of the history related.

Mrs. John F. Capron, Twelfth District director, was the guest of honor. After a very enjoyable afternoon, tea was served in the Ladies' Parlor by Mrs. Louis W. Bruemmer and members of her committee. Mrs. June Chipman and Mrs. Austin S. Kilburn were the pourers.

The last meeting for this season of the Travel Class of the West Newton Women's Educational Club will be held at the home of Mrs. Dayton P. Haigney, 277 Watham st., West Newton, on Monday, April 27th, at 2 p. m. Mrs. Gilbert R. Jones will be the assisting hostess, and also will read a paper of interest to the Class, and Mrs. Fred Fowle will read a paper on "Antwerp, Belgium."

Problems in Subtraction Always Puzzle the Birds

Many birds possess a number sense—which should not be confused with counting—declares Dr. Tobias Dantzig in "Number: The Language of Science." For instance, if a nest contains four eggs one can safely be taken, but when two are removed the bird generally deserts. In some unaccountable way the bird can distinguish two from three.

A squirrel was determined to shoot a crow which made its nest in the watch tower of his estate. Repeatedly he had tried to surprise the bird, but in vain. At the approach of man the crow would leave its nest. From a distant tree it would watchfully wait until the man had left the tower and then return to its nest.

One day, the squirrel hit upon a ruse. Two men entered the tower. One remained within, the other came out and went on. But the bird was not deceived. It kept away until the man within came out. The experiment was repeated on the succeeding days with two, three, and then four men, yet without success. Finally, five men were sent. As before, all entered the tower, and one remained while the other four came out and went away. Unable to distinguish between four and five, the crow promptly returned to its nest.

By the way, has it occurred to you that there is no last number? The process of counting cannot conceivably be terminated. Doctor Dantzig points out. Every number has a successor. There is an infinity of numbers.

Gallows Spring Failed

Three Times; Man Saved

Hangings in England used to provide a holiday for the people who gathered from far and near to witness them. Such an event occurred at Exeter, England, on a February day in 1885, but no one dreamed of what its horrifying outcome would be, notes a writer in *Capper's Weekly*. The condemned man, John Lee, stood on the gallows and had said goodbye. The sheriff signaled to spring the trap but nothing happened. The trap didn't work so Lee was taken down. The mechanism was tested until it worked perfectly. The condemned man was led up again and once more the trap refused to work. By this time many persons in the crowd had become hysterical. There were shouts and screams, especially among the superstitious. Others prayed. The lever was tested again and a third time the man stood on the gallows awaiting his doom. When the trap failed to work a third time the crowd became uncontrollable, especially when someone yelled, "He is innocent," a cry which others took up. Lee was taken down and returned to his cell where his sentence was commuted to 22 years in prison which he outlived and finally died in his own bed.

Shortness of Long Lives

As he that lives longest lives but a little while, every man may be certain that he has no time to waste. The duties of life are commensurate to its duration, and every day brings its task, which if neglected is doubled on the morrow. But he that has already trifled away those months and years, in which he should have labored must remember that he has now only a part of that of which the whole is little; and that since the moments remaining are to be considered as the last trust of Heaven, not one is to be lost.

Insects Sold as Pets

Crickets and other chirping and singing insects are sold in small cages in Japan and kept by the people as pets. They are fed all the sliced cucumbers they can eat, and later released, writes Samuel H. Wainwright, Jr., in "Beauty in Japan." This parting is a touching scene. The owner takes his cage outdoors and releasing his insect in a spot with either bushes or grass, waits till he hears the cricket chirp that all is well, then returns to the house.

Superstition About Elder

The elder and the spirit of the elder appear frequently in the mythology of the peoples of northern Europe. The Danes believed it bad luck to use the wood for furniture. The Russians believed the elder drove away evil spirits. There was also a medieval tradition that Judas hanged himself on an elder.

Monoxide Gas

Monoxide gas is found elsewhere than in garages and autos. It comes from the crack-filled furnace, from practically all kinds of poorly working stoves and smoking lamps, and it flows from the leaking gas jet as a principal part of cooking gas. Birds and small animals are affected much more quickly by monoxide than humans.

Fiddled for King

An English diary of the time of the American Revolution tells how the "king" bathed with great success; a machine follows the royal one into the sea filled with fiddlers who play "God Save the King" as his majesty takes his plunge.

Curse of Mountains

In olden days people did not dare climb mountains for superstitions abounded about the supernatural doings going on at the top, and even to this day the people about the Himalayas believe there is a curse on those who try to ascend.

Rev. Tage Teisen, Rector of Grace Church Resigns

Illness Forces Rector to Leave Parish

Rev. Tage Teisen, for the past two years rector of Grace Episcopal Church, Newton, has resigned because of illness, and his resignation has been accepted. A committee of the Vestry of the church has been appointed to secure a successor to Mr. Teisen. In this week's issue of the Grace Church Bulletin the following letter from Rev. Mr. Teisen is printed: "My dear Friends:

"It is with deep regret that I am writing this, the last message that I shall write as your Rector. At a meeting held on Easter Monday night the Vestry at my earnest request accepted my resignation. Let me say that my resignation was first submitted some time ago and that the Vestry at that time declined to accept it. The memory of their kindness and generosity I shall carry with me through life.

"I think you know what has made my resignation absolutely necessary. More than a year ago I became afflicted with arthritis in such a form that it has made it impossible for me to carry out my duties as in my judgment they should be performed. The responsibility for the work of the Parish has weighed heavily on me during this last year, and the fact that in my own heart I knew that I could not meet those responsibilities has made me at times most unhappy. At the same time the kindness, the sympathy and the loyalty of every member of Grace Church has touched me very deeply and it is with the most profound regret that I have arrived at the decision that for the sake of Grace Church as well as for my own sake I must leave you.

"My Rectorship has covered not quite two years. In that period I fear that not very much has been accomplished, but I hope and believe that under the leadership of a well and vigorous man any ground that may have been lost will speedily be recovered.

"During the time that I have been with you I have been able to give you so little and you have given me so much. As the days go on the memory of what I have had to undergo because of illness through this last year will be lost—swallowed up by the memory of your never failing understanding and affection.

"May God bless Grace Church!"

"Affectionately yours,
"TAGE TEISEN."

Sunday Vendor Is Arrested

Harold Barron of Chelsea was arrested Sunday afternoon by Patrolman Lyons for peddling without a license and driving a car after his license had been suspended. Barron was driving an ice cream truck along Commonwealth avenue and had a crew of assistants selling ice cream bars to spectators of the bicycle race. He was arraigned in the Newton court on Tuesday and his case continued until April 29.

Morgan Memorial Educational Work

Miss Edith McDowell, Director of the Educational Work at Morgan Memorial shows in her report for the year 1935 just now released that there have been a total of 1,702 pupils and teachers registered in 157 different clubs and classes. These classes vary in interest from Boy and Girl Scouts to Dramatic, Musical, Handicraft, Gymnasium and Americanization groups. Reflecting the polyglot nature of the neighborhood is the fact that 31 different nationalities are represented in the Morgan Memorial Educational Program.

Temple Emanuel Campaign

The Executive Campaign Committee of Temple Emanuel of Newton met recently to discuss plans for the formal opening of the campaign for funds to build a Jewish educational and community centre on Ward st., Newton Centre.

Mr. Jacob Wasserman, prominent attorney and civic leader, is chairman of the campaign. Assisting him are the Messrs. George E. Gordon, as vice chairman; I. J. Silverman, treasurer; Leslie A. Pike, secretary; Herbert Copelman, publicity; Ralph Cohn, president of Temple Emanuel; Ira Nelson, Kivie Kaplan, Mark Edison, Louis Holm, David Suvall, Albert Hurwitz, Abraham Kaye and Arthur Rosenberg, and the Mesdames Ira Nelson, president of the Sisterhood; Leslie A. Pike; Simon Friedman and Eli Brilliant, co-chairmen of the campaign.

The Eastern Star

The Order of the Eastern Star, composed of members of Masonic families, apparently originated in France in 1774. It was organized in the United States in 1778 in New York city by French officers. On May 18, 1793, members of various chapters met in Boston, Mass., and formulated a ritual. It is said that General Lafayette was greatly interested in the formation in the United States of the organization.

City for Dead, Not Gloomy

Mexico's Mita ruins, south of the city of Oaxaca, was designed from textile patterns by weavers who first played with the possibility of a loom, then translated to stone. Mita, a city built only for the dead, is not by any means a gloomy place. Its walls are as richly colored as an Oriental rug. In Mexico's early day the word was "Brighten the corner where you are."

Van Everen Style Show Next Tuesday, April 28

Eight Newton girls will act as models at the Style Show sponsored by Louise Van Everen Associates at the Community Playhouse Wellesley Hills next Tuesday afternoon and evening. They are Louise Balch, Peggy Harrison, Marjorie Collins, Martha Wright, Mrs. Harold Piper, Gerrie Wisbach, Constance Somers and Elaine Hamilton. Another Newton girl, Serena May Butz, will appear in the Bridal Party sequence as a flower girl.

Photo by Noetzel
CONSTANCE SOMERS

The Fashion Promenade will be a feature of the regular performances of this popular theatre, at which "Danzon" the prize picture starring Bette Davis will be shown. Gerrie Wisbach will do a tap number. Louise B. Van Everen who will accompany the models with brief descriptive notes announced, "The girls selected to interpret the trend in fashions were chosen because of their grace, charm and beauty. They will bring to the audience the current spring modes, the exciting summer modes and the authentic trends of tomorrow. The Style Parade has been arranged in a series of tableaux beginning with the sport number followed by a tea number in which an afternoon tea will be enacted on the stage. Then follows the Evening Formal number featuring gorgeous gowns. The climax will consist of a bridal party which will feature the bride, bridesmaids and flower girls."

The stage will be beautifully and appropriately decorated for the performance. A back drop of silver lame, flowers and rare lighting effects by C. Hassler Capron of Newton Centre will furnish the setting. Mr. Lou Hafner will accompany at the piano. Dresses and gowns worn by the models from the shop of Louise Van Everen Associates, of Wellesley Hills.

Models from Wellesley College include: Helen Creamer, Barbara Badet, Mary Elizabeth Kister, and Virginia Spangler.

Wellesley girls who act as models are Nancy Bowdin, Barbara Clark, Peggy Jenks, Mrs. Doris Sawyer and Mrs. Dorcas Lavalley.

Mrs. Van Everen is ably assisted in the Promenade by Mrs. Ralph H. Somers of Newton Highlands.

Waban Woman Injured in Havana

Mrs. Elizabeth Landers of 82 Collins rd., Waban was injured in Havana, Cuba on Tuesday night when a collision occurred between a bus and an automobile. She received a double fracture of one arm and cuts on the face and head. Mrs. Landers in company with Mrs. F. L. Hoover of Beacon st., Waban, went to Havana on April 1st and was to have returned from there on Wednesday.

Autoists Fined In Newton Court

Mario Gilberti of 48 Winship st., Brighton, was fined \$50 in the Newton court yesterday by Judge Allen for driving a car while under the influence of liquor. He was arrested on the Worcester turnpike on April 13 by Patrolmen Smith and Slavin. In the Newton court yesterday one woman driver proved to be a good sport. She not only pleaded guilty to speeding and paid a \$5 fine, but commended the action of policemen in apprehending speeders. The lady was Harriet H. Sanders of Cliff road, Wellesley. Several others were fined \$5 for speeding. Adeline Graham of 9 Columbus st., Newton Highlands, was fined \$5 for not stopping before entering a through way. Paul Peruzzi of 244 Adams street fined \$3 for a like offence. Anthony Warfield of 43 Hillside road, Newton Highlands, was fined \$5 for not slowing his car when approaching a pedestrian.

Meeting of Newtonville Improvement Association

Next Monday evening, April 27, at the Newtonville Women's Club, Washington Park, the Newtonville Improvement Association will hold its annual meeting.

This meeting will be of unusual importance and the officers of the club have provided a most interesting program featuring three well-known speakers: Julius Lucht, City Librarian; Paul E. Elieker, Principal of Newton High School; and Mayor Edwin O. Childs. Reports will be made covering the activities for the year, and library trustees for the new year will be elected.

West Newton

—Fred Hall of 110 Highland st., West Newton won a silver cup presented by Henry I. Morrison as the first Newton boy to finish in the 12 mile bicycle road race held last Sunday afternoon. Hall, a pupil at the Warren Junior High School, finished seventh in the intermediate class.

Newton Veterans Honor Fr. Farrell

A memorial mass in honor of Rev. William J. Farrell, World War chaplain of the 26th Division, was held at St. Bernard's Church, West Newton on Monday morning at 10 o'clock. Members of Newton Post, American Legion; Eugene Daley Post, V. F. W.; Chaplain William J. Farrell Chapter, Disabled Veterans, and Company C, 101st Infantry marched to the church where they were joined by auxiliary organizations. Mayor Childs and members of the city government were among those present. The solemn requiem mass was celebrated by Rev. Joseph Casey, assisted by Rev. Thomas Boland, deacon; and Rev. Joseph Daley, sub-deacon. Following the mass the various units reformed and marched to Calvary Cemetery, Waltham, where military honors were accorded at Chaplain Farrell's grave.

Newton Symphony Orchestra Concert

The closing concert of the season of the Newton Symphony Orchestra, Inc. was given Friday evening, April 17th, in the Newton High School Auditorium, Newtonville. Mr. D. Ralph Maclean conducted a program which included selections from the works of famous musicians such as Delibes, Bach, Mendelssohn, Brahms and Wagner.

Miss Norma Olson performed the Golttermann Concerto with remarkable poise and beauty of tone and phrasing.

Mr. Robert Giddings, played the Mozart A Major No. 23 Concerto, music of eternal beauty, with great clarity and understanding.

The concert was well sponsored and attended by a distinguished group of Newton people.

Delphi's Statues

Ancient Delphi, Greece, the most famous shrine in antiquity, was so full of statues that when Nero carried off 500 or so it was hardly noticed. The finest statue ever found there was the bronze charioteer which, buried by a fall of rock, was recovered by French excavators in almost perfect condition.

Stuff 'n' Dates by Ned Moore

DOCTOR WILLIAM THORNTON WAS AN ENGLISH DOCTOR BORN IN THE WEST INDIES. IN OCT. 1752, HE ARRIVED IN THE UNITED STATES. HE WAS THE FIRST TO SUBMIT A DESIGN FOR THE PROVISION OF THE BUILDING OF THE CAPITOL. HE WAS ACCEPTED IN 1753. HE BECAME A RESIDENT OF THE CITY AND ON DEC. 16, 1754, WAS APPOINTED A COMMISSIONER OF THE CITY AND SERVED UNTIL 1802. IN 1810 HE BECAME SUPERINTENDENT OF THE PATENT OFFICE AND SERVED AS ITS HEAD UNTIL HIS DEATH IN 1828. HE IS BURIED IN WASHINGTON.

THE FIRST PATENT WAS GRANTED TO JAMES HOPKINS, HIS INVENTION BEING THE MAKING OF POT AND PEARL ASHES. THIS THE FIRST PATENT ISSUED BY THE UNITED STATES GOVERNMENT, WAS GRANTED ON JULY 31, 1790.

THE MAN WHOSE SPEECH SAVED THE COUNTRY'S PATENTS

IN 1810 CONGRESS AUTHORIZED THE PURCHASE OF DODGETT'S HOTEL AND THIS WOULD BE THE FIRST PATENT OFFICE. DR. THORNTON WAS IN CHARGE OF THIS BUILDING UNTIL HIS DEATH IN 1828. THIS BUILDING WAS THE ONLY ONE THAT REMAINED STANDING WHEN THE BRITISH OCCUPIED WASHINGTON IN 1864. A BRITISH OFFICER IS SAID TO HAVE ORDERED A GUN TURNED ON IT. DR. THORNTON, THE PEPPERY HEAD, INDIGNANTLY DEMANDED: ARE YOU ENGLISHMEN OR GOTHIC INVENTORS? THIS IS THE PATENT OFFICE, THE REPOSITORY OF THE INVENTIVE GENIUS OF AMERICA, IN WHICH THE WHOLE CIVILIZED WORLD IS CONCERNED. WOULD YOU DESTROY IT? IF SO, FIVE AWAY AND LET THE CHARGE PASS THROUGH MY BODY. NEEDLESS TO SAY THE ENGLISHMAN CEASED BEING WANDAL FOR THE MOMENT AND THE PATENTS WERE SAVED.
